

Dear Parent/Guardian:

On behalf of the entire staff we welcome you, as well as your son or daughter to West Middle School.

Creating a clean, safe, friendly, academically challenging atmosphere is important to all of us. Establishing a learning environment that is goal oriented, active in our community and responsive to every student's needs is essential to our school's success. You are a vital component in our school plans. We invite you to help us build a school climate where every student feels welcomed and is challenged beyond his/her academic expectations. We strive to create a sense of community for everyone, where they feel comfortable contributing in their own meaningful way, learning, and growing both academically and socially.

You are encouraged to join our *Parent Advisory Council* and to attend *School Council* meetings. We hope you will maintain contact with your child's teachers throughout the school year. Our goal is to work cooperatively as a team with you, the community, and your student. We want your son or daughter not only to excel academically but to enjoy school socially as well.

We look forward to working with you this year.

Sincerely,
Carlton Campbell, Principal
