

Our Camps Promote Learning, Growth, Adventure, and Fun.

WT's innovative faculty members develop and teach many of these outstanding academic and enrichment programs. In addition, well-known organizations and program partners in and around the Pittsburgh community create camp programs, giving young adults a chance to learn from the experts. Our camp experiences and courses are designed to promote learning, growth, adventure, and fun!

Please refer to our registration site for full descriptions on each unique theme: winchesterthurston.org/summercamp
