Course Goals

Learning goals are per the board approved curriculum.

Assessments

Students will be assessed through a variety of means, including common district assessments. Final exams will take place in school according to the normal final exam schedule, and any state or national tests will also take place in school according to the building schedule.

Expectations

Students are expected to have readily available access to the internet while not in school. While in school, the district will provide internet access to students. Students will be required to attend classes on-site a minimum of 2 times per week according to the schedule set by the District and instructor. The schedule will be communicated through the calendar posted to the online course site and students will be made aware of the attendance requirements no less than 1 week ahead of time unless otherwise coordinated between the teacher, student and parent/guardian.

Responsibilities

- Students in blended learning courses must have a Joliet Township High School District 204 issued device.
- Students/Parents/Guardians must provide travel arrangements on days when a course does not meet if they choose not to use the regularly scheduled transportation offered by the District.
- Any student whose grade drops below a 75% for the blended learning course must attend class on-site every school day until the grade is above 75%.
- The student must meet the requirements specified by the instructor, the student handbook and the technology Acceptable Use Policy.

Progress Reports

Progress will be reported in the same manner as all courses at Joliet Township High School. All grades will be accessible through Home Access Center by both parent/guardian and student.

IEP Status and Accommodations:

If a student has an IEP, required modifications will still be met in this course. Your student's case manager will be monitoring his or her progress in the same manner as all courses.

Extra-Curricular Activities

Students participating in this program will have the same access to all extra-curricular athletics and activities.

Parent/Guardian Supervision of Student in Program

Identification of a parent or guardian who will provide supervision of the student in the blended learning course is required. Please complete the following information below.

Parental acknowledgement

Name of Parent/Guardian: _____

Relationship to the student: _____

I acknowledge that I am responsible for the supervision of my student outside of the school building.
