

# Totino-Grace High School Registration Planning Form 2020 - 2021 School Year - Class of 2021

The purpose of this planning form is to help you get a four-year look at your academic program at Totino-Grace High School. If you plan carefully, you will leave Totino-Grace having met all of the graduation requirements and having completed a comprehensive course of study that will prepare you for whatever you choose to do after high school. Consult the online **Academic tab - College Planning** for general college requirements.

Required courses (**except the Health, World Language and Fine Arts requirements**) are already listed for each grade level.

Start by using your **Transcript** to fill in the courses you will have completed in Grades 9, 10 and 11.

Then write in how you plan to complete your Health, World Language and Fine Arts requirements, if you have not completed them already.

Then you may look ahead to next year and plan your academic program. Your **2020-2021 Course Registration Form** includes information of all required courses and elective choices. Please refer to that sheet as you plan.

Students in grades 10-12 may take more than 14 credits only with special permission from Mrs. Broadhead or Mr. Vandermyde.

If you wish to be a Teacher Aide you may not count the credit toward the minimum 14 credits required each year. However, you may count the credit toward the 54 required for graduation.

## Grade 9

- |                              |                           |
