

Dear Arnone Families,

We look forward to a wonderful year with you and your child here at the Arnone School. As the new Principal here, I am excited and committed to continuing to provide an outstanding education to the students of the Arnone School.

At the Arnone School we strive to meet the needs of our students' academic and social emotional needs. Our staff have high expectations for students and challenge them to become active learners who use good values when interacting with their peers and the staff of the school. The key to the success of the Arnone School is a climate that fosters cooperation and respect among our Arnone "family".

We truly believe that a strong partnership between home and school is critical to making sure your child is successful. We urge all families to get involved in their child's education. The Arnone will host many family activities throughout the school year and we encourage your participation in these academic and enriching activities.

Please visit our school to see our staff and students in action. You will have the opportunity to observe first hand the learning process in an exciting atmosphere that fosters success and a love of learning.

Sincerely,  
Carol McGrath  
Principal

## OUR VISION

All students will be proficient in the skills needed to be successful citizens of the 21st century. We will meet the needs of our students via the consistent use of clear objectives, differentiated instruction, data analysis, and professional development. Everything we do will be designed for the sole purpose of furthering the academic achievement of our students.

## OUR MISSION

The mission of the Arnone School is to work in conjunction with parents and the community to raise a generation of literate, socially aware, global citizens.
