CRITERIA AND STANDARDS FOR REVIEWING SCHOOL DISTRICT INTERIM REPORTS

The following narrative is presented in the same sequence as the accompanying 2019-20 First Interim General Fund Summary – Unrestricted/Restricted Revenues, Expenditures, and Changes in Fund Balance. Individual summaries of unrestricted and restricted General Fund Revenue and Expenditures are also included.

A. REVENUE

- 1) Property Tax/LCFF – Projected LCFF sources increased by \$10,969 to reflect an adjustment to property taxes. Secured property tax revenue is projected to increase by 4.5% in 2019-20 based on the Orange County Auditor Controller's estimates. Beyond, 2020, property tax growth is expected to taper off moderately, with secured tax growth projected to be 4.0% in 2020-21 and 3.5% in 2021-22. The District continues to monitor the property tax projections and any impact it may have to the operational budget.
- 2) Federal Revenue – Federal revenue projections decreased \$43,246 based on preliminary award allocation of federal grants. Federal revenue represents 1.4 percent of total General Fund and comprises of funding for Special Education, Title I, Title II, and Title IV.
- 3) Other State Revenue – The State Controller's Office (SCO) allocates lottery funding based upon prior year annual ADA until the actual annual ADA is available for the current year. Revenue adjustments from the prior year and the recalculation of lottery funding for the current year indicate an increase of \$27,208. Other upward adjustments in state revenue, netting to \$1,118, were attributed to CTEIG, LPSBG and School Readiness.
- 4) Other Local Revenues – Other local revenues are derived from a variety of sources including donations, bus passes, lost textbooks, facilities use rentals and leases. This category increased by \$446,760, or 15%, since the budget was adopted. Revenues are recognized in the accounting period in which they become both measurable and available to finance expenditures in the corresponding fiscal period.

B. EXPENDITURES

- 1) Certificated Salaries – Expenditures for certificated staff are projected at \$23,468,370 which is an increase of \$654,149 compared to the original budget. This increase is the result of a combination of factors including negotiated salary settlement agreements, professional growth and other adjustments resulting from retirements and normal attrition.
- 2) Classified Salaries – Expenditures for classified staff are projected at \$9,403,148 which is an increase of \$438,611 compared to the original budget. This increase is the result of a combination of factors including negotiated salary settlement agreements, classified personnel adjustments and other changes due to normal attrition.
- 3) Employee Benefits – The benefit category increased by \$368,068 due to the negotiated salary settlement agreements stated above, including an adjustment for the employer PERS and STRS rates.
- 4) Books and Supplies – An increase of \$705,351 in Books and Supplies is a result of budgeting for expenditures in both restricted and unrestricted carryover funds, which include Federal, State, and Local programs.

- 5) Services and Other Operating Expenditures – Some new expenditures in this category include coding and computer science online curriculum, supplementary mathematics curriculum, software for tracking athlete endurance and digital learning software.

In addition to focusing on increasing student academic achievement and equipping students with the knowledge and skills to be college and career ready, the district is committed to ensuring the safety of all students. An increase of \$1,026,957 in services and other operating expenditures can be attributed to these essential services. Other costs include utilities, special education placements and professional development training for teachers.

- 6) Capital Outlay – Capital Outlay has an increase of \$316,733 due to allocations for districtwide furniture, technology equipment, audiovisual upgrades, and facilities projects, including safety enhancements to all four campuses to ensure the safety of all students.
- 7) Other Outgo – A decrease in Other Outgo of \$97,950 reflects the estimated cost for district funded county programs for 2019-20.
- 8) Transfer of Indirect/Direct Support Costs – No changes at First Interim.

D. OTHER FINANCING SOURCES AND USES

- 1) Interfund Transfers
- a) Transfers In – No changes at First Interim.
- b) Transfers Out – A transfer of \$500,000 was added for the Special Reserve for Non-Capital Outlay (Fund 17) committed to the Community Funded Differential.

DI. FUND BALANCE

Fund balance meets requirements, as it is not less than the sum of its components.

SUMMARY

CASH FLOW ANALYSIS

Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

LAGUNA BEACH UNIFIED SCHOOL DISTRICT FUND DESCRIPTIONS

- FUND 01** **The General Fund** is the chief operating fund for Laguna Beach USD. It is used to account for the ordinary operations of the district. All transactions except those required or permitted by law to be in another fund are accounted for in this fund. Restricted projects or activities within the general fund must be identified and reported separately from unrestricted projects or activities.
- FUND 11** **The Adult Education Fund** is a separate fund used to account for state appropriations and to finance specific programs for the education of adults. Funds can be expended on salaries, benefits, supplies, books, services, and equipment related to adult education programs (Education Code Section 52616.4).
- FUND 13** **The Cafeteria Fund (Nutrition Services)** is used to account separately for federal, state, and local resources to operate the food service program (Education Code sections 38090-38093). The purpose of the food service program is to provide nutritious meals to the students. The District participates in the National School Lunch Program and the School Breakfast Program. The District serves approximately 500-550 lunches and 200-230 breakfasts to the students from kindergarten through twelfth grade on a daily basis.
- FUND 17** **The Special Reserve Fund for Other Than Capital Outlay Projects** is used primarily to provide for the accumulation of moneys for general operating purposes other than for capital outlay (Education Code Section 42840). On May 11, 2004 the Board of Education approved the target of reserving two-thirds of the Community Funded differential (the difference between Revenue Limit funding and Community Funded funding) to be achieved by June 30, 2009. Funds reserved for the Community Funded differential are deposited into this fund.
- FUND 25** **The Capital Facilities Fund (Developer Fees)** exists to account for monies received as mitigation fees levied on developers, property owners or other agencies as a condition of approving new development or additions to existing real property. The authority for these levies may be local government ordinances (GC 65970-65981) or private agreements between a school district and the developer. Expenditures from this fund are to be used for the purpose of funding the construction or reconstruction of school facilities (Education Code sections 17620-17626).
- FUND 40** **The Special Reserve Fund for Capital Outlay Projects** exists to account for the accumulation of moneys for capital outlay purposes (Education Code Section 42840). This fund is separated into three sub-funds in accordance to with resolutions #01-02, #14-02 and #14-03.

Sub-fund 4040 exists to account for the **Facility Repair and Replacement Program (FRRP)**.

Sub-fund 4041 exists to account for the **Vista Aliso property reserve**. The District holds a re-purchase agreement on the property.

Sub-fund 4042 exists to account for the **Capital Improvement Plan (CIP)** that goes above and beyond prior commitments for repair and replacement needs, but extends to improvements of facilities for program and enrollment growth. A ten-year plan will be developed and revised, at least annually, to prioritize major projects.
