

Sharing & Caring with the Community

New this year, "Sharing & Caring with the Community". This program is designed to give back to the communities in area. For years the support of others has been a vast element to our success and growth.

Our goal this year is to support our assist community organizations. On four special dates (September 29, October 5, 14,21) the "Sharing & Caring with the Community" program will be in place. Your supporters can receive \$2.00 off a combo ticket for Creepy Hollow (Which is 2 haunts this year) and our night time attractions. So what is in it for the organization? \$2.00 from each combination ticket will be donated back to your organization.
