

Woodbury / Bethlehem Youth Soccer - PAID Referee Opportunities

Every year we look to add to our local group of referees. Please consider reviewing this opportunity as it's a great way for our young adult players to build character, get some work experience, get a new perspective on the game, and **make some good money!**

Interested? Becoming a referee first requires training. To be eligible, you must be at least 13 years old by the date you enroll in the training. (Adults are also welcomed)

The Grassroots Training process (formerly known as Entry Level Training) is a combination of an on-line training course to be completed at your own pace and one in-person/in-class training session of 5 hours. Registration for Session #2 of the Grassroots Training for 2020 will open 1/15/20 and run through 3/31/20 with the required in person sessions starting the middle of February and running through April 5th. Once the Grassroots Training Process is complete, certification is valid for the remainder of 2020.

To register and to find more detailed information, please visit www.ctreferee.net. This site also provides a choice of dates and locations for the in-person session.

Requirements:

- Training Fee - \$84.95
- Complete and pass all training modules and final exam
- Register for and attend the in-person session which includes classroom and field training (in full uniform with flags and a whistle).
- Purchase a uniform kit as soon as you register. Information on ordering/purchasing a uniform kit is included in the link provided above.

WBYS will reimburse \$125.00 for the training and the uniform kit (partial). New refs need to request reimbursement when they submit their request for payment after refereeing their first game for WBYS. Reimbursement will be provided only after refereeing at least one game for WBYS. Reimbursement is reserved for residents of Woodbury and Bethlehem only.

WBYS Payments

WBYS currently provides the following payments to its refs:

	<u>Center Ref</u>	<u>Assistant Ref</u>
U9 - U10 game	\$35	\$25
U11 - U14 game	\$45	\$35
U16 - U19 game	\$60	\$45
Cup Games - Add \$5.00		

Referees can ref multiple games per weekend so there is a good opportunity to earn some spending money.

If you have any questions please contact me at wbystreasurer@gmail.com.

Thank you,

Mike Losh - 203-444-4001
