Q

Frequently Asked Questions

Where can I get help?

Every school district must have a McKinney-Vento liaison to help students in temporary housing. Contact information for the liaison can be found on www.nysteachs.org/liaison.

Can a school require a student in temporary housing to show proof of residence to register for school?

No, if a student says they are homeless or in temporary housing, they must be enrolled immediately in school even if they don't have the papers normally needed, such as proof of residence, immunization records, a birth certificate, guardianship records, or school records.

Can a student who is living in temporary housing stay in the same school if they move out of the school district?

Yes, the student has the right to stay in the same school they went to when they were permanently housed.

Can a student enroll themselves in school?

Yes, if the youth is living in temporary housing and not with their parents or legal guardians (known as unaccompanied youth) they can enroll themselves in school.

What if a school doesn't enroll a student or provide busing because the district doesn't believe the student is homeless?

The school must immediately enroll the student and refer them to the district's McKinney-Vento liaison for help with the appeal process. Students have the right to appeal a school's decision, go to school, and get transportation until the appeal is decided.

If a student moves into permanent housing, can they stay in the same school?

Yes. A student can stay in the same school for the entire time they are in temporary housing and through the end of the school year in which they move into permanent housing.
