

The background of the slide features a large, faint watermark of the University of Michigan seal, which includes a central figure holding a lamp and a book, surrounded by a circular border with text. The seal is rendered in a light gray color.

Welcome Class of 2024

WORLD LANGUAGES

FRENCH, SPANISH, ASL

*La français, c'est
magnifique!*

¡Viva el español!

- Four years of study are currently offered for French and Spanish.
- They focus on the five basic units of learning: reading, writing, speaking, listening, and culture.
- There is AP Spanish Language and Culture for students who obtain Spanish 4 proficiency by their junior year.

WORLD
LANGUAGES

*Société Honoraire de
Français*

NATIONAL FRENCH AND SPANISH HONOR SOCIETY

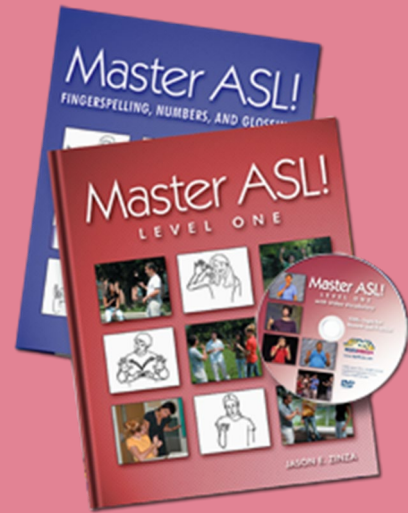

- Induction is in the spring of junior year
- Learn about French and Spanish speaking lands
- Games, films, and fun
- Contact:

French - jbratkovich@jths.org

Spanish - jgruneich@jths.org

AMERICAN SIGN LANGUAGE

- Why? --- Sign Language develops awareness and sensitivity to cultural and linguistic diversity.
- Career Availability: Careers using sign language include interpreter, social worker, teacher, speech pathologist, audiologist, and other community support services (police, doctor, lawyer, etc.).
- BEST REASON OF ALL: Meet some new and amazing people in the Deaf community! Sign language brings together Hearing & Deaf people together.
- The goal of American Sign Language is to be able to communicate with Deaf or hearing people using sign language. The district uses the Master ASL Book Series.

WHY SHOULD YOU ENROLL?

- Preparation for college/university (most require at least two years of foreign language)
- Communication
- Explore a different culture
