WHEREAS, the Edison Board of Education has the need to procure goods and services utilizing state contracts; and

WHEREAS, The Edison Board of Education desires to authorize its purchasing agent for the 2012-2013 school year to make any and all purchases necessary to meet the needs of the school district throughout the school year.

11. Cost of Meals Provided in Annual Tuition Rate for Concordia Learning Center at St. Joseph’s School for the Blind

BE IT
RESOLVED: that upon the recommendation of the Superintendent of Schools, in accordance with N.J.A.C. 6A:23-4.5(a)(20) the Edison Board of Education hereby authorizes Concordia Learning Center at St. Joseph’s School for the Blind, 761 Summit Avenue, Jersey City, NJ 07307-3831 to include the cost of meals provided within the annual tuition rate charged to students for the 2013-2014 school year; and

BE IT FURTHER
RESOLVED: that it is understood by the Edison Board of Education that all meals provided by Concordia Learning Center at St. Joseph’s School for the Blind will meet the nutritional requirement of the Child Nutrition Program as administered by the New Jersey Department of Agriculture.

12. Support New Jersey Schools on the Enrollment of Resident Children

WHEREAS, the Department of Education has recommended to the New Jersey State Legislature that the funding of our public schools in the State of New Jersey shall be based upon the average daily attendance of school children which is contrary to current law (The School Funding Reform Act of 2008) which provides funding on the basis of average daily enrollment; and

WHEREAS, the Department of Education has determined that an appropriate average daily attendance rate of 96% shall be the level of attendance for all New Jersey school districts, and districts that demonstrate an attendance rate of less than 96% shall suffer a loss of school aid for the 2013-14 school year; and

WHEREAS, a 96% attendance rate is equal to a child being absent from school no more than seven days in one school year; and

WHEREAS, it is the opinion of the Edison Board of Education that a 96% attendance rate is an arbitrary standard to apply to all New Jersey School Districts and is contrary to the history of funding in this State and the School Funding Reform Act of 2008; and

WHEREAS, New Jersey school districts must staff, equip, feed, and transport our children based upon the enrollment of students, and we do not send teachers home, or stop the buses, or turn off the lights, or sell their textbooks when a child is absent for health or other family reasons; and

WHEREAS, the recommendation of the Department of Education to penalize districts by reducing school aid when a district cannot demonstrate an average daily attendance in excess of 96% simply shifts the burden to support a thorough and efficient education to the local taxpayer.

NOW, THEREFORE,
BE IT RESOLVED: that the Edison Board of Education does hereby declare that the recommendation of the Department of Education to provide school funding based upon the attendance of children for the 2013-14 school year is contrary to current law and fails to recognize that districts provide staff and resources for an adequate public education for all “enrolled” resident children in their school district; and

BE IT FURTHER
RESOLVED: that the Edison Board of Education hereby requests its local legislators in particular and all legislators in general to reject the recommendation of the New Jersey Department of Education to fund the public schools of the State of New Jersey based upon the attendance of resident children and to comply with our current school funding law which provides State support based upon the enrollment of resident school children.

X. COMMITTEE REPORTS

1. School Safety and Security Committee

Mr. Maeroff reported that the Committee met on May 16, 2013 at the Education Center.

In attendance were: Mrs. Lora Fong, Mrs. Deborah Anes, Mrs. Veena Iyer, Mr. Gene I. Maeroff, Dr. Richard O’Malley and Mr. Bill McSorley

Discussion:

- Following up on action taken in connection with the school board election on April 16th, the Board of Education has authorized the Superintendent to hire members of the Edison Police to serve at voting places in public schools for the primary election on June 4th. Officers will be on duty during the hours that students and staff are in session. The Board will bear the cost, even though this election has nothing to do with school board candidates or the budget.
- The school system has advanced plans to make the District's buildings more secure.
- Phase I of the District's security plan, now complete, involved installing new video/audio intercom systems at the front entrances of buildings. Staff in the main office can see who is at the door and will follow new procedures for admitting visitors.
- Phase II, also complete, high definition cameras inside, near the entrances, will cover the hallways leading from the entrances, disclosing the directions in which visitors move once inside the buildings.
- The new cameras can continue recording and saving images for eight days in the event of an outage involving the server or the network going down.
- Phase III, at Edison High School, which is expected to be complete by the end of this week, involves the installation of more than 100 new high resolution cameras for the interior and exterior at Edison High School. Some 21,000 feet of cable has been laid for this new system. Every part of the building will be covered by these high definition cameras. Software will save data for up to 30 days.
- The cameras covering the outside perimeter of Edison High School are light-sensitive and can record sharp images at night. The technology is much like the night-vision goggles worn by the American military.
- Images recorded by all of the cameras can be observed on monitors inside the school and will be available, as well, for viewing by school system officials on monitors and laptops at other locations in the school district. Furthermore, the Edison police will have access to the images from their patrol cars as they are recorded.
- A next step, still to be scheduled, will involve the installation of a similar security system at John P. Stevens High School.

2. Finance/Facilities Committee

Dr. Heelan reported that the Committee met on May 7, 2013 at the Education Center.

In attendance were: Mrs. Theresa A. Ward, Mrs. Deborah A. Anes, Dr. Frank Heelan, Dr. Richard O'Malley, Mr. Daniel P. Michaud and Mr. Thomas Rienzi

Discussion:

- Mr. Rienzi reviewed two change orders for the Edison Science addition: The first was \$11,251.12 for underground gas pipes connecting to the main building; the second was reduced to \$4,342.98 to modify the steel bridge canopy connection. Of the \$70,000 set aside for potential change orders, \$50,666.55 remains.
- A resolution was presented, opposing the proposed changes to base state aid on the average daily attendance of students, rather than the current system of average daily enrollment as of October 15th. The resolution will be placed on the agenda for action by the Board of Education.
- A discussion ensued on planning for the meeting with the town council on May 15th to resolve the question of the defeated school budget. Justification for the new teaching positions and programs was analyzed.

The next meeting will be held on Friday, May 31, 2013 at 9:00 A.M. in the Education Center.

XI. BOARD MEMBERS – OPEN DISCUSSION

Dr. Heelan and Mrs. Ward spoke about the Flag Day programs in the schools.

XII. PUBLIC COMMENTS

Eileen Catalano, resident, watched the joint meeting with the Town Council and asked the Board to consider moving the election to November. She also felt the Board rushed the science academy.

Bob Sensenberg, resident, asked if the lunch aides will get raises.

XVI. ADJOURNMENT

There being no further questions or comments forthcoming, Mr. Maeroff asked for a motion to adjourn this May 20, 2013 public meeting of the Edison Board of Education at 8:55 P.M. Mrs. Harris made the motion, seconded by Dr. Heelan and approved by all members present.

Respectfully submitted,

Daniel P. Michaud
