

GAME 6 (12-12-19)

The 8th grade Knights played a very strong team from Rochester West yesterday. It was a physical game and the score went back and forth the first half, but the Knights were down by 8 at the half. The Knights were still down in the fourth quarter, by 8 but never gave up. They battled back and finally took the lead and pulled out the win 46-34. It was a team effort as more than half the team scored.

Scoring for the Knights were Alex Erdelean, Peter Leto, Malachi Padilla, Abe Dakrouni, Jaden Choi, and Michael Lim with 2 points, Jack Hotts and Chase Kuiper with 4 points, Jake Andrzejak with 5 points and Jon Whiteside with 22 points.

Romeo Kalaj, Vikrant Vedapudi, and Christian Warner controlled the boards, while Jackson Alcorn, Zach Gillespie, and Sungat Shienh, played well defensively.

Ben Duda, Kendle Terry, and Abdul Kosgi played well offensively.

A special shout out to both Alex Erdelean, who played absolutely crushing defense and Jaden Choi who played on a sprained ankle.

Our next game is Tuesday, December 17, against Rochester Reuther at Reuther.

Hope to see you there!
