New and Existing Pupils

Please telephone or e-mail to make an appointment to purchase school uniform as soon as possible (see School Shop information document). This applies to all new and existing pupils.

After the summer half term, the shop operates a series of appointments designed to avoid the last minute rush for uniform. Each pupil will receive dedicated time to purchase everything they need. Appointments are either an hour or an hour and a half long depending on whether the child is an existing or new pupil. Payment for uniform should be by cash or credit card on the day of purchase.

For September 2018, appointments are available from 2-4 July, 9-13 July and from 20 August until the start of term. When fitting a child we allow for growth but are happy to exchange items assuming it has not been named and is returned in the same condition it was purchased.
