

Application for Funding of Scholarly Activity

Name: (LAST, First)	
Full time or part time faculty member:	
Email:	Telephone:
Brief description of scholarly activity:	
Total amount of funding requested:	

Expected starting date:	Expected completion date:
-------------------------	---------------------------

Please attach a full description of the proposed scholarly activity. Include the following:

- Type, purpose and intended impact of the scholarly activity;
- Contribution to your development as a faculty member and to the University;
- Publication of your research;
- Information such as conference description, dates, registration acceptance, acceptance of paper, status of paper being submitted for publication, etc.;
- Submit the budget for the project including additional sources of funding and/or itemize the expected expenses indicating the total amount requested to fund the scholarly activity. If you are claiming support from other agencies or institutions, include this information in your budget submission;
- If the activity described requires research involving human subjects, you must also include the notification of approval from the Research Ethics Board; and
- A current curriculum vitae.

University Canada West is committed to using personal information collected in accordance with applicable provincial and federal privacy legislation. By completing this form, you are consenting to have the University use the submitted information for the purposes consistent with academic and support services of a post-secondary educational institution.
