

RESOLUTION OF THE BOARD OF EDUCATION OF MORGAN  
HILL UNIFIED SCHOOL DISTRICT ORDERING AN ELECTION,  
AND ESTABLISHING SPECIFICATIONS OF THE ELECTION  
ORDER

**WHEREAS**, the Board of Education (the “Board”) of the Morgan Hill Unified School District (the “District”) is devoted to improving the quality of education in our local public schools by upgrading technology and facilities to support instruction in core subjects like math, science, engineering, technology, English and the arts, and to attract and retain quality teachers; and

**WHEREAS**, the Board has determined that schools within the District need to be upgraded, repaired, expanded, improved and better equipped, in a fiscally prudent manner, to enable the District to improve student success and also improve student safety and campus security by installing fencing, security cameras, emergency communications systems, smoke detectors, fire alarms and sprinklers; and

**WHEREAS**, since many District schools were built more than 40 years ago, additional resources are necessary to make basic improvements, including upgrading deteriorating roofs, bathrooms, plumbing, and electrical systems; and

**WHEREAS**, the Board believes that since academic standards are rising for what it takes to compete in the 21<sup>st</sup> Century, it is in the best interest of the District to address facility improvements now and provide classrooms, science labs and career training facilities so students are prepared for college and good-paying jobs; and

**WHEREAS**, all residents benefit from living in a community with good schools and whether or not residents have school-age children, investing in every local school, will support children learning, but also enhance property values; and

**WHEREAS**, the State of California (the “State”) does not provide the District with enough money for it to adequately construct and repair schools to provide an optimal learning environment for all students and which keep pace with other top-performing districts; and

**WHEREAS**, the District has completed a facilities assessment with community engagement to identify the most pressing needs in each of the District’s schools to provide safe and modern classroom environments for all students; and

**WHEREAS**, the Board has received information regarding the possibility of a local bond measure and its bonding capacity; and

**WHEREAS**, a local measure will help provide funds that cannot be taken away by the State to upgrade aging schools, protect student safety and help the District qualify for State matching funds; and

**WHEREAS**, such measure will include mandatory taxpayer protections, including an independent citizens’ oversight committee and mandatory audits to ensure funds are spent as promised; and

**WHEREAS**, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act (“Proposition 39”) which reduced the voter threshold

for *ad valorem* tax levies used to pay for debt service on bonded indebtedness to 55% of the votes cast on a school district general obligation bond; and

**WHEREAS**, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the “Act”) became operative and established requirements associated with the implementation of Proposition 39; and

**WHEREAS**, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight that are contained in Proposition 39 and the Act; and

**WHEREAS**, the Board and District has solicited stakeholder and community input on school priorities from parents, teachers, staff, the community and civic leaders; and

**WHEREAS**, the Board desires to authorize the submission of a proposition to the District’s voters at an election to authorize the issuance of bonds to pay for certain necessary improvements and enhancements to District educational facilities which will improve the health, safety and quality of education for students in the District; and

**WHEREAS**, the Board hereby determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39 which prohibit any bond money from being wasted or used for inappropriate administrative salaries or other operating expenses of the District shall be enforced strictly by the District’s Citizens’ Oversight Committee; and

**WHEREAS**, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

**WHEREAS**, Elections Code Section 9400 *et seq.* requires that a tax rate statement be contained in all official materials relating to the election, including any ballot pamphlet prepared, sponsored, or distributed by the District; and

**WHEREAS**, the Board desires to authorize the filing of a tax rate statement and a ballot argument in favor of the proposition to be submitted to the voters at the election; and

**WHEREAS**, pursuant to the Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, March 3, 2020, and to request the Santa Clara County Registrar of Voters to perform certain election services for the District.

NOW THEREFORE, THE BOARD OF EDUCATION OF THE MORGAN HILL UNIFIED SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:
