Book Week celebrations

Deputy Headmaster – Teaching and Learning

Steve Uscinski

The academic outcomes achieved by the Seniors of 2018, shared by the Headmaster with the community at the commencement of the school year, were again outstanding and affirm Brisbane Grammar School's status as a leader in the education of young men in this state. The high median OP and excellent QCS Test performance speak to the depth and breadth of the whole cohort's commitment to learning.

I particularly want to recognise and to comment briefly on the following exceptional achievements by the Class of 2018:

- 4 students received an ATAR of 99.95 and a further 5 attained 99.90
- awarded scholarships to leading universities, whose combined value exceeds \$1.7 million
- 30 offers of places in Medicine courses across Australia
- several offers of places at leading overseas universities, including confirmed entry to Oxford

It is precisely the kind of broad liberal education that Brisbane Grammar School has provided for 150 years that opens up the pathways to high-demand tertiary courses and the world's top universities. This week Director of Student Services, Ms Dale Nicholas, is visiting Oxford University, Imperial College and the London School of Economics — at their invitation — to ensure our team of counsellors is up to date with the latest requirements of UK tertiary admissions. BGS is the only Australian school represented among the many leading schools from across the world attending the London International Counsellors Conference.

The Class of 2019 are already immersed in their studies and have completed their first trial QCS Test. We are confident that their preparation, led by Dean of Studies, Mr Mark Schumann, will see a standard of performance as high as any BGS cohort in the near 30 years of the OP system.

Earlier this week, I spoke to the Year 11 cohort, the Class of 2020, about the challenges of the new QCE-ATAR system. I emphasised that committing to two important and enduring principles will see our boys continue to succeed irrespective of changes of system.

I spoke firstly of *efficacy*, the capacity to produce a desired outcome. Among the most significant markers of student success is possessing self-efficacy, the ability to exert control over one's motivations and behaviours to produce specific performance attainments. In simple terms, the capacity to manage oneself, developed and practised through routines and habits, correlates highly with student academic success.

Similarly, *collective efficacy*, a shared belief in the conjoint capability to organise and execute actions required for performance, is another significant correlating factor with success. The benefits of committing to collective enterprise are apparent across the School, most visibly in the preparation and planning for instruction that our teachers undertake. At the same time, each class and cohort of students can commit to a collective culture of thinking and learning that improves the performance of all.

I also spoke to Year 11 about the value of *integrity*, the capacity to have and consistently act on strong moral principles. Committing and living up to high standards of academic integrity is essential to success as a student, scholar and career professional. I made clear to the Year 11s that irrespective of circumstances, their academic integrity must be maintained, and that there are always alternatives to behaving dishonestly.

The credo of the Columbia University Business School, at which I was fortunate to study some years ago, encapsulated my closing message to Year 11:

*As a lifelong member of the CBS community, I adhere to the principles of Truth, Integrity and Respect.
I will not lie, cheat, steal or tolerate those who do.*

I wish all our students every success in their academic endeavours in 2019.

Captains' Corner

At assembly, my message to the boys was to step out of their comfort zone and take advantage of the many opportunities BGS has to offer. By doing so, students connect and engage with peers who they might not work with otherwise.

Despite our differences and backgrounds, we all wear the same blue shirt and *light dark blue* tie — we are all part of this community. We believe it is important for the entire student body to work 'As One' to achieve 'As One'. This is why we're focusing on unity, engagement and a sense of school pride and belonging in 2019.

I also encouraged the senior students to join one of the several committees. The committees are a remarkable opportunity to lead and serve the community. Seniors, please contact the respective committee chairs to get involved:

- **Spirit Committee:** Hugo Brown
- **Academic Support Committee:** Cameron Cormack-Thomson
- **Senior Video Committee:** Keng Tan
- **Closing the Gap Committee:** Jude Forrest
- **Formal / Bi-Grammar Committee:** Yazgi Sato
- **Public Purpose:** Thomas Bizzell
- **Student Representative Body:** Chris Sole

It has been very promising to see the willingness of the boys to commit to their co-curricular pursuits and the committees. The support and courage demonstrated in the first round of GPS fixtures set a very strong standard for this term. I look forward to seeing the Spirit Committee lead in the upcoming GPS Championships for Term 1.

Noah Rosemann
School Vice Captain

Deputy Headmaster – Students

David Carroll

BGS child protection update

At the recent Middle School parent information evenings, I presented on how BGS is implementing the Royal Commission's child safe institution recommendations. I discussed the School's progress in this area since 2016, and explained each of the focus areas in the School's Child Safe Schools Environment framework. These include Policies and Practice, People and Culture, Perennial and Promotion. I will be delivering the same presentations later in the term at each of the Senior School parent information evenings. If you would like further details, please contact my office directly via (07) 3834 5260 or dhm.students@brisbanegrammar.com.

Student immersion information evenings

There are several service immersion opportunities for BGS students this year. We held an information evening about the Year 10 Cambodia Immersion this week, and on Monday there is an information evening for the Year 10 Parent–Son Kokoda Immersion, as well as an information evening for Years 11 and 12 families for the Indigenous Immersion. All experiences are aimed at providing an experience different from regular family holidays. We aim to provide meaningful experiences where boys reflect and develop a conscience that encourages them to focus on assisting those less fortunate. If you have any questions or were unable to attend, please contact Ms Philippa Douglas via philippa.douglas@brisbanegrammar.com regarding the Cambodia and Indigenous Immersions, or my office for Kokoda Immersion enquiries.

Special leave

If you require your son in Senior School to be away from school for an extended period of time, you will need to apply in writing to my office. I accept that there will be times when being absent from school is unavoidable, but taking a family holiday outside of term breaks is not acceptable. All holiday break times are well advertised, and I would appreciate you ensuring that these dates are used to schedule your family holidays.

2019 ACER Scholarship Exam

Saturday 23 February 2019

The ACER Scholarship Examination will take place at Brisbane Grammar School on **Saturday 23 February 2019**. **Please note that registrations are now closed.** The following information is for students registered for the exam.

Arrival

Students should arrive at the Great Hall at Brisbane Grammar School at **8.15am** as there are administrative tasks we need to complete prior to the boys commencing the exam at **9.00am**. Signs will indicate the location of the Great Hall and School Prefects will be available to direct you when you enter the School grounds.

Examination

Once boys have entered the Great Hall for instructions they will be under the direction of supervising staff and parents will not be permitted access to the Hall or the examination centre. **Parents are asked not to remain on campus while the examination is on and should return to collect their sons at 12.00pm.**

It is not necessary for boys to bring anything other than **two blue or black ball point pens, two HB or B pencils and a pencil eraser**. Candidates should **not** bring books, papers, rulers or mathematical instruments of any kind. Your son is not required to bring any form of identification.

There will be a break between papers and light refreshments will be provided for students. Boys should bring their own morning tea if they would like to eat something substantial or if they have a specific dietary requirement. Boys may bring a water bottle to take into the exam if they wish.

Boys are **not required** to wear school uniform for the exam and should attend in neat, casual clothing. This also applies to students who currently attend Brisbane Grammar School.

Parking

Please note there will be no provision for parking at the School and the parking situation at Gregory Terrace is usually extremely hectic on this day. I would urge you to be aware of this and make arrangements so your son arrives on time.

Departure

The examination should conclude at approximately **12.00pm** when students may be collected from the Great Hall or surrounds.

Results

The School does not provide candidates' actual scores or order of merit. However, ACER will provide your son's results online from **Thursday 4 April 2019**. You will need your username and login details to access his results.

If your son is being considered for a scholarship you will be contacted by the Headmaster's Office as he will be required to attend an interview. Please note that only successful candidates will be contacted.

Jamie Smith
Director of Enrolments

Director of Boarding

Berian Williams-Jones

Last Friday, I had the pleasure of presenting badges to the Harlin House Prefects at the Prefect Induction Assembly. It takes courage to apply for a leadership position and ask for the approval of peers, fellow boarders and staff.

When the leadership positions were announced, I shared my belief that the new Prefects were following in the tradition in the Roman army. As the legions were marched, each 'century' was led by a soldier who carried the standard or banner. As Prefects, these boys are now the standard-bearers of their peers. I know this responsibility means a great deal to both James and Ryan, as Captain and Vice Captain of Harlin House; along with Anthony, Callum, Calvin, Josh and Sam, they will all be outstanding ambassadors for our boarding community.

At the start of the year, I tell the boys that leadership is much more than a badge or title. My firm belief is that each boy in the House is a leader. All Year 12 boys, who Mr Byron and I meet with every week, set the tone and standard for the younger boarders. We expect every boy to lead by making good decisions that have a positive impact on other boys.

We are already benefitting from this diversified view of leadership, and I look forward to sharing other success stories over the year.

Director of Outdoor Education

Derek Jervis

The Year 7 program has a focus on endeavour. The boys are given a range of new and challenging activities. They are encouraged to learn about their new classmates, push themselves mentally and physically and be respectful to the environment, culture and their peers. They undergo a traditional acknowledgement of country with local Ugarapul Elder Douglas James, which helps the boys gain an understanding of the local Indigenous culture. They also learn to use traditional Ugarapul hunting weapons and musical instruments.

7A and 7B had the chance to start the year with this experience. The boys put effort into learning the names of all their classmates, seniors and teachers. Hopefully this shared experience will help to develop some strong relationships for the year ahead.

Max Liberatore was consistently positive regardless of the situation. His enthusiasm had a great impact on the rest of the class, especially as he kept upbeat at the end of a long day hiking. Rupert Sommerville and Connor Fitzpatrick engaged in all the activities and were keen to get involved in every aspect of the program — including the duties.

Darcy Millstead and Jasper Gottliebsen were both keen and enthusiastic participants throughout the program. Mikhail Othman was ready to take on every challenge and pushed himself to reach the top of the 15m climbing tower.

Year 12 Form Seniors Alec Bodimeade, Lachlan Hislop, Vincent Xu, Jack Anderson and Oliver English have done a wonderful job leading the Year 7 program this week. The seniors set a great example for the Year 7 boys as they ran the duty areas, facilitated a games evening and guided the boys through the prussicking activity.

Ms Lisa Whitcher and Mr Dean Littlefair joined the boys at Moogerah to support and share the experiences with their classes. Mr Craig Timms also visited to support the boys taking on the rock climbing and abseiling component of the week.

Click to view the [7A photo album](#), [7B photo album](#), [7A video](#) and [7B video](#) of the boys' experiences at Outdoor Education this week.

Director of Student Wellbeing Programs

Philippa Douglas

SchoolTV Mindfulness

With the year well underway and boys back into school routines and expectations, I thought it timely to share the latest SchoolTV segment on mindfulness.

Mindfulness can be described as attention training for your brain, enabling you to focus on something without judgement and to stimulate curiosity. Mindfulness can be practised in several ways and is something that can be done by everyone — no matter your age. It has been practised by many cultures around the world, and it is not exclusively affiliated to any particular philosophy or religion.

Mindfulness helps improve memory, engagement and performance. Its positive effect on the brain can improve immunity, mental wellbeing, learning ability, emotional health and even time management. It is especially important in this era of information overload as our attention is constantly being pulled in many directions, making us more distracted.

In this edition of SchoolTV, parents can learn the best way to introduce mindfulness to their sons, implementing it into their daily lives to have an overall positive impact on family relationships.

[Click here](#) for this month's edition of SchoolTV.

Leadership Tours

A reminder that applications for the Asia-Pacific Young Leaders Convention in Indonesia in April and the Asia-Pacific Young Leaders Summit in July are now open to students in Year 11. Students who are interested in representing BGS at either of these leadership forums must complete and submit applications by the following dates:

- APYLC in Indonesia — Friday 15 February
- APYLS in Singapore — Monday 25 February

Please refer to [MyGrammar](#) for further information on the APYLC and APYLS as well as application requirements.

Service Immersion Information Evenings

- Years 11 and 12 Cape York Indigenous immersion — Monday 18 February in The Lilley Centre Forum. Refer to [MyGrammar](#) for an overview of the immersion.
- Year 10 Cambodia immersion — expressions of interest close Friday 22 February. [Click here](#) for information on enrolment procedures and immersion overview.

Year 10 Parent–Son Kokoda trip

September 2019

An information session will be held for Year 10 parents interested in learning more about a BGS Parent–Son Kokoda trip which will be coordinated by Aurora Adventures in September 2019.

Those who participated with their sons in similar treks have spoken of the remarkable experience — made more remarkable by being shared — and the lifelong friendships that develop between the parents and among the boys.

Further information is included in the brochure which has been posted on MyGrammar in the Year 10 section.

Note that all boys who participate in this trek must be accompanied by a parent.

Information session

Date: Monday 18 February 2019

Time: 6.00pm

Location: The Lilley Centre

Guest Speaker: Evan Donaghue, Operations Manager, Aurora Adventures

Contact: Petrina Gilmore | petrina.gilmore@brisbanegrammar.com or 07 3834 5748

RSVP: rsvp@brisbanegrammar.com

Fee accounts for 2019

The School emailed fee accounts to all parents on Friday 14 December 2018. If you do not remember seeing it, please check your junk email folder.

Please note that the first instalment for everyone is due on or before **Friday 15 February 2019**. If you are paying your account upfront for the full year, we must receive your payment by this date or you will not be entitled to the 4% discount and your account will be adjusted accordingly.

Please contact BGS Accounts via accounts@brisbanegrammar.com if you have any questions regarding this matter.

Kay Goodwin
Director of Finance

Important dates for Semester 1

Parent-teacher evenings

Year 8	Wednesday 8 May
Year 9	Tuesday 30 April
Year 10	Tuesday 21 May
Year 11	Tuesday 14 May
Year 12	Tuesday 7 May

Independent study afternoon (Years 7 to 12)

Term 2	Thursday 23 May

Public holidays

Anzac Day	Thursday 25 April
Labour Day	Monday 6 May

Frank McClatchy
Dean of Administration

Deputy Head – Co-Curriculum

Greg Thorne

2019 GPS sports and activities are well underway, bringing an energy to our campus. Before and after school, BGS boys are fully engaged in training and rehearsals. Last weekend, GPS Debating, Cricket and Volleyball competitions began, with lead-up meets for Swimming and Rowing continuing.

Director of Sport, Mr Ron Cochrane, Director of Middle School Sport, Mr Glenn McFarlane and I plan to attend as many fixtures and functions as possible. In doing so, we engage with parents about your experiences and those reported to you by your sons. We also listen to coaches and managers as they conduct their valuable work, and we support our incredible MiCs and Directors leading sports and activities. Most importantly, we speak with and hear from the boys about their co-curricular experiences. Our goal is for every boy to experience growth and success in our Co-Curricular program's sports and activities.

I've been pleased to hear reports from the plethora of internal clubs offered, with boys taking up opportunities to gather, learn and share on all manner of interesting topics.

From the Enterprise groups to the Aviation Club and everything in between, there really is something for every boy who wants to benefit from these extensive activities and the staff who oversee them.

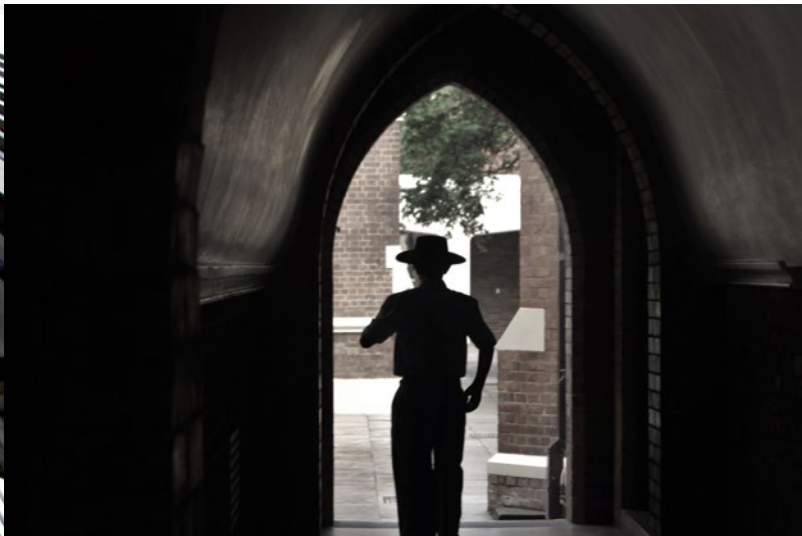

As always, the most comprehensive and up-to-date information for all Co-Curricular activities is available through MyGrammar, with the BGS app used as a notification tool. MyGrammar should be used as your primary source of information. Within MyGrammar, for each sport and activity, contact details are available for the MiC or Director, for those occasions when this may be necessary.

This Monday evening, 18 February, the annual GPS Music Showcase is on at QPAC, following rehearsals during the day here at BGS and elsewhere. Further details are listed in the Music report. We wish our musicians and all boys involved in Co-Curricular activities this week every success as they strive to learn and improve.

Art

Year 10 Art students are currently working on an Art and Architecture unit, where they are required to take photographs of architecture around the School. Boys were asked to look carefully at not only a whole building but at its details. From these photographs, students create a one-colour lino print edition followed with hand colouring in watercolours. The photographs may also be an inspiration for a sculpture. Boys are looking closely at the elements and principals of design and have researched architects and interior photographs from home.

Sandy Elliott
Teacher of Art

Debating

I am pleased to report that our first round of Debating was an incredibly successful night, with BGS winning 13 of 15 debates. A special mention to our new debaters and those who stayed to support the Senior A team in their unanimous win against The Southport School.

Tonight, we have our first away debate against Anglican Church Grammar School. It is also the very first debate for our youngest debaters and we look forward to supporting the Years 5 to 7 students in their debating journey.

Just a few housekeeping notices:

- Bus sign up: The links to our bus sign up forms to Brisbane State High School and Nudgee College are online and can be completed now. Remember that students must complete these details.
- Weekly times for debates will be published on MyGrammar the Wednesday before the debate.

Next week we debate against Gregory Terrace. I encourage all debaters to stay and support the Senior A team with the Spirit Committee and Year 12 supporters.

Finally, QDU have confirmed the dates and initial topics for the Years 8 to 12 competition. All QDU debaters have been emailed this information and coaches are currently organising training times. More specific information regarding venues and debate times will be sent to students as soon as it is finalised.

Ainslie Hunter
MiC Debating

Drama

The casting process for the 2019 Senior Dramatic Production was one of the most challenging and competitive in recent memory. The high calibre of auditions revealed the depth of acting talent across the senior cohort. Well done to all students who participated in this process.

We are thrilled to announce the cast for Richard III:

Adrian Brown	Amy Lehmann (QACI)	Angus Watson-O'Donnell
Charlie Jones	Ethan Farr	Fred Forno
Harry Barker	Hugo Brown	Iagan Kiszely
Indiah Morris (QACI)	Jack Richardson	Jack Sinclair (Year 7)
Luca Gerbino	Matthew Amato (Year 5)	Noah Strachan
Oliver English	Roisin Wallace Nash (QACI)	

Jeffrey Lewis

Senior Dramatic Production Creative Team

Music

GPS Music Showcase

This wonderful event featuring the finest musicians from all GPS schools will be held this Monday 18 February. The choirs will be rehearsing at BGS, the Concert Band at Brisbane State High School and the Orchestra at the Queensland Performing Arts Complex. There are over 50 boys representing BGS at this event and we wish them all the best.

The final concert will be in the **QPAC Concert Hall at 7.00pm**. Tickets are free and available online through TryBooking. Physical tickets can be collected from the QPAC box office on the night from 5.30pm. [Click here](#) for tickets or search 2019 GPS Music Showcase on TryBooking.

We hope you can attend to support our BGS musicians.

Music concerts in 2019

Now that auditions have completed and rehearsals have started, I would like to remind you of upcoming concerts in Semester 1. Please note these dates in your family diaries and let us know if you anticipate any problems. It will be a great semester of concerts.

A complete list of concerts and events can also be found on MyGrammar.

Friday 22 March

- Music Soiree | 5.00pm | performances by selected ensembles in the Great Hall (groups TBC)
- Music Support Group welcome function | 6.00pm | The Lilley Centre

Sunday 28 to Monday 29 April — Junior Music Retreat at the Old Museum

- Vocal Group, Paganini Strings, Corelli Consort, Junior Band, Sousa Band
- Final Concert at 4.00pm at the Old Museum

Wednesday 8 May — Intermediate Concert 1 | Centenary Hall | 6.00pm

- Locatelli Strings, Stradivari Strings, Williams Band, Philharmonic Orchestra, Parker Jazz Band, Junior Percussion Ensemble, Boom Percussion Ensemble, Crash Percussion Ensemble

Thursday 9 May — Intermediate Concert 2 | Great Hall | 6.00pm

- Chamber Choir, Grammar Voices, Vivaldi Strings, Holst Band, Grainger Band, Morrison Jazz Band, Basie Jazz Band

Sunday 19 May — Grammar in Concert

- To be held this year in the magnificent Edmund Rice Performing Arts Complex, St Laurence's College at 4.00pm
- Featuring our finest ensembles including Grammar Vocal Ensemble, Grammarphones, Grammar Singers, Symphonic Band, Senior Percussion Ensemble, Big Band, Symphony Orchestra, Chamber Strings and Vocal Group

Peter Ingram
Head of Music

Cricket

The BGS Cricket community were well prepared for our first round of the GPS season against Ipswich Grammar School, having completed a thorough preseason program during Term 4 and the summer holidays. The boys tested their skills at the annual cricket camp and trials matches held in late January, and our Development and First XI squads toured Adelaide in December as part of their preparation for the 2019 season. The First XI also successfully competed in the Annual Tri-Grammar Cricket Competition which we hosted this year, winning the T20 Cup for the first time since 2013. Four of our boys gained selection in the Tri-Grammar representative team. Congratulations to Archie Halliday (VC), Dan Athanasellis, Bailey Curran and Angus Pearn.

Round 2 of the GPS Cricket season commenced with fixtures against IGS. This was a very successful round with wins recorded in 23 of 36 matches played and 12 of 16 GPS matches.

Round 2 highlights

- Matthew Lockhart (First XI) – 57 runs
- Hayden Spencer (11A) – 49 runs
- Will Petersen (11B) – 45 runs
- Joel Furnell (10B) – 57 runs
- Bailey Dangerfield (9D) – 50 runs
- Oliver Spence (8A) – 47 runs
- Jack Van Der Westhuizen (6B) - 49 runs
- Jayden Muller (11B) – 42 runs
- Jack Fewster (10B) – 4/32
- Toby Logan (9B) – 4/10
- Robbie Sanders (First XI) - 4/50

All-round performances

- Luke Furnell (Second XI) – 3/2 and 21 runs
- Declan Harte (Second XI) – 42 runs and 2/30
- Callum Vidler (8A) – 29 runs and 2/16

Team of the Week

10B – 4/190 def IGS 10/103

It was a great all-round performance with solid contributions from the team.

Player of the Round

Jack Van der Westhuizen (6B) - 49 runs. In the junior matches, the boys only get to face a limited number of deliveries and Jack made sure that every ball counted with his whirlwind performance which included 10 fours.

I encourage all players to keep working hard on all facets of their game. We have been paying particular attention to fielding this week and taking the stumps at every occasion. Let's hope it pays off in our next round of matches against archrivals BBC.

Good luck to all teams this weekend.

Trevor Irvine
Director of Cricket

Cross Country

Years 5 to 12 GPS competition

A note to all runners that training starts and finishes at the Pavilion at the end of Number 1 Oval. Students should arrive at the Pavilion to sign on with their Student ID card and be ready to run at 6.15am. This training should not interrupt the Term 1 Sport program, but is a way to supplement or augment other training sessions. Students who are involved in Cross Country should attempt to make these sessions to build a solid aerobic base for the upcoming season. The program uses playing fields at school, surrounding parkland area, bikeways and footpath runs following local roads.

Follow the link on MyGrammar to sign on for the season.

Upcoming Events

Term 1 training	Monday, Wednesday, Friday mornings 6.15am – 8.00am Cricket Pavilion
Wednesday 3 April	BSHS/BBC Cross Country Minnippi
Monday 8, Wednesday 10, Friday 12 April	Holiday training 7.00am – 8.00am BGS
Monday 15 – Wednesday 17 April	Years 7 to 12 BGS Cross Country Camp Tallebudgera

Information on BGS Cross Country can be found on MyGrammar.

If you have any questions regarding the Cross Country program please contact Mr John Clancy at john.clancy@brisbanegrammar.com.

John Clancy
MiC Cross Country

Rowing

The competitive rowing season commenced in late January after the boys completed some challenging camps at Grafton during the holiday period. The boys have been building their fitness and honing their technical skill with the rowing oar, excited for the competitions that lie ahead.

The Queensland State Championship regatta, held Friday 25 January to Sunday 27 January, saw BGS rowers secure four Gold, one Silver and two Bronze medals. Despite the hot weather, our rowing team from Years 9 to 12 attended the regatta, displaying their strength in multiple events.

Congratulations to the following boys on their exceptional performances:

Gold	Silver	Bronze
U19 Single Scull Hugh Weightman	U19 Single Scull Sam Atherton	U19 Double Scull Harry Sirett, Tom Clifton
U19 Double Scull Hugh Weightman, Sam Atherton		U16 Quad Scull Angus Reinhold, Hiro Hobson, James Mulholland, Campbell Stoneley, Will Shaw
U19 Coxed Four Harry Sirett, Tom Clifton, Hugh Weightman, Sam Atherton, Jono Cooke		
U17 Quad Scull Tom Stunden, Tom Fennon, Jake Smith, Drew Weightman, Matt Weier		

The GPS regatta season commenced on Saturday 2 February with some encouraging performances across the year levels. Building from this, the team improved in Week 2 with some great performances in Year 10 and Open year levels. Notably, the Year 10 Fourth Quad had a strong win in their second race and Open First VIII secured a tight fourth place with a margin of 2.18s to third and 0.84s to second. A further six crews rowed to very close fourth and fifth place positions.

These encouraging results have led to a very positive and driven Week 3 of Term 1. Congratulations boys on your continued improvement.

Regatta 2 results – 9 February 2019

Overall Points		Open First VIII	
School	Points	School	Placing
ACGS	102	NC	1st
NC	92	ACGS	2nd
GT	83	TSS	3rd
TSS	71	BGS	4th
BGS	61	BBC	5th
BBC	42	BSHS	6th
BSHS	7	GT	DNS

It is now compulsory for boys to be wearing their UV tops at regattas. We prefer that every boy purchases the new long sleeve base layer shirts, which are available for purchase via the Tipperoo website. The can be picked up at the Rowing Boatshed by your sons.

Congratulations and thank you to our coxswains, many of who joined us early in Term 1. These boys, mainly in Years 7 and 8, have done an exceptional job for our team. Coxswains are the most important element to the rowing boat, adding the critical edge to every performance. We thank all our coxswains for their commitment.

This Saturday 16 February, the Rowing community will be hosting a community breakfast around training. We invite all Years 9 to 12 Rowing families to join us down at the Rowing Boatshed from 7.30am to 9.00am. The Tipperoo support group will be cooking up some breakfast and there is coffee available at the local markets next door. We look forward to seeing you then.

Tentative camp dates for the 2019/20 Rowing season:

- Year 9 Camp: Saturday 30 November – Tuesday 3 December
- Years 10 to 12 Camp: Monday 2 December – Saturday 7 December
- High Performance Camp (30 boys): Monday 13 January – Thursday 16 January
- Years 10 to 12 Camp: Saturday 18 January – Thursday 23 January
- Year 9 Camp: Monday 20 January – Thursday 23 January

End of Season Celebration

Tickets are now on sale for the Rowing End of Season Celebration, to be held on Saturday 16 March from 6.30pm at Souths Leagues Club.

To purchase tickets [click here](#).

Matt Marden
Director of Rowing

Swimming

BGS School Swimming Championships

The BGS School Swimming Championship was held at the Chandler Aquatic Centre on Tuesday. It was good to see over 110 boys from Years 5 to 12 competing and putting in some outstanding performances. Most notably, 12 new School Championship records were established. I would like to make special mention of Year 5 student, Cashy Luo, who broke four records, William Jordan and Alex Fenton, who both broke two school records each, and to Max Gao, Charlie Lutton, Gus Whittome and Tom Rimmington, who each broke a record on the day. Some of the records that were broken had stood for over 20 years.

Congratulations to these boys for their magnificent performances and to the 2019 BGS Swimming Age Champions.

2019 New School Championships Records

Cashy Luo	11 Years 50m Backstroke	36.44
	11 Years 100m Freestyle	1:11.13
	11 Years 50m Butterfly	33.89
	11 Years 200m Individual Medley	2:52.58
Max Gao	11 Years 50m Breaststroke	41.81
Charlie Lutton	12 Years 50m Butterfly	64.67
William Jordan	15 Years 200m Freestyle	2:03.54
	15 Years 400m Freestyle	4:08.85
Gus Whittome	16 Years 50m Butterfly	26.49
Alex Fenton	16 Years 200m Freestyle	2:00.45
	16 Years 400m Freestyle	4:11.95
Tom Rimmington	Open 100m Breaststroke	1:05.62

2019 BGS Swimming Age Champions

Age	Ranking	Points
10 and under	1st - Mitchell Ackermann	46
	2nd - Harvey Munday	33

City District swimming trials

On Wednesday, 14 Years 5 and 6 swimmers competed at the City Districts trials at the Lawnton Pool. Congratulations to the following boys for their performances at the City District Trials and for being selected in the District team to compete at Metropolitan North Swimming Trials later this month:

Cashy Luo, Charles Nelson, Lachlan Baker, Archer Boorer, Mitchell Ackermann, Thomas McCredie, Max Gao, Oliver Dauber, Angus Bale, Jake Miller and Josh Wood.

With only three weeks until the GPS Championship, it is important that all swimmers continue to focus on the task ahead. Training continues as normal, with the final lead-up meet being held at Chandler next Friday night. This will be the last opportunity for all swimmers to post an electronic time before the team selection process occurs.

Matt Logan
MiC Swimming

Tennis

The GPS Tennis season is approaching and we are beginning to prepare for the season. If you would like to play GPS Tennis you must compete in the school championship. This year we are electing to hold a main draw and consolation draw for singles matches. Doubles matches will only be played by the Open age group. This is to ensure a better understanding of player standard and to help achieve the best results possible for our teams.

Please see the notice on the following page of this newsletter with important upcoming dates for BGS Tennis.

Super League

Super League is a fixture competition held each Saturday afternoon around Brisbane. It is a great way for players to prepare for the GPS Tennis season and improve their match play. If you would like more information about Super League please contact Harry Lee at tennis@brisbanegrammar.com.

Hercules Program

The Hercules Program is a strength and athletic development program for boys in Years 7 and 8. It is a great way for boys to enhance their athletic abilities in a fun environment with experienced coaches. Please find information on the tennis page of MyGrammar.

Welcome to Tennis Day - GPS Tennis season launch 2019

The GPS Tennis season launch will be held on Sunday 24 March from 10.00am to 2.00pm at the BGS Tennis Centre (Victoria Park Road). It is a great opportunity to talk and play some tennis with other BGS players, coaches and parents. We will also have a barbecue lunch.

Volleyball

BGS Volleyball players lined up against boys from an emerging Brisbane Boys' College program last Saturday. I was proud to watch as all BGS teams compete with a perfect balance of sportsmanship and competitiveness. In what was their first real match for most Year 7 teams, the boys secured four out of five wins across the board. Most notably, an amazing result for 7E, who registered a win against the ACGS 7D team in a supplementary fixture at Churchie. The Year 8 teams recorded two out of four wins in challenging matches. Unfortunately, the 8A and 8B teams fell short against quality opposition. It is important to approach each match with a growth mindset that reflects a desire to compete and improve, while aiming to get the little things right. The Years 9 and 10 teams performed exceptionally well, winning all matches across their respective year levels. After this fantastic start to the season, I encourage all teams to maintain standards and prepare for another challenge on Saturday. The Year 11 teams continue to improve and grow as one squad. The 11A team were particularly impressive as they recorded a strong 2-0 victory against an experienced BBC team. In Year 12, the Third VI were also secured a victory, however, the Second VI and First VI were not able to follow suit.

The First VI performed admirably against a talented BBC First VI. The BGS warriors left nothing in the tank, as they fought hard for every point. All eleven members of the First VI contributed to what was a solid round one performance. BBC were better on the day, defeating BGS 3-1, 19:25, 25:23, 19:25, 19:25. I wish to acknowledge Harry McGregor, Ethan Stamatellos, Ali Rahmanian and Ethan Harris who performed well under pressure. We now shift our attention to Round 2 as we set our sights on Nudgee College.

Finally, I wanted to extend my gratitude to the group of Old Boys who were part of the First VI jersey handover ceremony last Saturday. This powerful tradition saw former players come back to present their playing number to the corresponding 2019 player. To find out more about this tradition, I encourage you to speak to any First VI player about their legacy jerseys.

Coxy's three talking points from Round 1:

- Highlight – BGS supporters outnumbering BBC supporters during the First VI match
- Lowlight – Some students with headphones wearing tour gear and slides instead of PE uniform
- Team of the Week: 7E

Good luck to all BGS teams tomorrow. Remember to check the team list and draw carefully. Most matches are being played at Nudgee College; however, some matches are at BGS.

Rhys Cox
Director of Volleyball

Acting Head of Middle School

Rebecca Campbell

Leadership was the key focus at today's Middle School assembly as we presented our Class Captains, Wing Captains and Year 5 and Year 6 Form Seniors with their leadership badges. Congratulations to all boys who have been elected to these positions of responsibility. During my assembly address, boys were reminded that it doesn't take a badge to be a leader. Leadership begins with the ability to lead oneself before leading others. Building the capacity to self-regulate behaviour, to manage emotions and to develop responsibility are key priorities within our middle years program. School Captain Nick Miller also addressed the assembly and shared the BGS 2019 vision As One with our Middle School students. He reminded the boys of the important role they play in uniting our BGS community by supporting one another and standing together 'as one'.

We were delighted to welcome Mr Larry Carmichael (Head of Year 12) and Mr Tim Holzgreffe (Assistant Head of Year 12) to present our Years 5 and 6 Form Senior badges. I take this opportunity to thank the Form Seniors for the integral role they play in supporting our boys' transition to the new school year. Form Seniors have been visiting social spaces and classrooms and it is evident that strong connections are already emerging. I am confident that our Form Seniors will continue to be positive role models as our Middle School boys navigate their way through the school year.

I have thoroughly enjoyed watching our Year 7 boys return from Pepperina Hill each Wednesday and Friday afternoon after their 3-day Outdoor Education adventure. Our teachers have reported high levels of excitement and commitment from the boys as they embrace new challenges. I have no doubt 7E and 7F will maintain this enthusiasm when they attend next week.

Thank you to all parents who completed our recent survey. It has provided Heads of Year and Form Tutors with useful feedback regarding our induction program and how well the boys have settled in to the new school year. Establishing and maintaining supportive connections between home and school is critical to a student's success. Over the next few weeks, our Form Tutors will be conducting courtesy calls to each family to further strengthen this connection.

Middle School Library

Book Week celebrations in the Middle School

Book Week is coming early this year to the Middle School! From 18 – 22 March, students will celebrate all that is great about books and reading. This year's theme is Book Feast – a fun mix of books and food!

Year 6 boys have already begun to stretch their creative muscles as they design their Read posters, an exciting and challenging task that has required them to learn some basic Photoshop skills.

Two major events to mark Book Week give parents and community members the opportunity to be involved:

- Book Week Breakfast for boys and parents in Years 5 and 6 will be held on Thursday 21 March from 7.00am
- Trivia Night/Author Evening for boys and parents in Years 7 and 8 will be held on Wednesday 20 March from 6.00pm

We feel fortunate that author Mick Elliott will be our special guest for the week.

Please note these dates in your diaries. More details about purchasing tickets will be available next week. If you have any questions, please contact Vicki Palmer at vicki.palmer@brisbanegrammar.com.

Vicki Palmer
Teacher Librarian

Middle School Sport

At this week's Middle School Assembly, we presented our Middle School leaders with their badges. Special congratulations to our eight Wing Captains who will lead their teams in the Interwing Carnivals throughout the year. The first of these will be the Track and Field Carnival on the last day of this term. Over the next few weeks all Middle School students will be asked to nominate their event preferences for this carnival and we hope to see all boys participating as much as possible.

Middle School Cricket

I would like to thank everybody involved in the organisation and running of the BGS Cricket season launch at Victoria Park last Friday night. The event was well supported by new and continuing families and established a welcoming and supportive tone for the season ahead. On the field, our A and B teams started their campaigns well against Ipswich Grammar School, while our lower teams shared the day with Gregory Terrace.

This week our boys play Brisbane Boys' College, which will be a good test of our depth and strength as BBC fields a similar number of teams to us.

Many thanks to the parents who assisted by scoring last weekend. If any other parents can help out this weekend your assistance would be greatly appreciated, irrespective of your experience or expertise.

Middle School Swimming

This is one of the busiest weeks in our swimming calendar with many of our younger swimmers competing at the School and City District Championship. Add the Friday night meet at Chandler and the Queensland Sprints meet for club swimmers this weekend, and it is not surprising that our boys are feeling tired.

Despite this heavy workload and the stifling heat at Lawnton Pool on Wednesday, our younger swimmers had a very successful City Districts Championship meet. Congratulations to Charles Nelson, Lachlan Baker, Archer Boorer, Mitchell Ackermann, Thomas McCredie, Max Gao, Oliver Dauber, Angus Bale, Jake Miller and Josh Wood on progressing through to the Met North Championship in two weeks' time.

Special mention should also go Year 5 swimmer, Cashy Luo who broke records in the 100m Butterfly, 50m Backstroke and the 200m Individual Medley. This caps off a wonderful week for Cashy, after he broke four records at the BGS School Championship earlier in the week. Congratulations also to Middle School swimmers Max Gao and Charlie Lutton, who also broke records on Wednesday. For more details of the School Swimming Championships, please see MiC Mr Logan's article in this newsletter.

Age	Swimmer of the Week
13 years	Tom Brittain
12 years	Bas Stoneley
11 years	Charles Nelson
10 years	Lachlan Baker

Middle School Volleyball

The season opening round against BBC did not go to plan for some of our Middle School volleyball teams, with BBC winning more than their share of the fixtures contested last Saturday. Our boys will look to improve upon this performance when they play Nudgee College this Saturday. With matches to be played at both school venues it is important that all players check MyGrammar for team lists and match details.

Team	Player of the Week	Team	Player of the Week
7A	Hudson Pherous	8A	Rudy Dempsey
7B	Thomas Poll	8B	Henry Wang
7C	Jack Guyatt	8C	Harry Clifton
7D	Nathan Buddee	8D	Jack Kaandorp

7C	BBC	8C	BGS
7D	BGS	8D	BGS
7E	BGS		

Debating

The GPS debating season began last Friday night with our teams from Year 8 through to Senior debating against TSS. Both schools won two of the Year 8 debates contested, but TSS claimed the evening after winning the 8.1 debate.

Good luck to all our Year 5 to 7 teams when they open their season this Friday night against Churchie.

Team	Won by	Team	Won by
8.1	TSS	8.3	BGS
8.2	BGS	8.4	TSS

Debater of the Week: Year 8 – David Butler

Cross Country

A reminder that training has begun for our Cross Country squad and we are looking for runners of all ability and fitness levels to attend at least one session a week to improve their fitness. Please check MyGrammar for session details.

Middle School Football

Boys wishing to play GPS Football in Term 2 should go to the Football page of MyGrammar, complete the sign-on survey and take note of the approaching trial dates for their year level.

Congratulations

Congratulations to Ngoni Kaloko from Year 6 on his selection in the City District Basketball team.

Grammar Shop Assistant Convenor

The Brisbane Grammar School Parents and Friends' Association Inc. is an umbrella organisation for a number of support groups within the School and the P&F Auxiliary is a major sub-committee of this Association.

The Auxiliary exists to connect the parent community by promoting fellowship and to contribute funds to the School for the benefit of students, present and future. The Grammar Shop is an integral business arm of the Auxiliary and highly valued by the School.

The Grammar Shop provides a quality service to the School community within the school's Spring Hill campus.

Position

Title:	Assistant Convenor
Reporting to:	Grammar Shop Convenor
Direct Report:	Nil
Role Type:	Part-time, Fixed Term Contract

Purpose

The Assistant Convenor plays an important role in support of the Convenor to facilitate the efficient operation of the Grammar Shop. The incumbent will work closely with the Convenor and volunteers to maintain efficient procedures in a friendly environment.

Accountability

The role of the Assistant Convenor is to efficiently support the Convenor in accordance with School Standards, Auxiliary Policies and Procedures and relevant laws.

In general, the responsibilities include:

- Delivering excellent customer service;
- Professional presentation of the Shop, including shelving tidiness and cleanliness;
- Daily reconciliation and banking preparation, with strong knowledge and ability to resolve banking issues and problems;
- Maintaining boarding students' accounts and mail distribution;
- Appropriate and accurate stock processing, rotation and storage; ensure low stock levels are communicated to Convenor in a timely manner;
- Stocktake assistance mid-year and end of year;
- Assisting casual staff and volunteers in service and technical skills;
- Maintaining morning tea supplies for volunteers;
- Managing the Auxiliary's memorabilia stall for the School's Open Day;
- Assisting Commercial Manager and Convenor with general and financial tasks as required;
- Assisting the P&F Auxiliary at events as required, e.g. Spring Luncheon, New Parent Welcome Evenings.

Competency

The Grammar Shop Assistant Convenor will require the following skills and attributes:

- Positive approach to P&F Auxiliary and Brisbane Grammar School;
- Professional approach to presentation and duties;
- Solid organisation and communication skills;
- Strong customer service and interpersonal skills: ability to maintain calm, friendly, positive and professional manner at all times with customers, volunteers and other staff;

- Strong attention to detail and numbers orientation;
- Flexibility, initiative and integrity;
- Ability to work with limited supervision;
- Experience working with volunteers;
- The ability to rapidly acquire an immediate level of competency in retail software and banking procedures;
- Commitment to continued efficiency and skills training.

Hours

This is a part-time role – currently 5 paid hours per day, 3 days per week for a total of 15 hours.

The days may be varied in consultation with the Convenor and P&F Auxiliary President to ensure effective operation.

Requirements

The Assistant Convenor must hold a blue card.

Preference is given to current BGS parents.

Relevant experience or an ability to demonstrate the skills, knowledge and attributes required for the role is essential.

School Culture

As members of the School community and staff of the P&F Auxiliary, we:

- Encourage a culture of respect;
- Treat each other with courtesy;
- Share information and knowledge;
- Act as good citizens of this community.

P&F Auxiliary

Annual General Meeting

The P&F Auxiliary AGM will be held on **Wednesday 6 March 2019** in the Great Hall, starting at 9.00am.

All voluntary positions will be declared vacant. Nomination forms are available from Main Reception and need to be returned to the P&F Auxiliary office by Friday 1 March. Morning tea will follow the AGM in the Woolcock Room and all current BGS parents and friends are welcome to attend.

Further enquiries may be directed to Auxiliary Secretary Kate Rutter at katerutter@optusnet.com.au.

BGS150 History Book presale

Light dark blue: 150 years of learning and leadership at Brisbane Grammar School will be published in February 2019 with **presales now open**. Drawing on personal stories and extensive scholarly research, this book explores and celebrates the School's distinctive place in Queensland's educational landscape, and considers the effects of political, social and economic change during its 150 years.

[Click here to preorder.](#)

BGS will be holding an event for the launch of the book at the School on Saturday 2 March. Please see the following page for details and the link to book your place.
