

Have fun this Summer

- 1 <https://www.natgeokids.com/uk/#>

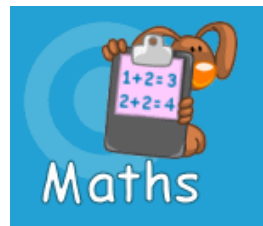

The national geographic site for children – a great website to explore.

- 2 <http://www.storylineonline.net/>

These are great for sharing with a child. Talk to your child about the story, what do they think will happen next? What do they like or dislike about it?

- 3 <https://www.topmarks.co.uk/maths-games/7-11-years/problem-solving>

Problem solving games to have fun with.

- 4 <http://resources.woodlands.kent.sch.uk/>

Explore the many different aspects of this website.
