VII. STATEMENT BY ACTING SUPERINTENDENT

Mrs. Contaldi read the following statement:

“On Monday, October 14, 2019, it was brought to the District’s attention that a parent posted on their Facebook a video in which a Cocoa Puff Breakfast Bar was taken from her daughter’s backpack and the breakfast bar had some mold. She claims that the bar was provided to her daughter by our food service vendor, Chartwells.

Here are the facts: (1) Chartwells provided a Cocoa Puffs Breakfast bar to the students for breakfast on September 12, 2019 to see whether the students enjoyed them or not. (2) The breakfast bar was kept frozen and defrosted prior to serving because it contains cream cheese and requires refrigeration. (3) The package clearly states that it should be consumed within 6 hours after it is defrosted and ready to be served. (4) The expiration date was January, 2020.

Evidently, this elementary student didn’t finish her breakfast and put the breakfast bar in her backpack. The video states that her mother emptied her daughter’s backpack on Saturday, October 12, 2019, removed the breakfast bar and placed it in a snack bin in her kitchen that she leaves for her children.

Another daughter took the breakfast bar from the bin, we believe on Sunday. That was when her mother noticed mold growing on the bar. She then posted the video on her Facebook page accusing Chartwells of serving food that is moldy to our students.

Several items need to be addressed in order to clarify this issue: (1) staff is advised that no food should be taken home from the schools; (2) students who elect not to eat an item are to place it on the “share table”; (3) once it is removed from the schools, and out of our control, we have no way of monitoring the food for temperature or expiration dates; (4) the breakfast bar was left in her daughter’s backpack for a month before it was found; (5) parents are reminded to check their child(ren)’s backpacks at least once a week for important information sent from the schools and to remove any outdated food.

The District wanted to eliminate any miscommunication and ensure that the breakfast bar was handled correctly by Chartwells staff on September 12, 2019 and served to the students well within the 6 hour timeframe listed on the package.”

XIII. COMMITTEES

1. Community Relations Committee

Mrs. Moroney reported that the Community Relations Committee met on October 3, 2019 at the Education Center, 312 Pierson Avenue, Edison, NJ 08837.

In attendance were: Beth Moroney, Richard Brescher, Elizabeth Conway, Gail Pawlikowski, Daniel P. Michaud and Jeanne Perantoni and Marcus Roseneau from SSP Architects and Alesha Peluso of Three Summers Creative Services

Items Discussed:

- Ms. Peluso discussed Three Summers Creative Services – Building elevations of different additions (the fronts and sides of buildings).
- Edison High School – New entrance – canopy over the doors. The Board looked at three renderings and chose elements of No. 2 and No. 3.
- John P. Stevens High School – Needs a lot more classrooms. The entrance will stay basically the same. It will go to a 3-story building, so as not to take away too much parking. There will be a secondary entrance for sports and co-curricular activities; passing time is going to be challenging; and air conditioning will only be in the new building.
- Images of Renovated Space – The auditorium needs to be air conditioned, new lighting, but will not be made any larger. It needs to be more functional, comfortable, safer and handicapped accessible.
- Typical Classroom Layouts – for flexibility, allowing for different configurations. The stage will be refurbished.
- Ms. Peluso – Provided handouts and a video. They have already put together a lot of the components for the campaign. We picked a design for the campaign. There will be school specific handouts.
- www.abrighteredison.com – This website will contain the relevant district information.
- October 16th and November 20th Board meetings where questions could be fielded.
- The Committee needs to schedule an information session.
- Scheduling – 2 public meetings for the bond referendum.
- Two meetings will be held at the high schools – informational sessions Tuesday, October 29th and Wednesday, October 30th.
- One Informational Session – a general meeting
- The Committee will put together a timeline.
- Election Voting Time – 6:00 a.m. to 8:00 p.m.

2. Community Relations Committee

Mrs. Moroney reported that the Community Relations Committee met on October 10, 2019 at the Education Center, 312 Pierson Avenue, Edison, NJ 08837.

In attendance were: Beth Moroney, Richard Brescher, Elizabeth Conway, Jingwei “Jerry” Shi, Margaret Contaldi, Daniel P. Michaud and Jeanne Perantoni and Marcus Roseneau from SSP Architects, and Alesha Peluso of Three Summers Creative Services

Items Discussed:

- Will senior citizens be exempt from tax increase? If you have done the senior rate freeze application and been approved, Tax Assessor said seniors will not be exempt, but seniors could possibly get reimbursed if they meet the qualifications.
- Handout will be ready on October 16th for the Presidents of the PTA/PTOs. It will include referendum quick facts on front, information pertinent to the schools which are slated for additions if the referendum passes, on the back of the flyer.
- Mr. Michaud has composed a letter to be sent to the Edison School District Community, reminding them to vote on December 10th regarding the question of the referendum.
- Currently, there are 16,300+ students; FES capacity is 11,303. Thus, using the state formula, there are currently 5,000 Edison students without a seat. Therefore, there is urgency to passing the bond.

- Ms. Peluso showed graphs of projected enrollments at all of the schools slated for additions/renovations, as well as a graph of high school projections. This information will be distributed throughout the district.
- The District needs to get community feedback on the flyers being sent out. The Press Release is being prepared for October 16th.
- Important Dates:
 - October 21-24 – 2 PTO Meetings with Mrs. Contaldi and Ms. Jen Fisher to the PTO Parents

- The Committee saw the updated renderings of JP Stevens High School and Edison High School that were created based on the suggestions made by committee members during the last meeting. Discussions ensued on which image would be best to put on the website.
- A discussion was held as to whom will appear in the video explaining why the referendum is crucial.

- In the process of looking into the district’s policy on student smoking, Mrs. Patel discovered that some of the policies on the Board’s website are not all up to date, so the Committee decided to look further into all the district’s policies and see which ones needed to be updated, and additionally, look into how Strauss Esmay conducts their audits of our policies. Furthermore, the Committee discussed how to currently handle getting the policies posted online once approved by the Board and how to make this process better.
