**1. Thematic Studies** (House), is a yearlong interdisciplinary class of environmental studies 12, language arts 12, and social studies 12. **It is required of all SES students.** Some students enhance this experience by taking an AP version of one or more of these courses. Please check the House AP classes in which you would like to enroll:

AP Environmental Science       AP Geography       AP Literature       None

---

**2. Trimester Courses at SES:** Most students take all their classes at SES. If this is your plan, please **check 3** of the following: (your 4th will be a study hall OR AVID)

**Math** (3 years required for graduation)

Algebra 2

(Currently in Geometry)

Algebra 2 Concepts

(Currently in Geometry Concepts)

Pre-Calculus

(Currently in Algebra 2 with A/B)

Honors Pre-Calculus

(Currently in Honors Algebra 2)

CAPS (Currently in Alg. 2, C/D)

AP Calc (Precalc this year)

AP Stats (Algebra 2, A/B)

**Science** (3 years required for graduation)

Chemistry

Honors Chemistry

(Strong math skills)

Physics Foundations

(Less math)

Physics

Honors Physics

(2 years of high school Algebra)

**Visual Arts**

Intro Photo / Adv. Photo

Survey Art / Adv. Art / AP Art

**World Languages**

Spanish 3

Spanish 4

Spanish 5

**General Electives**

AP Psychology (A & B only)

AP Research

AP Seminar

AVID 12

Film Study (C only)

Mentor Seminar

---

**3. Home High School Courses** (Optional): If you are interested in taking a course at your home high school which is not listed above, please list it below. Students are responsible for arranging their own transportation. Common home high school classes include band, choir and world languages. Note: This will reduce the electives you take above to **TWO and you will NOT have a study hall.** Please make the adjustment above.

Course 1:       Course 2       None

---

**4. Career Development Courses** (Optional) are offered in District 196 to juniors and seniors. They occur over a full block period every day, thus they take up **TWO** of your **FOUR** “Trimester Course” options. Please check the Career Development Course you would like to take below (you are limited to ONE) and adjust your “Trimester Course at SES” choices down to **TWO** above. Also, note that you will **NOT** have a study hall.

I am **NOT** interested in a Career Development course.

**At AVHS:**

CISCO

**At RHS:**

Computer Hard/Software, Game Design

**At SES:**

CIS: Animal Science

Zoos Aquariums and Small Animal Care

Sustainable Systems in Plant & Animal Science

Music Production 1

**At EHS:**

Aviation

Hospitality

Emergency Services

Forensics
