Emergency Bus Routes & Safe Zones

“On the line? Then you’re fine!”

If your bus stop is on the line, you’re fine and it will not change if PSD is operating on emergency routes. If your bus stop is not on the line, get to the closest safe zone to your residence (see the dots on the map and information on the reverse).

Questions? Call Transportation at 253.530.3900 or speak with your bus driver.
