

## Dear Parent/Guardian:

Welcome to your North Middle School Family! We look forward to working with you to provide your child with a productive and successful middle school experience. This is a special time in a young person's life when great changes are occurring physically, cognitively, emotionally and socially. North Middle School is committed to being a developmentally responsive learning community that maintains high standards, scoring proficient or advanced on the state assessment for all our students. We celebrate our diversity and work with our families and the community to provide the best educational experience for all our students.

We encourage you to be involved in North Middle School. Parent involvement is one of the keys to student success in school and we welcome your participation in our school community. **Sincerely,**  
**Diane J. Lynch, Principal**
