### **DISCUSSION ITEMS:**

#### **Fall Festival Update**

- Fall Festival Recap:
  - o Notes from each committee on items that worked, and what could be improved for next year.
    - Baskets - Loved having them on the stage, can't combine classes because it's a fundraiser and we need the baskets because they contribute 1/3 of the money raised
    - Donations- Great idea, people were willing to donate so let's keep this for next year
    - Food- Need less pizza, loved the variety but buy less combo next time,
    - Games- Gymnastics and soccer shot were big hits, need more volunteers
    - Promotion
    - Volunteers- need more on games, at least 3 on snowcones, teachers not super happy about having to volunteer, feed teachers before the festival
    - Tickets- volunteers need to come at 5pm, great idea to have them ripped beforehand
    - Fun Run- This was a great activity, very well attended
