## FROM THE CHAIRMAN OF THE BOARD OF TRUSTEES

The Board of Trustees is pleased to report on the state of International College as we enter our 126th year. Major construction projects are progressing on both campuses ensuring that we are able to offer “state of the art” facilities into the future. As importantly, we continue to have a great mix of teachers from Lebanon and overseas. Our faculty and administrators are truly one of our greatest strengths. The other major factor in our success is our diverse student body which continues to excel at all levels.

Once again, our board will meet in Beirut this November, and we look forward to seeing many of you at that time. In spite of the turmoil in the region (and the world), IC continues to thrive.

In closing, I want to give thanks to our alumni, parents, trustees and friends for their strong financial support, which allows IC to continue as one of the top rated schools of its kind in the world.

William H. Turner

## FROM THE PRESIDENT

**International College**, words synonymous with academic excellence. International College, widely acknowledged as the premier elementary and secondary school throughout Lebanon and the Middle East.

**International College**, an experience that leaves a permanent imprint on the character and integrity of each student.

**International College**, developing leaders in business, medicine, finance, education, entrepreneurship, and social services for over one hundred years.

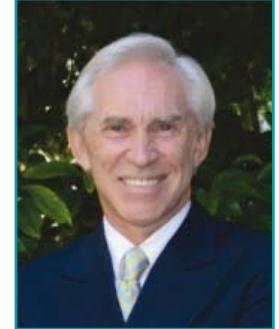

**International College**, a historical institution that has been referred to as a “National Treasure”.

As International College embraces a second century of serving Lebanon’s most valuable resource, educating the next generation of leaders, the school is committed to improving facilities commensurate with the quality of its academic programs, supporting students with financial need through scholarships and financial assistance, and offering continuous teacher training to stay abreast of best practices in the field of education.

The College’s “Campaign for Excellence” supports all of the above and ensures that the legacy of those who have preceded us is carried into the future. The foresight, planning, and generosity of the IC community over the past 100 years has ensured that the IC will continue to serve as a lighthouse of optimism and opportunity.

On behalf of all past, current, and future students, who are members of the International College family, I extend a sincere thank you to all those who support IC and extend their love and generosity to the school.

Don Bergman, Ed.D

## About Our School

International College is an independent, coeducational, secular, non-profit preparatory school serving a diverse population of more than 3,500 students in grades N-12. Students are enrolled at International College without regard to sex, race, religion, nationality or political affiliation. The IC community is led by caring professionals responsive to the needs of each and every child. The entrance and graduation requirements, the curriculum and selection of faculty are based on IC's stated philosophy and objectives.

## Our Philosophy

International College educates young men and women to be capable of initiative and critical thinking, who will serve as role models in a global society. The curriculum aims for excellence at all levels and embraces the education of the whole person. Graduates of IC will have developed self-discipline, problem-solving abilities, social responsibility, self-confidence, and awareness of, and respect for, the interdependence of nations in all their diversity.

## Our Objectives

The objective of International College is to provide a safe and secure environment where students develop personal qualities and skills leading to international mindedness, intellectual curiosity, effective communication, creative expression, compassion, community building, responsible citizenship, and an appreciation for cultural diversity.

IC curricula promote the development of the whole person in the following areas:

### **Academically**

Through developing individual potential and an attitude of life-long learning as a result of a balanced and rigorous program in three languages that strives for excellence in the Lebanese Baccalaureate, the French Baccalaureate, the College Preparatory Program and the International Baccalaureate.

### **Ethically**

Through the promotion of the values of integrity, service and respect for individual differences and for the environment.

### **Socially**

Through intra- and extra-curricular activities that develop civic and global awareness, leadership, team spirit, and a commitment to social justice.

### **Aesthetically**

Through a diverse arts program that values creativity and celebrates cultures.

### **Physically**

Through a physical education and athletics program that values sportsmanship and healthy living.

## FROM THE VICE PRESIDENT OF ALUMNI & DEVELOPMENT

As we continue celebrating IC's 125th year, work to improve our campus facilities is going strong. The new football field at IC Ain Aar will be completed soon. The new Preschool and Middle School buildings will be completed by the end of the year 2017. All of IC's new projects are LEED Gold certified.

Since its humble beginnings in 1891 in Turkey with only five students, IC has been depending on the generosity of its alumni, friends, parents, trustees and foundations to maintain its growth as a prestigious educational institution. All building projects are financed solely by donations without any addition on tuition fees.

Our current ongoing Partnership for Excellence Campaign continues – this time with the aim of completing the new preschool and middle school buildings as well as constructing a new activities center at Ain Aar and renovating our beautiful historical buildings.

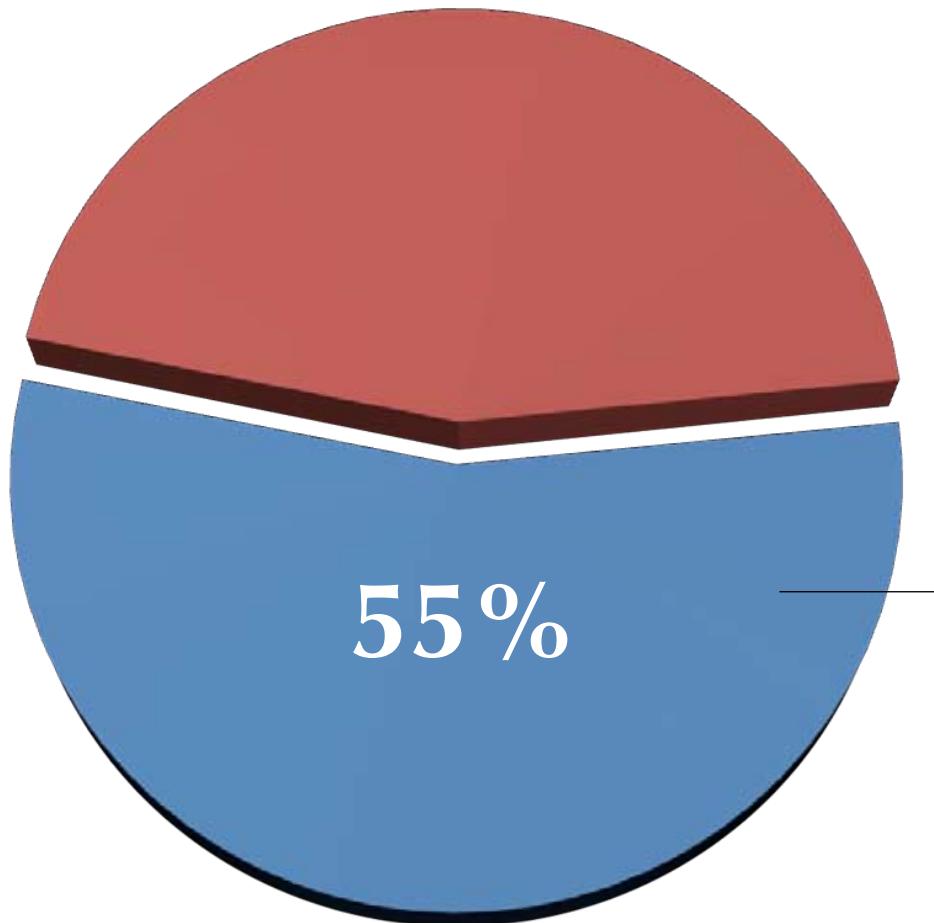

Generations of students look to all of us to provide them with not only a state-of-the art education but also with a state-of-the-art campus.

Please call or visit the Alumni Office (Thomson Hall, 1st Floor) for contributions to the Annual Fund, Scholarship Fund, or for the construction of the new buildings.

Best wishes,  
Moufid Beydoun '64

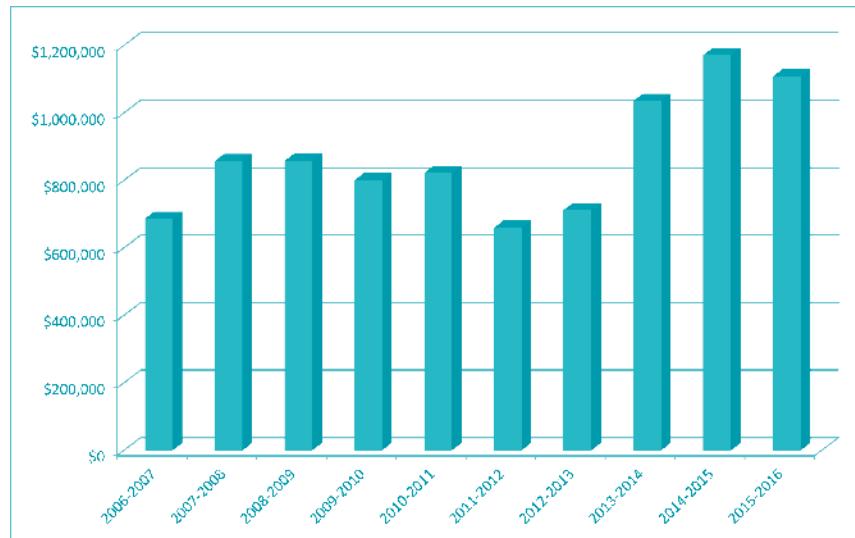

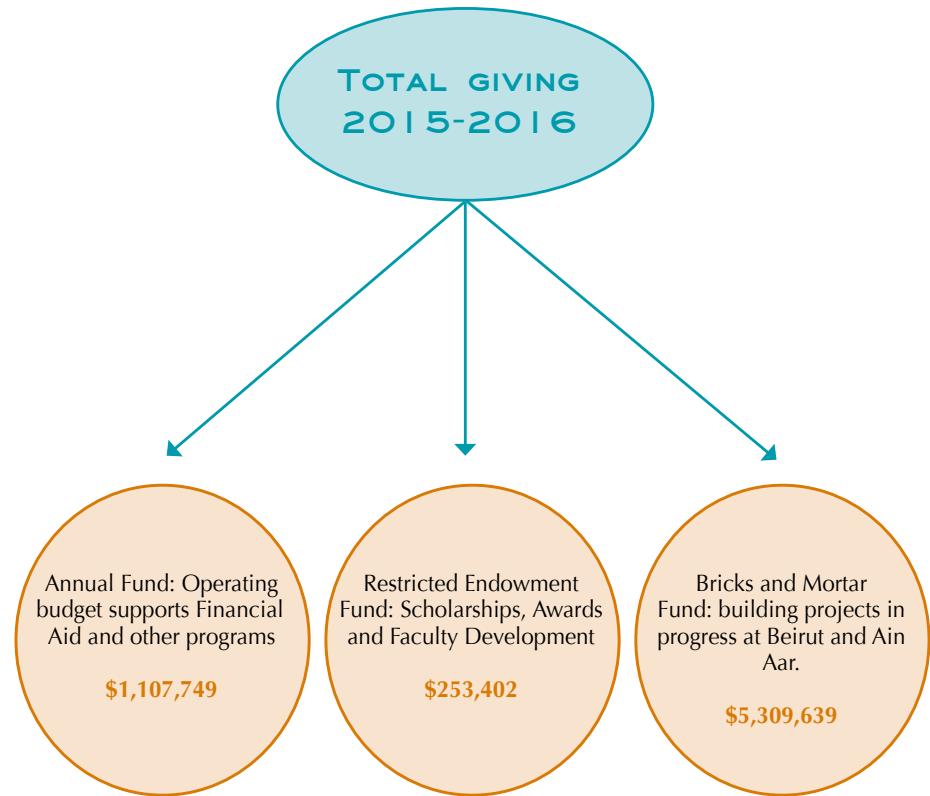

**Target: \$110,000,000**

( includes construction, scholarship funds, faculty development fund and other programs). No part of the tuition fee will be used towards the Campaign.

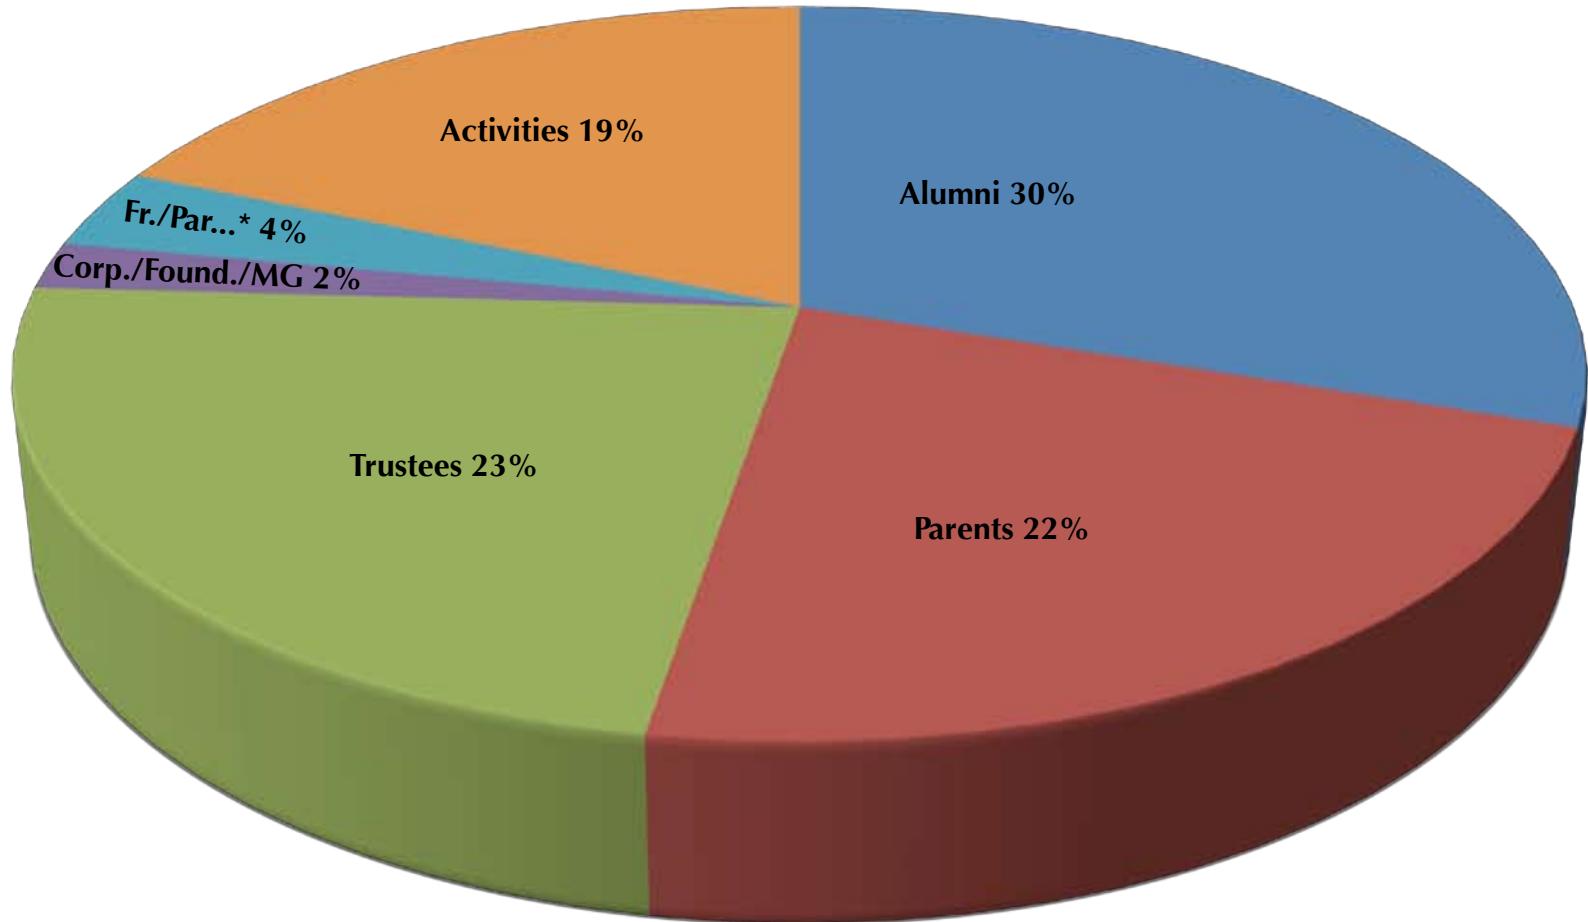

As of June 30,2016, 55% of our target was completed thanks to the generosity of our alumni, parents, trustees, friends and corporations.

## ANNUAL FUND CONSTITUENTS 2015-2016

\* Friends/Parents/Faculty/Students/Teaching Fellows

Elementary School students and teachers are enjoying the state-of-the-art, LEED Gold-certified Hisham Jaroudi and Talal & Maha Shair Buildings, Anwar Al Mulla Gymnasium and Chalhoub Group Library.

The G & R Irani Auditorium, A.N. Tayeb Gymnasium, Imad Taher Court Plaza and Maher Saidi Multipurpose Room are at the disposal of the entire student body.

The construction of the new Ziadeh Sawwaf Preschool, the new Mikati Foundation Middle School and a cultural center complex has already begun.

At Ain Aar, excavations of the new Al Mulla Sports Field is completed. A new activities center with a gymnasium and auditorium, an underground bus and car parking will be constructed.

In addition, IC's historic buildings—Rockefeller, Sage, and Thompson Halls—will be renovated and refurbished.

To accomplish these ambitious plans, IC must continue its work to raise significant funds for its construction projects, existing school programs, financial aid and the ongoing enrichment of all curricular programs.

A special thank you to all those who have and still are helping. IC still needs your invaluable support as the Partnership for Excellence Campaign continues with its fundraising efforts.

Please contact the Alumni Office to make a new pledge today. Help IC continue thriving as a world class school with a strengthened curriculum, providing the best educational experience for its students.

Every year, International College relies on support of the Annual Fund from its alumni, parents, trustees and friends. As is the case with many independent schools, tuition fees at IC cover less than 85% of the total operating costs. Programs which give IC that margin of excellence have to be funded elsewhere, namely through private contributions to the Annual Fund. The Annual Fund is made up of yearly gifts that go directly into the operating budget and are earmarked for school enhancements including financial aid, faculty development and student extracurricular programs.

### LEADERSHIP GIFTS

The IC community is grateful to the many alumni, parents, trustees and friends whose generous gifts to the Annual Fund continue to have such a direct, strong impact on IC's ability to fulfill its mission by educating a core of compassionate and self-reliant men and women capable of initiative and critical thinking. The names below reflect gifts received between July 1, 2014 and June 30, 2015.

### THE PATRON'S CLUB

Our top category of leadership giving acknowledges exceptional gifts of \$10,000 or more, gifts that allow International College to continue to pursue its objectives of promoting the development of the student academically, socially, aesthetically, physically and ethically, all aimed at acquiring personal qualities and skills in effective communication, creative expression, intellectual curiosity, critical thinking, self-discipline and self-confidence.

It is IC's mission to promote excellence and to celebrate diversity and community building. Established in 1999, the IC Scholars' Program is a three-year program offering full scholarships to outstanding secondary students as of the tenth grade level from all regions of Lebanon. The program aims to advance IC's mission of bringing quality educational opportunities to deserving students who cannot afford to pay IC's tuition fees. These students, from diverse backgrounds, bring a wealth of experience with them to IC.

Eighteen students are awarded the scholarship every year. The program includes full development and tuition fees, a textbook allowance, and the busing fare - within the Greater Beirut area - provided that candidate remains a student in good standing. IC Scholars go on to study at top universities in Lebanon and abroad.

**"THE VALUES THAT HAVE FORMED THE LEGACY OF OUR SCHOOL ARE THOSE THAT HAVE MADE US HUMANE AND CARING: WE ARE COMMITTED TO SETTING THE GROUNDWORK FOR EVERY LEARNER — CHILD AND ADULT — TO BE THE BEST THEY CAN BE ACADEMICALLY, SOCIALLY AND EMOTIONALLY, WITH FAIRNESS, DECENCY, AND DIGNITY."**

Gifts to the Endowment Funds create a principal that left intact will provide interest earnings on that principal. This interest provides capital for designated purposes such as scholarships, financial aid, special projects and ongoing support to the school. Donations may be made to any endowed fund in honor or in memory of a loved one or special person. A gift to an endowment fund is truly one gift that "keeps on giving".
