## Emergency Bus Routes & Safe Zones

***“On the line? Then you’re fine!”***

If your stop is on the line, you are fine and your stop will not change if PSD is operating on emergency routes. If your stop is not on the line, get to the closest safe zone to your residence (see the dots on the map).

Questions? Call Transportation at 253.530.3900 or speak with your bus driver.
