

# Role Model Week

This has been a week of walking with experts as the children have been inspired by a number of fabulous role models, ranging from ukulele playing with Alistair Bruce to finding out about the life and work of producer Ellie Mant from Radio 3. It has been a wonderful week coordinated by the PTA and thanks must go to them and all the role models who kindly gave up their time to inspire young minds.

What a range of talented people you are, the children have enjoyed the many workshops (sewing, chemistry experiments, being a chef, design, development of High Speed 2, sports and fitness, classical guitar and a DJ-ing workshop)
