

Dear Parents and Guardians:

Whether your child is new to our school or you have been a member of the Angelo School family for years, we welcome you to the new school year!

We look forward to continuing a positive relationship with our school community by working together to provide a strong foundation upon which our children can build skills, knowledge and attitudes necessary for lifelong learning. Our dedicated staff will work tirelessly to create a learning environment that sets high expectations for academic achievement, student engagement and citizenship.

Equally critical to our children's success, however, is the dedicated participation of our students' families and community. We invite you to partner with us on this year's journey to foster academic growth and the development of personal and social responsibility in the lives of our students. We urge parents to regularly attend family nights, actively participate in the Parent Teacher Association and be true partners in education.

I am honored to serve as your principal and look forward to the year ahead!

Respectfully,
John L Kelly
Principal

**GATORS GOT GRIT,
WE DON'T QUIT!**

OUR VISION

The Angelo School community engenders the participation, respect and dignity of all students. Our vision is to educate all students to high academic standards while supporting the development of the whole child.

OUR MISSION

We will deliver a rigorous academic program to ensure that each student is proficient in effective communication, critical reasoning and logical problem solving. We will seek to meet the needs of all learners in a student-centered, data-driven learning community, in which we continually collect, analyze and act on student performance data to improve teaching and learning.
