

Dear Parents and Guardians:

It gives me great pleasure, on behalf of the Ashfield School staff to welcome you and your child to our school. We shall endeavor, with your cooperation and assistance, to make this school year a most successful and productive experience for your child.

I would like to extend a personal invitation to you to participate in your child's learning through participation in the parent newsletter emails. Important dates and information will be sent home bi-weekly. Please contact the principal by email with the message, "Parent Newsletter"

I am looking forward to working with you and your child.

Sincerely,

Barbara J. Lovell
Principal

Our Vision

All students will be proficient in ELA, math and science as evidenced by PARCC and we will continue to push our students to advanced standing in these areas.

Ashfield Middle School offers:

- A safe learning environment that promotes academic excellence and social well being for all students grades six to eight.
- A comprehensive education that includes: a wide variety of technology including individual student tablets to enhance learning, content literacy initiatives, common core standards in all classes.
- Participation in the Mayor's Youth Summit, City Wide Spelling Bee and Science Fair, New England Math League, Empower Yourself and City-Lab
- A supportive and responsive environment inclusive of a diverse population of learners.
- A rigorous, standards-based curriculum designed to prepare students for success in high school and on state mandated testing.

- Highly educated and enthusiastic faculty who strive to improve instruction on a daily basis.
- Integrated classroom technology including Promethean boards, document cameras and state of the art computer programs to enhance instruction.
- Extra curricula activities which include sports, intramural programs, student council, peer leaders, band, chorus, drama club and a school newspaper.

Our Mission

Using research based strategies, formative assessments, targeted interventions and differentiated instruction in response to data, students will engage in rigorous lessons using the latest technology and innovation.
