Warrior of the Week

This week's Warrior of the Week was shouted out by 4 separate teachers in nominations this week. His teachers noted he is wonderful, always has his "A" game in class and is willing to help others. He was recently inducted in WarHood as one of our top 9th grade students and he takes care of business in the classroom. He is interested in many involvements in extra-curricular activities and wants to get everything he can from the Boys' Latin experience. He is noted for how hard he works and how rewarding he is to teach. For his demonstrated scholarship, brotherhood and integrity, I take great pleasure in announcing **Jameer Gardenhire** as our Warrior of the Week.

This is a great opportunity for anyone selected and an amazing thing to put on any future resumes and/or college applications! The deadline to apply to the program is on December 31st at midnight. Keep in mind that you will need two teacher recommendations. Find Imere Williams Class of 2020 (A Germination Project Alum) for any questions.
