

Welcome to East Middle School,
home of the East Eagles!

Dear Parent/Guardian:

The East Middle School staff is dedicated to making every moment in the classroom count, paying close attention to our students' unique learning needs, and inspiring them to think creatively and produce authentic student work. Through high expectations, dedication and collaboration with students and families, we will develop successful lifelong learners.

We look forward to working together to ensure that all EMS students set high goals for themselves and are given the support necessary to reach, and even surpass, those goals through hard work and dedication.

Sincerely,

Jason M. Conetta
