

SOCIAL MEDIA SAFETY!

Stay safe online

do you think I post this pic on facebook?

kid

School name

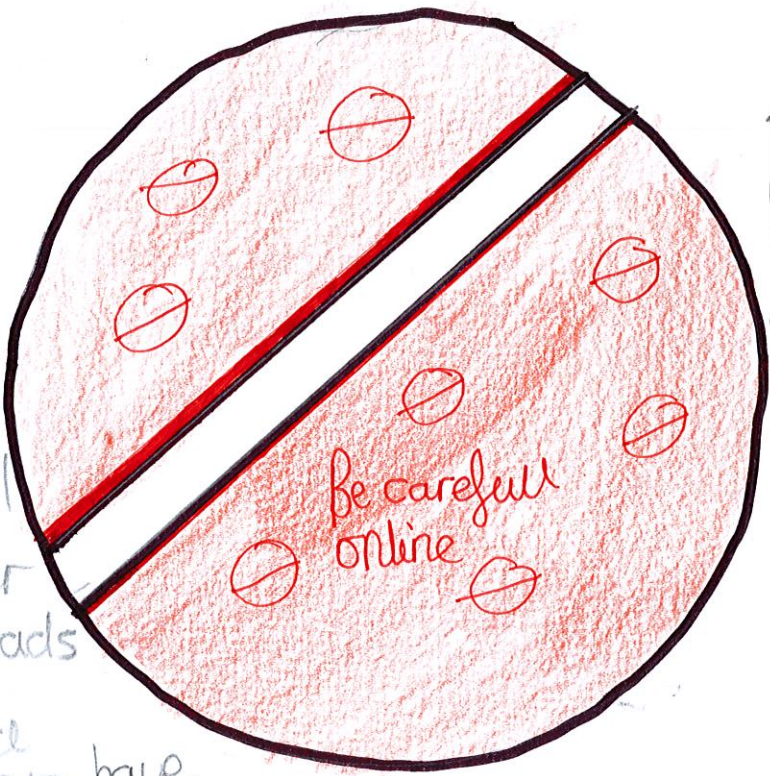

kindfield primary academy

Zoom in

NO!

Why not?

You should not post a picture online of you kid in school uniform because you don't know who will be looking at it and they can go to that school

Don't post personal information

Be careful and remember if you get loads of likes on a picture people have already seen it so if you take it down or delete it. It's not going to do anything
