OLD BUSINESS

- Minutes were approved with one change on page 2. Corrected.
- ELA subcommittee update: The subcommittee met on November 6 and focused time on Tier 1 work. They developed a list of criteria and found common points. They looked at Fountas and Pinnell core curriculum which was the recommendation from primary teachers K-3. The team will meet again in December to look at supplemental curriculum.

Dyslexia Conference Report: Sam, Denise and Aileen attended the International Dyslexia Conference in Portland and shared learning, take-aways and resources. They have been added to the team drive.

Review of subcommittee work (consolidation) – The subcommittee took all of the recommendations from the committee and created 5 overarching topics or categories: RTI/Curriculum, Personnel, Communication, PD, and Assessment. The committee gathered into the original groups to confirm the category placement, and read for clarity and conciseness.

Next steps (next meeting, December 4): The work will be consolidated into their categories and the committee will look for redundancies. We will then work on sequence and order of the work.
