Dear Students & Parents,

Taking the Advanced Placement exams is an important part of all AP courses. Edison High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition.

For the 2020 AP exams, students at Edison High School will be registering online. This registration will take a few minutes and can be completed from any computer with internet access.

This year each AP exam costs \$100. Students on free/reduced lunch qualify for financial assistance through reduced fee waivers that you may apply for during registration.

Online Exam registration will begin on Wed, Oct 2, 2019 at 8:00 AM and end on Mon, Oct 28, 2019 at 11:59 PM. There will be an extended late registration time period from Oct 29, 2019 to Friday November 8, 2019. Students who order exams during this period will be charged an additional \$40 per exam.

In order to register, students should click on the link provided on the school website or visit [www.TotalRegistration.net/AP/310297](http://www.TotalRegistration.net/AP/310297) to register. To complete registration, students must answer all of the required questions. Registration is not complete until students have printed the pdf of the confirmation page that is provided at the end. We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.

Edison High School offers families the convenience of paying exam fees online at the time of registration. Please be sure to have a **credit card or debit card available before beginning registration**. Paying online is a great way to make sure that payment has been made while avoiding mailing payment.
