

Welcome to Year 5

Have fun this Summer

- 1 <https://performapoem.lgfl.org.uk/#>

This website is for people who like performing and watching poetry. Here you can find videos made by young people and can upload your own, with parent permission.

- 2 <https://www.nationaltrust.org.uk/documents/50-things-activity-list.pdf>

Stuck for ideas over the summer – why not download this list of 50 suggestions from the National Trust – how many can you tick off. Share it with your teacher/

- 3 <http://artprojectsforkids.org/category/view-by-theme/drawing-tutorials/>

This is a great website which gives advice on how to draw. Why not bring in your first attempt and then show us your improvement – we' d love to see your efforts.

Draw a
Cartoon
Fish

- 4 <https://sciencebob.com/category/experiments/>

Why not try a fun science experiment – be sure to stay safe and only do it with an adult present.
