

Dear Parents and Families,

Welcome to the Barrett Russell Early Childhood Center!

Preschool is an exciting time for you and your child. It's a time of change, new beginnings, new friends, new challenges and discoveries. It is our goal to foster curiosity, develop a strong educational foundation and establish a life-long love of learning for each and every child.

As you may know, the Barrett Russell Early Childhood Center is a newly renovated building, and we can't wait to share our beautiful learning environment with you. You will be amazed to see the transformation that has taken place as well as the new technology in every classroom which includes interactive white boards and document cameras.

At the Barrett Russell, we recognize parents as their child's first teacher. With this in mind, we invite you to partner with us and be an active participant in your child's education. We are proud to offer age-specific Parents' Academy sessions each month as well as an active Parent Advisory Council. These are just a few of the ways that you can become involved!

I look forward to meeting and working with all of you in the coming school year. Together, we will embark on this new journey and help our students reach for the stars!

**Sincerely,
Joanne Camillo
Principal**
