### National Spanish Honor Society

On Tuesday, December 10th, the Sociedad Honoraria Hispánica welcomed 55 new members during a special induction ceremony in the library. Former Spanish teacher, Ms. Sharon Reed, spoke to the new inductees about the history of the Spanish honor society and the importance of their service work. At the conclusion of the ceremony, students lit candles passing the flame from one to another to signify the growth of each individual. These students have demonstrated a desire to engage with the Spanish

There is an active list of scholarships posted in Naviance. These scholarships may be local or national. Students should check the list to see if they meet any of the scholarship criteria and use this as an additional resource in their scholarship search.

## Scholar Snapp

Common App has made it easy for applicants to access scholarship opportunities directly through their admissions application. Common App has partnered with the Michael & Susan Dell Foundation to give you the option to connect your information with Scholar Snapp! Scholar Snapp makes it easier to apply for scholarships by allowing you to apply to multiple scholarships without having to re-enter your information each time. Instead, you can reuse your information from one application to another. Fill out one application and simply import it, or "snapp" it, to a Scholar Snapp profile to use again next time. Scholar Snapp works with many scholarship providers, including the Coca-Cola Scholars Foundation, Dell Scholars and Phi Theta Kappa. Check out their website for the full list of providers along with Frequently Asked Questions at [scholarsnapp.org](http://scholarsnapp.org).

Use your Common App information to easily apply for scholarships

Once you submit an application in Common App, you'll be able to create a Scholar Snapp profile. You'll be guided to connect your accounts so your Common App application information can be transferred to your new Scholar Snapp profile.

1. Connect to Scholar Snapp in the Financial Aid Resources tab of your Common App.
2. Log in to your Scholar Snapp account, or register for a new account.
3. Give permission for Common App to access and transfer your data to Scholar Snapp.

That's it! You'll be notified when the transfer is complete and will be taken back to your Common App account.

The Counseling Office is currently accepting transcript requests. As of November 26, 2019, 1,778 transcripts have been requested by a total of 307 students.

## Grade Point Average (GPA):

Grade Point Average or GPA is calculated each semester as classes are completed. Each final course letter grade is assigned a point value. The unweighted GPA is calculated by taking the credit for the class and multiplying it by the point value assigned to the letter grade. Then, add up all of the multiplied values and divide by the total number of credits.

Classes taken at the honors or AP level have a different point value (unweighted point value x 1.25 = weighted point value). Students who take honors and AP classes will have a weighted GPA that differs from the unweighted GPA. There are no points awarded to classes that are taken Pass/Fail.

## NCAA Eligibility:

If you want to play sports at an NCAA Division I, II or III school, please follow the timeline below:

### Grade 11 Study

- Check with your counselor to make sure you are on track to graduate on time.
