## ¿Qué estamos aprendiendo en clase de Español?

### Grado 3

In December, we will continue the thematic unit 'David va al colegio.' Students will learn all about school supplies, people/places in the school, school rules and emotions. Students will apply what they are learning to various games, activities, and finally a culminating project where they will write and illustrate their own stories in Spanish!

### Grado 4

In December, students will continue their virtual trip to Puerto Rico. The students have been exploring the *selva tropical* through animals that can be found on the island. This month, students will use [SwitchZoo](#) to create an original rainforest animal which they will name and describe *en Español!*

## What are we learning in Spanish Class?

### Grado 5

Students will continue their virtual trip to Mexico. In November, students learned all about the Mexican celebration *El Día de Los Muertos* which is celebrated on November 1<sup>st</sup> & 2<sup>nd</sup>. Students created their own [Ofrendas](#) and described them *en Español!* In December, students will learn clothing vocabulary. At the end of the unit, students will narrate and participate in a fashion show in class!

**CLASS WEBSITE**

Please encourage your child to visit the class website regularly. On the website, students will find many activities to practice what they are learning in the classroom. Please find the site [HERE](#).
