The Summer Program - 7/13 to 8/14

For the 41st year, Lake Forest Academy is proud to offer an intensive summer session of five weeks, beginning July 13 and ending August 14. This program is for secondary school students between the ages of 13 and 19.

The LFA ESL curriculum will be offered. Each student will be enrolled in grammar, reading, writing and speaking/listening courses. The student's level in each area will be determined by a placement exam given at the beginning of the summer program. Each student will receive a midterm progress report, and final grades and comments, copies of which will be sent to parents.

The Lake Forest area offers opportunities for swimming in Lake Michigan, shopping and movies at nearby malls, and activities in the local area and in the city of Chicago. The 160-acre campus itself has woods and lakes as well as an indoor pool and gym, outdoor tennis, volleyball, and basketball courts, soccer and baseball fields and a track. The campus adjoins a Lake County forest preserve with walking and bike trails. LFA provides a secure country setting only 30 miles from Chicago and 18 miles from O'Hare International Airport.

Class size is small with only 10-15 students.
