Illinois 5Essentials Survey

Organizing Schools for Improvement

Minooka Intermediate School values your input about our school. In order to celebrate the successes and review our areas for improvement, we are asking that you please complete the 5Essentials Survey for parents. The survey is open until February 14th, 2020. In order to review the results, we need at least 20% of our parents to complete it.

None of the information you provide will be directly connected to you or your child. The results of the survey will eventually be shared with Mrs. Pekol and Superintendent Dr. Monn in March.

If you have children in multiple Minooka schools, you will need to complete a survey for each building.

Thank you in advance for your participation and input on the 5Essentials Survey for Minooka Intermediate School.

Link to survey: <http://survey.5-essentials.org/illinois/survey/parent/> (Our school is in Grundy County)

There will also be a student survey that will be administered. It asks students about their experiences in school, giving school leaders critical student input to help develop school improvement plans. This survey is completely confidential. Teachers or administrators will never see individual responses to survey questions and will only receive aggregated information, such as the total percentage of students who agree homework assignments help them learn the course material. Please, check your email for a letter from MIS Administration and how to access the copy of the questions asked to students.
