(g) Safe Schools

The Board of Education recognizes that our students and staff must feel safe to maintain and maximize an optimal learning environment. We are in support of the enforcement of laws, regulations, policies and rules that assure safe and nurturing climates in all our buildings and school grounds. The Board is committed to the prevention of violence against people and property in the schools and at all school activities, whether by parents, staff, or others. While cognizant of the protection of each person's constitutional rights, including due process, the Board does not condone lawlessness. Any individual committing or threatening to commit violent acts in or on school property will be disciplined according to applicable Board policy and regulations.
