**LEAVE PROVISIONS**

5.0 The leave benefits provided by the District for unit members shall be as follows:

5.1 **SICK LEAVE:**

5.1.1 Unit members regularly employed full-time, five (5) days a week, shall be entitled to leave of absence with full pay for illness, injury, doctor and dental appointments in accordance with the following schedule:

5.1.1.1 Full-time unit members working ten (10) months per year shall receive ten (10) days sick leave of absence.

5.1.1.2 Full-time unit members who receive extended work year contracts shall receive additional sick leave on the basis of one (1) additional day for each eighteen (18) days of service which shall be prorated.

5.1.1.3 A unit member who is employed by the District not less than five (5) days per week for District summer school classes shall accrue sick leave at the rate of four (4) hours for each sixty (60) hours of summer school classes. Sick leave entitlement for District summer school shall be credited to the unit member at the beginning of the summer session in which the service is to be rendered. Unit members who work less than the full term of the summer session shall receive a prorated portion of sick leave based on sixty (60) hours. No previously accumulated sick leave can be used for absences during summer school. Earned summer-school sick leave credit shall be added to the accumulated sick leave.

5.1.1.4 In accounting for usage of sick leave by those teachers who have an "extra teaching period" pursuant to Article 4, Section 4.6, the maximum deduction for any full day of sick leave usage shall be six (6) hours.

5.1.2 A unit member may use his/her accumulated sick leave at any time during the school year, excluding absences during summer school. Sick leave used shall be deducted on an hourly basis.

5.1.3 The sick leave entitlement for the year shall be credited to the unit member at the beginning of the year. If the unit member does not use all sick leave days to which entitled in any school year, any unused days shall be accumulated from year to year.

5.1.4 To be eligible for sick leave with pay, the unit member shall be in a paid status and scheduled to work on the day(s) absent. Pay for any day of such absence shall be the same as the pay which would have been received had the unit member served during the day.

5.1.5 The District shall provide each unit member with a written statement of his/her accrued sick leave total and of his/her leave entitlement for the school year. Such statements shall be provided no later than November 1 of each school year. Unit members will be provided with updated statements of accrued sick leave within five (5) days of such request.

5.1.6 Upon exhaustion of all accumulated full-pay sick leave credit, a unit member who continues to be absent, under the provisions of this Article, shall receive for an additional period of five school months, per illness or accident, the difference between his/her daily rate of pay based upon his/her annual salary and the amount that was actually paid to the substitute employee (hourly rate, plus fringe and statutory benefits) or, if no substitute employee was employed, the amount that would have been paid a substitute on the first step of the substitute salary schedule. Unit members shall not be provided more than one five-month period per illness or accident.

- 5.1.7 The amount to be received by the absent unit member will be determined as follows:
- 5.1.7.1 The absent unit member will receive full pay for all days of accumulated sick leave.
  - 5.1.7.2 When a unit member is absent and eligible for industrial accident or illness leave, the absence for purposes of accumulated sick leave, shall be deemed to commence on the date of termination of the industrial accident or illness leave, provided that if the unit member continues to receive temporary disability indemnity, the unit member may elect to take as much of the accumulated sick leave which, when added to temporary disability indemnity, will result in a payment to the unit member of not more than the full salary. After all accumulated sick leave has been used, the absent unit member will receive differential pay up an additional five school months.
  - 5.1.7.3 When a unit member is absent from assigned duties on account of illness and all sick leave benefits have been expended, or when a unit member is absent from duty for a cause other than illness, no further salary will be paid by the District, and employee insurance coverage paid by the District will cease at the end of the month for which payment has been made. The unit member shall then have the following options available for consideration, the election of which the unit member must advise the District Personnel Office, in writing, no later than the day following the expiration of accumulated sick leave and differential pay.
    - 5.1.7.3.1 Request a leave of absence, which may or may not be approved by the District. If granted for job-related illness or injury, the District may provide the District-paid insurance allowed regular unit members.
    - 5.1.7.3.2 Apply for retirement or disability allowance. If disability allowance is granted and an unpaid leave is requested, it will be granted in one (1) year increments.
    - 5.1.7.3.3 Resign from employment in the school district.
    - 5.1.7.3.4 Be subject to dismissal proceedings in accordance with the Education Code if the unit member fails to exercise one of the above options.
  - 5.1.8 An attending physician's or attending licensed practitioner's verification of illness may be required by the District for any request for sick leave. Periodic medical reports may also be required during the extended absence of a unit member. A unit member who extends a holiday by use of a sick day for a second time during the same school year will be required to provide District with a licensed practitioner's verification of illness or will be docked a day's pay. Holidays include the following: Labor Day, Veteran's Day, Thanksgiving Break, Winter Break, Martin Luther King Day, President's Day, Spring Break, and Memorial Day. The District shall not require verification of illness from unit members in an arbitrary or discriminatory manner. Unit members returning to work from illness involving surgery, serious illness, differential leave, or extended absence, shall be required to present a doctor's release verifying a physical condition suitable for return to work, including any restrictions. For purpose of this section, 'extended absence' is defined as an absence of more than five (5) work days. A unit member who fails to provide the required medical verification of illness, medical disability, or injury as stated, shall be placed in an unpaid status until such verification is received by the District.
    - 5.1.8.1 Certificated unit members utilizing their own sick time. Certificated unit members on sick leave for five (5) consecutive days must submit, in person, via email, by facsimile or digital image, a physician's note to the District Office, Personnel Department, signed by their physician in order to return to work or to be paid. The note must be received by the sixth

(6<sup>th</sup>) day whether the employee returns to work or not. Notes received after the sixth (6<sup>th</sup>) day will only authorize the unit member to be paid for the previous five (5) days. Unauthorized absences will result in docked pay. If the note received on the sixth (6<sup>th</sup>) day does not authorize the continuing absence, subsequent notes are needed to authorize each five (5) days.

- 5.1.8.2 Certificated unit members who have exhausted sick leave and are on differential leave. Certificated unit members whose absences have resulted in them utilizing differential leave must submit, in person, via email or by facsimile or digital image, a physician's note to the District Office, Personnel Department, signed by their physician prior to returning to work. Failure to do so will result in a dock in pay for the days absence.

Certificated unit members on differential leave for more than five (5) days must submit a physician's note on the sixth (6<sup>th</sup>) days of absence, regardless of their return to work, in order to authorize the prior five (5) days of absence (as required while utilizing regular sick leave). If the note received on the sixth (6<sup>th</sup>) day does not authorize the certificated unit member continuing absence, subsequent notes are needed to authorize each five (5) days of absence.

- 5.1.9 Medical examinations required by the District shall be in accordance with the Medical Examinations section of this Agreement.
- 5.1.10 If a unit member resigns, retires, or is terminated, and has used more sick leave than was earned, the amount used but not earned shall be deducted from the final warrant of the unit member.
- 5.1.11 Members of the unit must notify the District Personnel Services Office of absence as the necessity to be absent becomes known to the unit member; but in the instances of full-day absence, no later than 6 a.m. on the day of the absence so that substitute arrangements can be made.
- 5.1.12 A unit member desiring to return from an extended absence shall notify the District Personnel Services Office no later than 6 a.m. on the date of return from the absence in order to avoid conflicts with substitute arrangements.
- 5.1.13 Failure to comply with the request procedures for paid sick leave and return provisions (sections 5.1.8 – 5.1.12, above) may, at the discretion of the District, result in the unit member being denied payment for the day(s) of absence.

## 5.2.0 MATERNITY LEAVE

- 5.2.1 Each female employee shall be entitled to a leave of absence for the period of time she is required to be absent by reason of physical incapacity due to pregnancy or childbirth or conditions related thereto. The employee shall be entitled to use accumulated sick leave on the same basis provided for any other illness or injury.
- 5.2.1.1 The period of leave, including the date upon which the leave shall begin, shall be determined by the unit member and her doctor. A statement from the unit member's doctor as to the beginning date of such leave shall be filed with the Personnel Services Office. This date shall be based upon the unit member's ability to render service in her current position.
- 5.2.1.2 The date of the unit member's return to service shall be based upon her doctor's analysis and written statement of the unit member's physical ability to render service and absence of physical disability.
- 5.2.1.3 Upon written request of the unit member for an extension of time, beyond District-paid benefits under the sick leave provisions, the Board of Trustees, upon recommendation of

the Superintendent and in the best interests of the school district and unit member, may use discretion in granting an extension of time, without compensation, as deemed necessary. Unit member health and welfare benefits may be continued at the expense of the unit member on leave for so long as the unit member is on leave without compensation and conditioned upon a willingness of the carrier(s) to extend such coverage.

#### **5.2.2 CHILD REARING/PATERNITY LEAVE**

5.2.2.1 Up to one year's unpaid leave may be granted at the District's discretion to a unit member to care for such unit member's own (including adopted) child under six (6) years of age. Written application must be submitted to the Personnel Services Office at least thirty (30) days prior to the commencement of such leave. Requests for renewal of such leave will be considered.

#### **5.3 PERSONAL NECESSITY LEAVE**

Use District-wide form requesting personal necessity leave. The form to be utilized is attached hereto.

In emergency situations where advance notification is impossible, the unit member shall notify the office of the Assistant Principal as soon as reasonably possible.

#### **5.4 BEREAVEMENT LEAVE**

5.4.1 Each unit member is entitled to three (3) days leave-of-absence, with pay, in the event of the death of any members of the unit member's immediate family. Such leave shall be extended to five (5) days when out-of-state travel or travel beyond three hundred (300) miles one way from the unit member's residence is required.

5.4.1.1 Immediate family is defined as mother, father, grandmother, grandfather, or grandchild of the unit member or of the spouse or domestic partner of the unit member, and the spouse, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister or sister-in-law of the unit member or domestic partner of the unit member or any relative living in the immediate household of the unit member. At the discretion of the District, the immediate family definition may be waived.

5.4.2 In addition to the above bereavement leave, the unit member may request that not more than ten (10) days of accumulated sick leave during any school year be charged for personal necessity leave as provided in Paragraph 5.3.1 of this Article. In the event that the death is of a unit member's current spouse or child, unit member is entitled to ten (10) days leave-of-absence, with pay. The unit member may then take up to ten (10) days of accumulated personal necessity leave for bereavement purposes.

5.4.3 Unit members shall be required to contact the District Personnel Services Office no later than 6 a.m. of their regular workday to request bereavement leave, unless an emergency makes such advance notification impossible. Failure to do so may result in ineligibility for paid leave and may be considered to be an unauthorized absence.

5.4.4 Upon return from bereavement leave, as provided above, the unit member shall submit to the site administrator for payroll purposes a written statement verified by signature that the leave was taken in compliance with provisions of leave benefits. The statement shall include relationship of the deceased and any information of eligibility for bereavement leave, if requested by the District.

## 5.5 INDUSTRIAL ACCIDENT OR ILLNESS LEAVE

  - 5.5.1.2 The industrial accident or illness must have arisen out of or occurred within the course and scope of employment of the unit member and must be accepted as a bona fide injury or illness arising out of and in the course and scope of employment.
  - 5.5.1.3 Leave for such industrial accident or illness shall be for the number of days of temporary disability not to exceed sixty (60) working days during which the schools of the District are required to be in session, or when the unit member should otherwise have been performing work for the District in any one (1) fiscal year for the same accident. Industrial accident or illness leave may be extended at the discretion of the Board up to an additional sixty (60) working days where the industrial accident or illness is the result of a criminal act of violence against the unit member.
  - 5.5.1.4 Leave for industrial accident or illness shall not be accumulated from year to year.
  - 5.5.1.5 The industrial accident or illness leave under this Article shall commence on the first day of absence.
  - 5.5.1.6 When a unit member is absent from duties due to industrial accident or illness the member shall be paid such portion of the salary due for any month in which absence occurs as when added to temporary disability indemnity will result in a payment of not more than full salary. The phrase "full salary" as utilized in this subdivision, shall be computed so that it shall not be less than the unit member's "average weekly earnings."
  - 5.5.1.7 Industrial accident or illness leave shall be reduced by one (1) day for each day of authorized absence regardless of a temporary disability indemnity award.
  - 5.5.1.8 When an industrial accident or illness leave overlaps into the next fiscal year, the unit member shall be entitled to only the amount of unused leave due for the same illness or injury.
  - 5.5.1.9 During any paid leave of absence for industrial accident or illness the unit member shall endorse to the District the temporary disability indemnity checks received due to industrial accident or illness. The District, in turn, shall issue the unit member's salary and shall deduct normal retirement and other authorized contributions.

unit member may elect to take as much of the accumulated sick leave which, when added to temporary disability indemnity, will result in payment of not more than full salary.

- 5.5.1.13 A unit member shall be permitted to return to service after an industrial accident or illness leave only upon presentation of a release from the District-appointed physician and/or from the treating physician, as determined by the District, certifying the unit member's ability to return to position classification without restrictions and without detriment to physical and emotional well-being.
- 5.5.1.14 Upon complying with District medical-release requirements and receiving District authorization to return to work, a unit member on industrial accident or illness leave may be reinstated in a position, in the same assignment, without loss of status or benefits.
- 5.5.1.15 These provisions for industrial accident or illness leave shall apply only to unit members whose services are regularly scheduled.

The District shall pay the unit member the difference, if any, between the regular rate of pay and the amount received for jury duty, less meals, travel, and parking allowances. Unit members are required to return to work on any day in which jury duty services are not required. The District may require verification of jury duty time prior to or subsequent to providing jury duty compensation.

- 5.11.2.1 All Certificated employees on active duty with the District are eligible to contribute to the Bank.
- 5.11.2.2 Participation is voluntary, but requires contribution to the Bank. Only contributors will be permitted to withdraw from the Bank.
- 5.11.2.3 Unit members who elect not to join the Bank upon first becoming eligible have a waiting period of thirty (30) duty days after joining the Bank before becoming eligible to withdraw from the bank.
- 5.11.2.4 The contribution, on the appropriate form, will be authorized by the Certificated employee and continued from year to year until canceled by the Certificated employee.
- 5.11.2.5 Cancellation occurs automatically whenever a Certificated employee fails to make his/her annual contribution or assessment. Cancellation, on the proper form, may be one (1) day of sick leave which shall be deemed to equate to the legal minimum effective at any time and the Certificated employee shall not be eligible to draw from the Bank as of the effective date of cancellation. Sick leave, previously authorized for contribution to the Bank, shall not be returned if the Certificated employee effects cancellation.
- 5.11.2.6 Contributions shall **only** be made between July 1 and October 1 of each school year. Certificated employees returning from extended leave, which included the enrollment period, and new hires will be permitted to contribute within thirty (30) calendar days of beginning work. The District shall supply enrollment forms for the Bank to all new Certificated employees and those Certificated employees returning from leave.
- 5.11.2.7 The annual rate of contribution by each participating Certificated employee for each school year shall be equal to, and not exceed, one (1) day of sick leave for that employee.
- 5.11.2.8 On June 30<sup>th</sup> of each school year, if the number of days in the Bank exceeds 1,000, no contribution shall be permitted of the participating Certificated employees. In such a circumstance, if necessary, the District and the Association agree to meet and discuss whether Certificated employees will be permitted to make additional contributions to the Bank. New Certificated employees and those Certificated employees returning from leave must still make their yearly contribution until they have contributed at least three (3) days to the Bank, even if the number of days in the Bank exceeds 1,000 on June 30<sup>th</sup>.
- 5.11.2.9 Certificated employees who are retiring or leaving the employ of the District may contribute up to five (5) days of their unused sick leave to the Bank.

## 5.11.3 WITHDRAWAL FROM THE BANK – Effective July 1, 2014

- 5.11.3.1 The Bank participants must exhaust all of their current and accumulated sick leave (but, not differential leave) as defined in Article 5, before becoming eligible for withdrawal, and withdrawing, from the Bank. Participants who accumulate additional sick leave (e.g., from one fiscal year to the next), must use their accumulated sick leave, prior to being eligible for withdrawal from the Bank.
- 5.11.3.2 Participants who have exhausted sick leave, but still have differential leave available, are eligible for a withdrawal from the Bank. The District shall pay the participant full pay and the Bank shall be charged one day.

5.11.3.3 Catastrophic illness or injury shall be defined as any illness or injury that incapacitates the Certificated employee and which precludes the Certificated employee's return to work for over ten (10) consecutive duty days or incapacitates a member of the Certificated employee's immediate family (spouse/partner and children up to age 26) for over ten (10) consecutive duty days which requires the Certificated employee to take time off work to care for that family member. Such illnesses or injuries include, but are not limited to, stroke, kidney failure, heart attack, cancer, AIDS, other life threatening disease, recovery from major surgery, or incapacitation as a result of severe automobile or other accident and recovery therefrom. Absence due to job related injury or illness shall be excluded from catastrophic leave.

A certificated member incurring a catastrophic injury or illness may withdraw thirty (30) days from the Bank immediately after using all available personal sick days. Certificated members are eligible to apply for an extension of thirty (30) days after five (5) school months of extended benefits leave. The extended benefits leave starts the first day after all sick leave benefits have been exhausted.

A certificated member may withdraw sixty (60) days from the Bank to care for an immediate family member (spouse/partner or minor child) incurring injury or illness immediately after using all available personal sick days. Use of catastrophic bank days for immediate family members is limited sixty (60) days per family member per school year.

If a reoccurrence (or continuance of injury/illness from one school year to the next) or second illness or injury incapacitates a Certificated employee within twelve (12) months, it shall be deemed catastrophic after five (5) consecutive duty days. (For example, a participant who used the Bank after exhaustion of sick leave for sixty (60) days to care for his wife who dies of cancer, and, after returning to work suffers a heart attack, shall be deemed to have a second catastrophic illness and may again withdraw from the Bank after only five (5) consecutive duty days off work.)

5.11.3.4 A certificated member's first ten (10) consecutive duty days of illness or disability must be covered by the participant's own sick leave, differential leave, or leave without pay the first time said participant qualifies for a withdrawal from the Bank. For subsequent withdrawals, within twelve (12) consecutive months, the first five (5) duty days of illness must be covered by the participant's own sick leave, differential leave, or leave without pay.

5.11.3.5 If a participant is incapacitated, applications may be submitted to the committee by the participant's agent or member of the participant's family.

5.11.3.6 Withdrawals from the Bank shall be granted in units of no more than thirty (30) duty days. Participants may submit requests for extensions of withdrawals as their prior grants expire. A participant's withdrawal from the Bank may not exceed either one hundred eighty days (180) in a five (5) year period or more than sixty (60) days in any one school year.

5.11.3.7 Participants applying to withdraw or extend their withdrawal from the Bank will be required to submit a doctor's statement indicating the nature of the illness or injury and the probable length of absence from work. Members of the committee shall keep information regarding the nature of the illness confidential.

5.11.3.8 If a participant has drawn thirty (30) Catastrophic Leave Bank days and requests an extension, the committee may require a medical review by a physician of the committee's choice at the participant's expense. The committee shall choose only a

physician who qualifies under the District offered insurance policy. Refusal to submit to the medical review will terminate the participant's continued withdrawal from the Bank. The committee may deny an extension of withdrawal from the Bank based upon the medical report. The participant may appeal any termination under the procedures outlined in Section 5.11.3.13 below.

- 5.11.3.9 Leave from the Bank may not be used for illness or disability which qualify the participant for Worker's Compensation benefits unless the participant has exhausted all Worker's Compensation leave, his/her own sick leave and provided further that the employee signs over any Worker's Compensation checks for temporary benefits to the District. If there are any Worker's Compensation checks signed over to the District, the Bank will not be charged days, or if charged, will be reimbursed the number of days for which the Worker's Compensation payment is equivalent to a regular day of pay at the negotiated rate for that participant. If the District challenges the Worker's Compensation claim, the participant may draw from the Bank, but upon settlement of the claim, the Bank shall be reimbursed the days by the District.
- 5.11.3.10 When the committee may reasonably presume that the applicant for a draw may be eligible for a Disability Award or Retirement under STRS or, if applicable, Social Security, the committee may request that the draw applicant apply for Disability or Retirement. Failure of the draw applicant to submit a complete application, including medical information provided by the applicant's physician, within twenty (20) calendar days will disqualify the applicant from further Catastrophic Leave Bank payments. Any requests for additional medical information from STRS or Social Security shall be submitted within ten (10) days or the participant's entitlement to Catastrophic Leave Bank payments will cease. If denied benefits by STRS or Social Security, the applicant must appeal or entitlement to the Catastrophic Leave Bank shall cease.
- 5.11.3.11 If the Bank does not have sufficient days to fund a withdrawal request, the Committee is under no obligation to provide days and the District is under no obligation to pay the participant any funds whatsoever. If the committee denies a request for withdrawal, because of insufficient days to fund the request, they shall notify the participant, in writing, of the reason for the denial.
- 5.11.3.12 Withdrawals shall become effective immediately upon exhaustion of sick leave or the waiting periods provided for in Sections 5.11.2.3 and 5.11.3.4, whichever is greater. (For example, if a participant contributed when first eligible to contribute (Section 5.11.2.3) and had ten (10) days of accumulated sick leave when the illness began (Section 5.11.3.4), he/she shall begin withdrawing upon the eleventh (11th) duty day, if otherwise eligible. If the participant had fifteen (15) days of sick leave at the beginning of the illness, he/she shall begin withdrawing days on the sixteenth (16) duty day. If the participant had five (5) days of sick leave at the beginning of the illness, he/she shall begin withdrawing days on the eleventh (11th) duty day.)
- 5.11.3.13 Catastrophic Leave Bank participants who are denied a withdrawal or whose withdrawal is not renewed or terminated may, within thirty (30) days of denial, appeal, in writing, to the Executive Board of the Association. The Executive Board of the Association shall hold a hearing within fifteen (15) duty days. The Executive Board shall issue a confidential written decision within fifteen (15) duty days of the hearing. If the participant's incapacitation does not allow participation in this appeal process, the participant's agent or member of the family may process the appeal.

#### 5.11.4 ADMINISTRATION OF THE BANK

- 5.11.4.1 The Catastrophic Leave Bank Committee shall have the responsibility of maintaining the records of the Bank, receiving withdrawal requests, verifying the validity of

requests, approving or denying the requests, and communicating its decisions, in writing, to the participants and to the District.

- 5.11.4.2 The committee's authority shall be limited to administration of the Bank. The committee shall approve all properly submitted requests complying with the terms of this Article. Withdrawals may not be denied on the basis of type of illness or disability.
- 5.11.4.3 Applications shall be reviewed and decisions of the committee reported to the applicant, in writing, within ten (10) days of receipt of the application.
- 5.11.4.4 The committee shall keep all records confidential and shall not disclose the nature of the illness, except as necessary to process the request for withdrawal, and defend against any appeals of denial.
- 5.11.4.5 By November 1 of each school year, the District shall notify the committee of the following:
  - 5.11.4.5.1 The total number of accumulated days in the Bank on June 30th of the previous school year.
  - 5.11.4.5.2 The number of days contributed by the Certificated employees for the current year.
  - 5.11.4.5.3 The names of participating Certificated employees.
  - 5.11.4.5.4 The total number of days available in the Bank.
- 5.11.4.6 The District shall notify the committee quarterly of the following:
  - 5.11.4.6.1 The names of any additional Certificated employees who have joined, in accordance with Section 5.11.2.
  - 5.11.4.6.2 The names of any Certificated employees who have canceled participation, in accordance with Section 5.11.2.
  - 5.11.4.6.3 The total number of days in the Bank at the beginning of the previous quarter.
  - 5.11.4.6.4 The total number of days added to the Bank by new participants.
  - 5.11.4.6.5 The total number of days awarded during the previous quarter and to whom they were awarded.
  - 5.11.4.6.6 The total number of days remaining in the Bank on the last day of the quarter.
- 5.11.4.7 Any dispute between the committee and the District, as to the accounting of Catastrophic Leave Bank days, shall be resolved in accordance with the Grievance Procedure, as per Article 23. The Association and the District will meet in an attempt to resolve and/or clarify the issue(s) before proceeding to Arbitration as provided in Article 23.
- 5.11.4.8 If the Catastrophic Leave Bank is terminated, for any reason, the days remaining in the Bank shall be returned to the then current members of the Bank proportionately. In returning days to current members, remaining days will be returned only in one-half (1/2) day or more increments. Current Certificated employees shall not have more

than the total number of days they have contributed to the Bank returned to them at termination of the Bank.

- 6.2 **Openings/Vacancies:** The District shall have the sole authority to determine when and where an opening exists for purposes of declaring an opening at a school site or that a vacancy exists. Vacancies will be filled according to the procedures contained in this Article.
- 6.3 **Reassignment:** Reassignments may be either voluntary (unit member initiated) or involuntary (District initiated) and shall be in accordance with the following procedures.
- 6.3.1 Voluntary Reassignment.
    - 6.3.1.1 During the second semester of each school year, unit members, including teachers on special assignment, shall be given the opportunity to request a voluntary reassignment on the Assignment Preference form for the following school year. If a voluntary reassignment request is denied, the unit member may request the reasons for the denial be provided, in writing, within ten (10) work days.
    - 6.3.1.2 The site administrator responsible for developing the master schedule at each school shall meet and confer with the various site specialists before making reassignments to the unit members in that school.   - 6.3.2 Involuntary Reassignment.

Upon request, the unit member may request that the reasons for the involuntary reassignment be provided, in writing, within ten (10) work days.
- 6.3.2.3 An individual unit member who is dissatisfied with his/her reassignment may consult with the site principal. If the unit member and the principal reach agreement regarding the unit member's reassignment, the matter shall be deemed concluded.
- 6.3.2.4 In cases where the unit member and the site principal disagree as to a unit member's reassignment, the unit member may request a conference with the Assistant Superintendent, or his/her designee, to discuss the reassignment prior to implementation of the final decision.
- 6.3.2.5 Reassignments shall not be made on arbitrary, capricious or discriminatory grounds or for disciplinary reasons.
- 6.3.2.6 Mid-year reassignments of unit members to meet unanticipated needs as a result of changes in enrollment, changes in graduation requirements, or changes in the composition of the bargaining unit due to retirements, resignations, dismissals or leave, may be made by the site administrator for the balance of the school year after consultation with the site specialists and affected unit member(s).

6.3.3 Criteria for Reassignment:

- 6.3.3.1 The Association and the District recognize that a number of facts must be considered by the administrator in making a decision regarding an individual unit member's reassignment. The District's goal is to develop and maintain the best educational program at each school given the resident student population and faculty resources at each school. To accomplish this goal, flexibility in making reassignments is necessary.
- 6.3.3.2 In making the decisions necessary to meet the needs of the students, while at the same time giving due regard to the interests of each unit member, consideration should be given to factors which include, but are not limited to, unit member preferences, recent teaching experience, credentials, training, seniority and opportunity for professional growth.
- 6.3.3.3 Where all criteria considered are deemed equal by the District between two or more unit members who may be subject to involuntary reassignment, the unit member with the least amount of seniority in the District, as defined for this Article, will be reassigned.

6.4 **Transfer:** Transfers may be either voluntary (unit member initiated) or involuntary (District initiated) and shall be in accordance with the following procedures.

6.4.1 Unit Member Initiated (Voluntary) Transfer

- 6.4.1.1 A unit member's request for transfer shall be submitted on the Certificated Transfer Request Form, along with a current resume. The transfer request forms and resume shall be filed with the District Personnel Services Office.
- 6.4.1.2 All transfer request forms received by the Personnel Services Office by the closing date contained in the vacancy announcement shall be considered for that opening. Unit members may file a request for transfer for general consideration for the following school year in the District Personnel Services Offices each year, from January 1<sup>st</sup> until May 1<sup>st</sup>.
  - 6.4.1.2.1 The request shall include preference of assignment, location desired, and the unit member's current resume.
  - 6.4.1.2.2 Such requests shall be considered for vacancies occurring the subsequent school year up to the completion of the second (2<sup>nd</sup>) week of the following school year and shall be invalid thereafter.
  - 6.4.1.2.3 The unit member must be available for an interview upon reasonable notice.
- 6.4.1.3 If a unit member's request for a voluntary transfer is denied, the unit member shall be granted, upon request, a meeting with the administrator who denied the request in order to discuss the reasons for the denial. These reasons shall be put in writing to the unit member within ten (10) working days, if requested by the unit member.

#### 6.4.2 District Initiated (Involuntary) Transfer

- 6.4.2.1 The District may initiate a unit member transfer to any school within the District to meet the needs of the District.
- 6.4.2.2 All unit members who are being considered for District initiated transfers shall be informed. Prior to the recommendation for transfer, the unit member being considered shall be given an opportunity to meet with an administrator of the sending school. If the unit member so requests, a conference shall be held with the Assistant Superintendent, or his/her designee, to discuss the transfer.
- 6.4.2.3 Unit members who are involuntarily transferred or whose position has been relocated due to changes in pupil enrollment or other staffing considerations, shall be given priority consideration for return to their original work location.
- 6.4.2.4 Involuntary transfers shall not be made on arbitrary, capricious or discriminatory grounds or for disciplinary reasons.
- 6.4.2.5 Unit members who are involuntarily transferred may request the reasons for the transfer be provided, in writing, within ten (10) work days.
- 6.4.2.6 Unit members who have been involuntarily transferred shall not be eligible to voluntarily transfer back to their previous site, from which they were transferred, for twelve (12) calendar months from transfer date, without consent of the receiving site administrator. This prohibition shall not apply to unit members who are involuntarily transferred or whose position has been relocated due to changes in pupil enrollment or other staffing considerations.

6.5 **Vacancies:**

6.5.1 As noted in section 6.2, the District shall have the sole authority to determine when and where there's an opening or that a vacancy exists. The District shall decide whether an opening or vacancy exists for any certificated positions. The Assistant Superintendent, or his/her designee, may fill an opening and/or vacancy according to procedures set forth below:

6.5.2 First Step – Voluntary / Involuntary Reassignment

6.5.2.1 The District will attempt to fill vacancies openings at the site by voluntary reassignments. The site administrator shall post the opening for three (3) days at the site of the opening for unit member consideration. During the summer, however, the administration shall attempt to contact only those unit members who have provided a written expression of interest in a particular area of the curriculum or a particular job classification.

6.5.2.2 If following attempts at voluntary reassignments, the position remains unfilled, the District may consider and utilize involuntary reassignments, as set forth in the Article.

6.5.2.3 Unit members who are being considered for District initiated reassignment in order to fill an announced bargaining unit opening shall be given the opportunity to meet with the responsible administrator(s). If the unit member so requests, a conference shall be held with the Assistant Superintendent, or his/her designee, to discuss the reassignment.

6.5.3 Second Step – Transfer Within Classification

6.5.3.1 If, following consideration of reassignments, the District determines that an opening remains, the District may publicly announce a position outlined in 6.0.3 is vacant. The District shall post said vacancy in accordance with the provisions outlined in 6.5.3.1.1 – 6.5.3.1.3. The District will first consider transfer requests from unit members within the classification of the posted vacancy. Criteria for transfers outlined in 6.5.3.3 apply.

The District may publicly announce it has a vacancy by, among other means, providing notice of the vacancy, as set forth below:

6.5.3.1.1 The District shall develop and send to the Association, and post at each school, a notice of each vacancy, as soon as the District determines the need to fill the vacancy remains. Each notice shall state a deadline for applications, which shall not be less than seven (7) working days after the first date of posting, a description of the position and duties, and a list of all qualifications and requirements for the position. The vacancy shall not be filled prior to the posted deadline date. Such announcements will be posted on a bulletin board mutually agreed to by the Association site representative and the school site administrator. The District and the Association may mutually agree to shorten the above posting period in unique circumstances. If the parties agree to shorten the posting period, the administration shall attempt to contact all the site unit members in order to provide consideration. Between August 1<sup>st</sup> and September 20<sup>th</sup>, this posting period may be three (3) days.

- 6.5.3.1.2 During the summer vacation, notice of all vacancies shall be mailed to those unit members who have made a request in writing and submitted to the Personnel Services Office. This shall provide all unit members with sufficient notification and opportunity to apply.
  - 6.5.3.1.3 The announcement of vacancies shall include position, title, job classification, work site (subject to change), tentative subject matter assignment, credential requirements, a complete list of all qualifications and other special requirements, and closing date for all applications.
- 6.5.3.2 If any unit member expresses an interest in a transfer, the unit member must respond within the posted deadline by filling out the Certificated Transfer Request form. Those unit members requesting consideration shall be interviewed by the site administration and the Department Chair of the position being filled. In the event of disagreement regarding candidate selection, administration's preferred candidate will be selected. The District will fill a vacancy with a unit member who has expressed an interest in a transfer if any such unit member is determined qualified for the vacancy. The District may fill the position immediately if no unit member has expressed an interest in the transfer.
- 6.5.3.3 Voluntary transfer decisions shall be governed by the following criteria, in no particular order:
- 6.5.3.3.1 Meet qualifications in posting as determined by the District
  - 6.5.3.3.2 Training, including major and minor fields of study, experience, and performance evaluations of the unit members
  - 6.5.3.3.3 Opportunity for professional growth of unit member
  - 6.5.3.3.4 Permanent status in the District, unless otherwise agreed to by the District and Association
  - 6.5.3.3.5 Length of service within the district
- 6.5.3.4 If any unit member in the same job classification, who has expressed an interest to be transferred to the vacancy, meets the qualifications in the posted vacancy notice as determined by the District, the unit member shall not be denied the position in favor of an outside candidate.
- 6.5.3.5 No assignment to fill the vacancy shall be made until after the closing date for the applications on the notice of vacancy.
- 6.5.3.6 Upon request by the Association, the District shall make available a list of unit members transferred during the current school year.
- 6.5.3.7 Transfers shall not be made or denied on arbitrary, capricious or discriminatory grounds or for disciplinary reasons.
- 6.5.3.8 Unit members are limited to one (1) transfer offer per school year, unless otherwise agreed to by the District and Association.
- 6.5.4 Third Step – Unit Members from Outside Posted Classification

6.5.4.1 If no unit member currently serving in the posted classification wishes to transfer, the District may accept applications from and interview, unit members serving in positions outside of the posted classification.

6.5.5 Fourth Step – Outside Candidate

6.5.5.1 When no unit member candidate wishes to transfer or does not meet the posted qualifications, then outside candidates may be considered.

6.6 **Moving of Materials:** The District will provide assistance in moving personal materials to the new work location when requested by a transferred unit member.

6.7 **Storage of Materials:** Upon unit member request, the District shall provide those on leave or on vacation, with suitable storage to ensure, the safekeeping of District instructional materials.

**Article 7**  
**SAFETY CONDITIONS OF EMPLOYMENT**

- 7.0 The District, within its fiscal capabilities, shall provide continuous administrative monitoring of working conditions and correction of unsafe hazardous working conditions.
- 7.0.1 Determination of safe working conditions shall be made by the District and shall be in strict compliance with applicable state and federal safety laws.
- 7.0.2 When unsafe or hazardous conditions are determined to exist, the site administrator will make necessary adjustments until the unsafe condition is corrected.
- 7.1 Both parties agree that the responsibility for providing safe working conditions is that of the District, and that responsibility to follow safe procedures and practices in the performance of duties is that of the unit member. In addition, the responsibility of reporting unsafe and hazardous conditions to the site administrator is that of the unit members and members of the District staff.
- 7.2 When possible, maintenance or repair to the classroom will be accomplished at a time when the classroom is not in use. An alternate facility may be temporarily provided to the unit member. Emergency repairs may be accomplished during the school day; however, any repair procedures which would be unsafe to the unit member or to students shall be performed when the classroom is empty.
- 7.3 A unit member shall not be required to perform duties under conditions which pose an immediate and/or serious threat of bodily harm or substantial health hazard to the unit member, provided that the unit member has exhausted reasonable means within his/her control to remedy the condition.
- 7.4 Any assault upon a unit member or vandalism of his/her personal property committed by either students or adults shall be reported promptly by the unit member to the respective school administrator or designee. The Report of Property Damage/Loss/Vandalism form will contain the unit member's name, the date and location of the assault or vandalism, a description of the incident, and, if known, the name of the person(s) responsible.
- 7.4.1 Education Code Section 44014 requires that the report to local law enforcement authorities of an assault by a student shall be made by both the unit member and an administrator.
- 7.4.2 Any other public offense committed against the unit member or his/her property by either student or adult shall be reported promptly by the unit member to the respective school administrator or designee. The Report of Property Damage/ Loss/Vandalism form will contain the unit member's name, date and location of the offense, a description of the incident, and, if known, the name of the person(s) responsible.
- 7.5 Any unit member, during the performance of his/her duties, may exert the same degree of physical control over a pupil that a parent would be legally privileged to exercise, but which in no event shall exceed the amount of physical control reasonably necessary to maintain order, protect property, protect the health and safety of pupils, or to maintain proper and appropriate conditions conducive to learning. When exercising the above, the unit member shall not be subject to criminal prosecution or criminal penalties - Education Code Section 44807.
- 7.6 When appropriate and possible, visitors to campuses will be informed of laws prohibiting physical or verbal abuse of unit members. Law enforcement assistance will be requested by the site administrator, or his/her designee, when necessary to protect unit members.

- 7.7 The District agrees to reimburse any unit member for the loss, destruction or damage by arson, burglary or vandalism of the unit member's personal property which is used in the schools of the District. The maximum amount of such reimbursement to any unit member shall be \$750. In order to qualify for reimbursement, the use of the personal property must be approved in writing prior to its use in the schools, and a value for the property established between the unit member and the appropriate administrator. The District may waive the above requirement on a case-by-case basis. The principal may revoke at any time, in writing, to the employee, his/her authorization of the use of personal property at the school site. If the employee receives reimbursement from another source, the amount of that reimbursement shall be deducted from the District's payment.
- 7.8 A written description listing unit member's rights and duties under the Education Code and District regulations with respect to the discipline and suspension of students shall be provided to each unit member upon reporting to his/her school after initial hire and, thereafter, at the commencement of each school year. Site administration shall keep on file records that said information has been provided to each unit member.
- 7.9 At the time the District or site administrator receives information from the proper judicial authorities regarding a student's criminal record, this information shall be shared on a case-by-case basis with unit members having supervision over the student pursuant to Education Code Section 49079. Unit members who receive such information are required to maintain its strict confidentiality.
- 7.10 Where the District leases or otherwise has a contractual arrangement with a private facility at which unit members are assigned to work, the District will use its best efforts to enforce its rights under the lease or contractual arrangement to ensure that the operator of the private facility maintains proper health and safety conditions at the facility.

**Article 8**  
**EMPLOYEE WORKING CONDITIONS**

- 8.0 The District shall provide, within the capabilities of its resources and as determined by the District, facilities, equipment, supplies and materials necessary to conduct the educational programs of the District. The District shall make reasonable accommodations for keeping unit members' materials and ordinary personal items secure through an adequate number of locked cabinets, desks and classrooms on each campus.

**Article 9**  
**CLASS SIZE / STUDENT CONTACTS**

- 9.0 Class Caps and Total Student Contact Caps are set forth in Appendix F.
- 9.1 Class caps are subject to modification for purposes such as changes in enrollment and attendance, size and availability of facilities, limitations for special education classes and guidelines for state and federally funded programs. Prior to any modification the Association will be consulted.
- 9.2 The District will make every reasonable effort to balance class loads and stay within Class Caps. Leveling of classes shall occur within twenty (20) days after the start of the first semester (first quarter for continuation schools) and fifteen (15) days after the start of the second semester (second, third & 4<sup>th</sup> quarters for continuation schools). Compensation will be based upon average class enrollment. The average will be determined by adding the actual class enrollment of three designated days during each semester, taking that total and dividing by three (3).

**First semester:** Days for overage compensation would include: The 40<sup>th</sup>, 60<sup>th</sup>, and final day of first semester.

**Second Semester:** Days for overage compensation would include: The 40<sup>th</sup>, 60<sup>th</sup>, and final day of second semester.

When the average of the three (3) days results in a decimal number, the total will be rounded to the nearest whole number and Overage amount will be based on that number.

Overage compensation is paid on a per semester basis (two quarters equal one semester). Unit members must actively serve and discharge their duties seventy-five percent (75%) of the actual workdays in the relevant semester to be eligible for that semester's overage compensation.

The Overage Fee is based on exceeding the Total Student Contact Cap. Total Student Contact Cap is the sum of the unit member's Class Caps plus one, excluding classes taught as Non-compensated Overage Classes (Appendix F); students enrolled in Non-compensated Overage Classes do not count toward either cap.

PowerSchool (or current student information management system) enrollment on the three (3) identified days determines enrollment. Overage fees to be paid as follows:

Students	Daily Contact Overage Fee # Over Student Contact Cap
1	\$200.00
2	\$400.00
3	\$600.00
Each additional	\$200.00

Non-compensated Overage Classes are indicated by an asterisk (\*) in Appendix F. Due to the nature of the classes, the Association and the District recognize that there may be legitimate reasons for these classes to exceed the Class Caps.

- 9.2.1 Full time Virtual Academy teachers in the Academies of the Antelope Valley will be assigned no more than 180 students and will not receive class size overage fees. Virtual Academy teachers will also be assigned no more than eight (8) preps.
- 9.3 The provisions of this article shall not apply to classes maintained during the summer months in the summer session.

- 9.4 Special Education class caps are as follows: SDC 21, TMH 12, ED 13, SDD 10, DHH 13, and Autism 8. Daily Contact Overage Fee, as described in section 9.2, will be paid according to the terms of section 9.2, except that a 20% deduction for each instructional aide (including one-on-one aides) assigned to the special education class will be taken from the total to be paid with a maximum deduction of 50% of the payable overage compensation. Special education teachers who are eligible for caseload overages, per section 9.8, must choose to receive either the caseload overage or the Daily Contact Overage.
- 9.5 The above provisions shall not be construed to hinder the District's flexibility in utilizing instructional groupings different from the historically standard classroom, such as large group instruction, cooperative teaching teams, pilot programs, or similar nonstandard structures.
- 9.6 Data used to determine if Total Student Contact Caps have been exceeded shall be made available to the Association or Unit Member upon request.
- 9.7 Prior to commencement of each school year, guidance counselor workloads for each school, including where appropriate, counselor-pupil ratios, shall be determined by the District after consultation with the head counselor(s) at each site. This consultation will take place during the month of August.
- 9.8 **Special education caseloads** will not exceed 28. An overage will be paid at the rate of \$200.00 for each and every student over 28, provided the teacher executes a waiver to permit the excess caseload. The overage compensation will be paid per semester. Special education teachers located at continuation schools and CDS schools that maintain caseloads in excess of 28 will receive either caseload overages or the Daily Contact Overages in accordance with Article 9.2, at the discretion of the unit member.

**Article 10**  
**TRAVEL AUTHORIZATION AND REIMBURSEMENT**

  - 10.0.1 Unit members will be paid mileage between work locations. If applicable, additional mileage, over and above the mileage from the unit member's home to the first location, will be paid when the unit member ends the workday at a different work location.
- 10.1 Travel time between work locations will be included in the unit member's regular workday.
  - 10.1.1 Teachers who are required to travel, as described in Paragraph 10.0, shall be entitled to a conference/preparation period and a lunch period.
- 10.2 Unit members assigned to home teaching will be reimbursed for mileage expenses that exceed the home teacher's regular travel to and from work.
- 10.3 The District may authorize unit member's attendance at conferences and workshops.
  - 10.3.1 District-authorized trips will be reimbursed to unit members based on actual and necessary expenses for registration, transportation, meals, lodging, taxi and/or parking.
  - 10.3.2 Unit members may request authorization to attend conferences or workshops at a reduced rate of reimbursement and/or cost to the District or at no cost to the District. If authorized by the District, reimbursement claims for such request, if applicable, shall not exceed the amount authorized.
- 10.4 Unit members who use their personal cars for field trips or other school business or activities, as authorized by the District, shall receive the benefits in Paragraph 10.3.1.

**Article 11**  
**PROCEDURAL GUIDELINES FOR THE EVALUATION OF UNIT MEMBERS**

- 11.0 The Association and District agree that the principle objective of the evaluation procedure is to maintain and/or improve the quality of education, and that the effectiveness of the instructional program is paramount in reaching this objective. The District retains the sole responsibility for the evaluation and assessment of the performance of each unit member, subject only to the following procedural requirements. Accordingly, no grievance arising under this article shall challenge the substantive objectives, standards, or criteria determined by the evaluator(s) or District, nor shall it contest the judgment of the evaluator and grievance shall be limited to a claim that the following procedures have been violated or unreasonably applied.
- 11.1 Each unit member shall be evaluated as to his/her competency as it relates to the progress of students toward the proficiency of Common Core States Standards, expectations of pupil achievement or program results for each grade level and each area of study, the establishment and maintenance of the appropriate professional environment within the scope of the unit member's responsibility, the unit member's performance in implementing an approved plan to achieve each unit member's Plan for Professional Growth, and his/her other professional responsibilities as an employee of the District, which includes regular attendance. Administrators are responsible for the evaluation of all employees and are expected to follow orderly methods of identifying strengths and deficiencies through the use of the California Standards for the Teaching Profession, Appendix G, and the implementation of the Common Core States Standards.
- 11.2 **PLAN FOR PROFESSIONAL GROWTH**
- 11.2.1 Each instructional unit member shall annually develop a Plan for Professional Growth, Appendix G, for the courses they are to teach which shall address how the unit member will incorporate two out of the six California Standards for the Teaching Profession into their teaching methods throughout the year. The unit member and the unit member's evaluator shall each choose one standard and the unit member shall devise a Plan for Professional Growth on those two chosen standards. The unit member shall not choose the same standard and devise a plan for Professional Growth on that same standard in consecutive school years. Certificated staff, in collaboration with the Evaluator, will identify one of the elements of the California Standards for the Teaching Profession #6 that will be the focus of teacher development as a professional educator for the school year. Within the plan, each unit member shall include the resources and/or support needed to incorporate the two chosen California Standards for the Teaching Profession into their teaching methods, as well as a timeline which projects the unit member's progression towards meeting the chosen standards. Additional input from each unit member's evaluator will also be included in the plan. Although unit members are responsible for devising an annual Plan for Professional Growth on only two standards, unit members are evaluated on all six of the California Standards for the Teaching Profession.
- 11.2.2 No later than September 8, each instructional unit member shall submit his/her Plan for Professional Growth, Appendix G, to his/her evaluator. On or before September 22, the unit member and the evaluator shall meet to discuss, modify and agree upon the plan. Consultation by the unit member and evaluator with the department chairpersons may be considered a part of the procedure used in reaching agreement on the unit member's approach to incorporating the two chosen California Standards for the Teaching Profession into their teaching methods. Under unusual and extenuating circumstances, the evaluator(s) may grant additional time upon the request by the unit member to modify his/her plan. The BTSA beginning teacher or any other teacher trained in CFASST may on a voluntary basis, utilize the Individual Induction Plan (IIP) in lieu of the annual Plan for Professional Growth. The IIP must be submitted to the administrator by November 1<sup>st</sup>.

- 11.2.3 In the event the unit member and evaluator are unable to agree on the approach to be taken in the Plan for Professional Growth for the year, they shall meet with the site principal. The site principal may consult with the department chairpersons and/or any other unit member(s) in making a decision. The unit member and the site principal shall make a good-faith effort to reach mutual agreement on the unit member's plan to incorporate the two chosen California Standards for the Teaching Profession into their teaching methods. To the extent that the evaluator and the unit member disagree on the plan, the unit member may specify his/her position(s) in writing, including the identification of constraints which the unit member believes inhibits his/her ability to incorporate the California Standards for the Teaching Profession into their teaching methods. After giving consideration to the constraints identified by the unit member, the site principal shall make the final decision on the unit member's plan.
- 11.2.4 If, during the course of the evaluation period, circumstances arise which require modification of a unit member's Plan for Professional Growth, then the unit member and the evaluator shall meet and mutually agree to any such modifications. Disagreement shall be resolved by the procedure described in Paragraph 11.2.3 of this article.

Additional observations may be arranged by mutual consent.
- 11.3.4.5 Subsequent visitation(s) should be scheduled to determine what progress, if any, has been made to correct identified deficiencies. When the evaluator(s) has determined that the unit member has corrected identified deficiencies, the evaluator(s) shall note the improvement on a subsequent Classroom Observation Form, and upon written request of the unit member, which may be made on the form, a copy of the noted improvements shall be attached to the earlier form which contains mention of the deficiency.

20.0 PART-TIME EMPLOYMENT - FULL RETIREMENT CREDIT

Eligible unit members may reduce their work load prior to retirement from full-time to part-time duties and receive full credit toward retirement in accordance with Education Code Section 44922. 20.0.4 Unit member participation shall be subject to the following provisions:

20.0.4.1 While this part-time employment provision is typically a transition to full retirement, a return to full-time status with the District shall be permitted, but under no circumstances may the period of participation in the work reduction program exceed a period of five (5) years.

20.0.4.2 Participating unit members shall be paid on a part-time basis with a salary pro-rated from the full-time salary that the unit member would otherwise receive for the position in which he/she serves.

20.0.4.3 Participating unit members shall receive the retirement credit that they would earn if they were employed full-time. The unit member and the District shall contribute to the State Teachers Retirement System (STRS) the amount that would be contributed if the unit member were employed on a full-time basis.

Unit members may agree to contribute the proportionate cost of the benefits in order to receive the equivalent of full-time medical, dental, vision and life insurance protection, subject to approval by the District's medical care and insurance providers. Unit members may choose to participate or not participate in each benefit offered.
- 20.2 Unit members who express an interest in extending their part-time employment status beyond the initial year shall apply for an extension prior to May 1st for the following year. This extension shall be at the discretion of the Board.
- 20.3 By virtue of the nature of part-time employment the District and Association agree that some degree of flexibility will have to be incorporated in the implementation of part-time employment. Matters related to faculty meetings, participation in in-service, performance of regular teacher duties and responsibilities, etc., will have to be worked out at the sites in a cooperative manner.
- 20.4 Utilization of this provision shall be limited to a total of forty-eight (48) sections. The District shall post part-time employment opportunities for unit member consideration before hiring from outside of the District.

**Article 21**  
**EDUCATIONAL REORGANIZATION**

- 21.0 The District and the Association recognize that site-based educational reorganization may improve effective professional practice of educators and make the learning process more effective. To this end, the parties agree that the following process may be utilized to implement site-based educational reorganization in the District which act as waivers to the current collective bargaining agreement:
- 21.1 The current Joint Reorganizational Council (“JRC”) will consist of the District Superintendent and/or his/her designee and an Association Negotiating Team designee.
- 21.2 Either party must submit a formal, written document that addresses specific educational needs identified by the certificated staff at the site and the specific provision of the CBA that is sought to be waived.
- 21.3 The proposal should contain a history and background, and provide corroborating evidence that other educational alternatives addressing the situation within the current system have either been tried and were unsuccessful or would be futile.
- 21.4 A specific action plan should address the particular need cited, proposing specific changes that will improve student learning and provide a remedy based on sound educational practice and/or theory.
- 21.5 As determined by each party in its own discretion, the plan must have significant staff support.
- 21.6 Proposals to waive portions of the CBA will be subject to the written approval of both the District Superintendent and/or his/her designee and an Association Negotiating Team designee only. Upon both parties written approval of the proposals, the waiver shall be considered an Addendum to the CBA for a specific period of time at a specific work site.
- 21.7 If approved, first time proposals will be authorized for one (1) year, unless mutually agreed on otherwise.

**Article 22**  
**EARLY RETIREMENT**

- 22.0 The District shall continue to offer the Early Retirement Incentive Program as set forth in Board Policy 4120 adopted June 18, 1980, and the Golden Handshake Retirement Option for the duration of this Agreement. (Because the District must be able to demonstrate a financial savings to offer either of these programs, it is understood that it is unlikely that a savings could be demonstrated for a unit member using both of these retirement incentives.)

**Article 23**  
**GRIEVANCE AND ARBITRATION**

**23.0 DEFINITIONS:**

**23.1 GENERAL PROVISIONS**

- 23.1.1 Most grievances arise from misunderstandings or disputes which can be settled promptly and satisfactorily on an informal basis at the immediate supervisory level. The District and Association representatives agree that every effort will be made by the District and the party filing the grievance to settle grievances at the lowest possible level.
- 23.1.2 Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
- 23.1.3 Nothing contained herein will be construed as limiting the right of any unit member having a grievance to discuss the matter informally with the immediate supervisor, and to have the grievance adjusted without intervention by the Association provided that the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given an opportunity to be present at such adjustment to state its views. Further, nothing contained in this Grievance Procedure shall be construed as limiting the right of a unit member at any time to present a written formal grievance to the District and have such grievance adjusted without the intervention of the Association, as long as the adjustment is consistent with the terms of the Agreement. The District shall not agree to a resolution of said grievance until the Association has been served by the District with a copy of the grievance and the proposed resolution and has also been given the opportunity to file a response. A grievant who wants representation shall be represented by the designated representatives selected by the Association.
- 23.1.4 The grievant shall have the right to include in the grievance hearings such witnesses as they deem necessary to develop facts pertinent to the grievance. These names shall be made available to both parties upon request. Such witnesses shall be in addition to the grievant's representative.
- 23.1.5 Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement.

- 23.1.6 Decisions rendered at all Levels of the grievance procedure will be in writing setting forth the decision and the reasons therefore and will be transmitted promptly to all parties in interest and to the President of the Association. Time limits for appeal provided in each Level shall begin the day following receipt of written decisions by the parties in interest.
- 23.1.7 Grievance meetings will be scheduled by the District at mutually convenient times and places. Every effort will be made to schedule such meetings in such a manner that they will not conflict with regular duties; however, when such meetings must necessarily be scheduled so as to conflict with the unit member's work hours, reasonable release time, without loss of salary, will be provided to the grievant and his/her authorized Association representative, if any. In addition, witnesses to an arbitration hearing shall be given release time while testifying.  
  
At Level I or Level II grievance meetings where it is necessary to include more than three (3) unit members who have information about the grievance, conferences shall be held before or after school hours. In addition, witnesses to an arbitration hearing shall be given release time while testifying. This constitutes reasonable periods of release time within the meaning of Government Code Section 3543.1(c).
- 23.1.8 Neither party shall take reprisals against any member of the unit, Association representative, management person, or any other participant in the grievance.
- 23.1.9 All grievance records shall be maintained in the Personnel Services Office in a file separate and apart from other personnel records. The maintenance and disposition of those grievance files shall be governed by the provisions of Title 5, California Administrative Code Sections 16022-16027. The grievant shall have access to all grievance documents in such file. Documents relevant to processing a grievance shall be furnished upon request by either party.
- 23.1.10 When a grievance has been filed by a unit member, the grievant may terminate the grievance at any time by giving written notice to the District and the Association. This does not preclude the Association from continuing the grievance if the Association alleges the District has violated the Agreement.
- 23.1.11 Forms for filing grievances and other necessary documents are in Appendix H. Costs for preparing such forms will be absorbed by the District.
- 23.1.12 Grievances which arise as a result of a District action(s) or decision(s) that occur at a level higher than the immediate supervisor or designee may be filed at Level II.

**23.2 FORMAL PROCEDURE**

**23.2.1 Level I - Site**

- 23.2.1.1 The grievant shall file the grievance in writing on the District provided form, simultaneously with the President of the Association and the unit member's immediate supervisor within twenty (20) days after the occurrence of the act or omission giving rise to the alleged grievance or twenty (20) days after the grievant knew or reasonably should have known about the act or omission, whichever is later. The grievance shall list the Article(s) and Section(s) allegedly violated, along with a description of the alleged violation.
- 23.2.1.2 Within ten (10) days after receipt of the formal written grievance by the immediate supervisor, the immediate supervisor will meet with the unit member and representative of the Association in an effort to resolve the grievance. The immediate supervisor shall provide a written proposed resolution to the unit member within five (5) days after the Level I grievance meeting.

23.2.2 Level II - District

23.2.2.1 If the grievant is not satisfied with the disposition of the grievance at the Level I meeting, the grievant may file the grievance in writing on the District provided form, simultaneously with the President of the Association and the Superintendent within ten (10) days after the Level I meeting or within five (5) days of receipt of the Level I written decision.

23.2.2.2 Within ten (10) days after receipt of the written grievance by the Superintendent, the Superintendent or his designee will meet with the aggrieved person and representative of the Association in an effort to resolve the grievances. The Superintendent or designee shall provide a written proposed resolution to the grievance within five (5) days after the grievance meeting.

23.2.3 Level III – Mediation

23.2.3.1 If the grievant is not satisfied with the disposition of the grievance at Level II, or if no disposition has occurred pursuant to the provisions of Level II, the grievance may be referred to grievance mediation if both the Association and the District mutually request the services of a State Mediator to assist the parties in resolving the grievance.

23.2.3.2 The Association shall request that a conciliator/mediator from the California State Mediation/Conciliation Service, be assigned to assist the parties in the resolution of the grievance.

23.2.3.3 The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance. The mediator, within ten (10) days of the request, shall meet with the grievant, Association, and the District for the purpose of resolving the grievance.

23.2.3.4 If an agreement is reached, the agreement shall be reduced to writing and shall be signed by the grievant, the Association, and the District.

23.2.3.5 In the event the grievance is not resolved within ten (10) days from the first meeting held by the conciliator/mediator, the Association or the District may terminate Level III and the grievance may proceed to Level IV.

23.2.4 Level IV - Arbitration

23.2.4.1 If the grievant is not satisfied with the disposition of his/her grievance at Level III, the grievant may within five (5) days after a decision by the Superintendent, request in writing that the Association submit the grievance to arbitration. The Association, by written notice to the Superintendent within fifteen (15) days after receipt of the request from the aggrieved person, may submit the grievance to binding arbitration.

The form or content of any settlement discussions shall not be binding on either party. The terms of a settlement, if any, shall be binding on all parties.

23.2.4.2 As soon as possible and in any event not later than ten (10) days after the District receives written notice of the Association's desire to arbitrate; the parties shall attempt to agree upon an arbitrator. If no agreement is reached within said ten (10) days, the arbitrator will be selected from the following list in accordance with the procedure set forth in Article 23.2.4.3:

If any of the arbitrators retires or passes away, and the parties cannot agree to a replacement name to be used for the strike list, then the parties' shall request a list of names from the American Arbitration Association or the State Mediation and Conciliation Service from which to strike. Striking shall be done in accordance with Article 23.2.4.3. The list obtained is not intended to be a newly bargained strike list for all of the parties' future arbitrations. Instead a new list will be requested for each subsequent arbitration until a newly bargained strike list has been agreed to or a replacement for the retired, deceased arbitrator has been agreed to.

23.2.4.3 The Association and the District shall select the arbitrator from the strike list by taking turns eliminating names until one (1) name remains. The first option to strike from the list shall alternate. All Grievances shall be numbered consecutively with the Association striking first on all odd numbered grievances and the District striking first on all even numbered grievances. The one (1) remaining name shall be the arbitrator.

23.2.4.4 The arbitrator shall be bound by the rules of the American Arbitration Association. The arbitrator's decision shall be in writing and will set forth his/her finding of fact, reasoning, and conclusions on the issues submitted. The arbitrator will be without authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The arbitrator is empowered to include in his/her award such financial or other remedies to which the parties are entitled to by law. The decision of the arbitrator will be submitted to the Superintendent and the Association and will be final and binding upon the parties to this Agreement.

If the District has raised the question of grievability as a defense, such question shall be ruled upon by the arbitrator as a part of his or her decision.

23.2.4.5 Either party may request a certified court reporter to record the entire arbitration hearing. The cost of the services and expenses of such court reporter shall be paid by the party requesting the reporter or shared by the parties if they both mutually agree.

23.2.4.6 All fees and expenses of the arbitrator shall be shared equally by the parties. Each party shall bear the expense of the presentation of its own case.

- 31.2 Unit members who participate in the production of tapes, publications or other produced educational material shall retain the residual rights should they be copyrighted or sold by the District, provided the materials were not prepared in whole or in part on District time or at District expense.
- 31.3 Rules which are designed to implement this Agreement shall be uniform in application and effect.
- 31.4 All bargaining unit members requesting release from their contract in writing shall be released at the conclusion of the year or upon the District finding a suitable replacement, whichever occurs first.

Upon written notification by either party a meeting will be held within ten (10) working days of such notification to discuss the impact of the voiding of the affected article, section or provision. The Association and the District may then mutually agree to renegotiate the affected article, section or provision.
- 32.1 Should any article, section or provision of this Agreement or application thereof be deemed invalid by a court of competent jurisdiction, the parties shall meet not later than ten (10) working days after receipt of such decision to examine the article, section or provision affected, and if deemed appropriate by either party, commence meeting and negotiating with respect to the means of compliance therewith.

If a unit member's contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.
- 33.1 This Agreement shall supersede any rules, regulations or practices of the District which shall be contrary to or inconsistent with its terms. The provisions of the Agreement shall be considered part of the established policies of the District.
- 33.2 Except as otherwise expressly provided elsewhere in this Agreement, it is agreed that during the term of this Agreement, the parties waive and relinquish the right to meet and negotiate and agree that the parties shall not be obligated to meet and negotiate with respect to any subject or matter, whether referred to or covered in this Agreement or not, even though such subject or matters may not have been within the knowledge or contemplation of either or both the District or Association at the time they met and negotiated on and executed this Agreement, and even though such subjects or matters were proposed and later withdrawn.
- 33.3 This Agreement shall constitute the full and complete commitment between both parties and shall supercede and cancel all previous agreements, both oral and written. This Agreement may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.

## (Brief Overview)

**Delta Premier-AKA Incentive:** Pays a yearly in-network maximum of \$1700 per family member per calendar year. If you go out of network they will pay \$1500 per calendar year. Benefits start paying at 70% and increase yearly by 10% as long as you see a dentist each year. If you change your plan at any time and return to this plan, you automatically start back at 70%. This plan does not have any Orthodontic benefits.

**DPO-Aka PPO:** Pays 100% as long as you see an in-network dentist. They will pay 50% if you go outside of the network. The maximum yearly amount paid per person is \$2000. This plan includes a \$3000 lifetime Orthodontic benefit for adults and children.

**PMI-Aka Delta Care USA:** This plan does not have a yearly maximum, and it does have a small Orthodontic benefit. There are a limited network of dentists who accept this plan. You must choose an in-network (PMI) dentist, or PMI will assign you a dentist. You must be seen by the dentist you are assigned or PMI will not pay. This is a very basic dental plan.

**Please note:** Always check with your dentist prior to your appointment for any co-pays, etc. Remember, even if your dentist accepts Delta Dental, it does not mean that you will not have a balance after your benefits pay.

## Frequently Asked Questions

### What you need to know about your DeltaCare USA plan

#### Getting started

- 1. How do I enroll in a DeltaCare USA plan?**  
Simply complete the enrollment process as directed by your benefits administrator. Be sure to select a primary care network dentist for yourself or your dependents, and indicate this dentist and the name of your group when you enroll.
- 2. How do I get started using my DeltaCare USA plan?**  
Once we process your enrollment, we'll mail you welcome materials that will include:
  - **The name, address and phone number of your selected primary care dentist:** Simply call the dental facility to make an appointment.  
**Important note:** In order to receive benefits under your plan, you must visit your primary care network dentist for all services. If you require treatment from a specialist, your primary care dentist will coordinate a referral for you. You can change your primary care dentist by contacting us.
  - **Your Evidence/Certificate of Coverage (plan booklet):** This useful document provides a thorough description of how to use your benefits, including covered services, copayments and any limitations and exclusions of your plan.
  - **An ID card:** This card is for your records only — you do not need to present it in order to receive treatment.
- 3. How long will it take to get an appointment with my primary care dentist?**  
Two to four weeks<sup>1</sup> is a reasonable amount of time to wait for a routine, non-urgent appointment. If you require a specific time, you may need to wait longer. Most DeltaCare USA dentists are in private group practices, which generally offer greater appointment availability and extended office hours.

- 4. How much will my dental treatments cost? How do I pay?**

With your DeltaCare USA plan, some services are covered at no cost, while others have a copayment (amount you pay) for certain services. To find out how much a treatment will cost, refer to the "Description of Benefits and Copayments" in this brochure for a list of covered services and copayments. It's a good idea to bring your Evidence/Certificate of Coverage to your appointment in case you need to discuss your copayment for a service with your dentist. If you have any questions about the charges for a service, please contact Customer Service. If you receive treatment that requires a copayment, simply pay the dental facility at the time of service.

#### Choosing a dentist

- 5. How do I select my primary care dentist?**  
When you enroll, you must select a primary care dentist from the DeltaCare USA network. To search for a dentist, use the "Find a Dentist" tool at [deltadentalins.com](http://deltadentalins.com) and select the DeltaCare USA network. If you do not select a dentist when you enroll, we will choose one for you.
- 6. Does everyone in my family have to choose the same primary care dentist?**  
No. Each family member can select his or her own primary care network dentist.
- 7. Can I change my primary care dentist?**  
Yes. You can request to change your primary care dentist at any time. Simply visit our website and log on to your online account or call or write to Customer Service. Change requests received by the 21<sup>st</sup> of the month will become effective the first day of the following month.

<sup>1</sup> In TX, three weeks is a reasonable amount of time to wait for a routine, non-urgent appointment.

An ASH Plan's clinician in the same or similar specialty as the provider of Services under review will decide whether Services are or were Medically Necessary. ASH Plans will disclose to you, upon request, the written criteria it uses to make the decision to authorize, modify, delay, or deny a request for authorization. If you have questions or concerns, please contact the ASH Plans Customer Service Department.

## **\*\*CONTINUATION COVERAGE RIGHTS UNDER COBRA\*\***

### Introduction

You are receiving this notice because you have recently become covered under the following employer's  
Antelope Valley Union High School District (the Plan). This notice

*Employer name*

contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan, as well as other health coverage alternatives that may be available to you through the Health Insurance Marketplace. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

The right to COBRA continuation coverage was created by a federal law, Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and to other members of your family who are covered under the Plan when you would otherwise lose your group health coverage. This notice gives only a summary of your COBRA continuation coverage rights. For more information about your rights and obligations under the Plan and under federal law, you should either review the Plan's Summary Plan Description or get a copy of the Plan Document from your district.

### What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in the notice. COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." A qualified beneficiary is someone who will lose coverage under the Plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, and dependent children of employees may be qualified beneficiaries. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you will lose your coverage under the Plan because either one of the following qualifying events happens:

- (1) Your hours of employment are reduced, or
- (2) Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you will lose your coverage under the Plan because any of the following qualifying events happens:

- (1) Your spouse dies;
- (2) Your spouse's hours of employment are reduced;
- (3) Your spouse's employment ends for any reason other than his or her gross misconduct;
- (4) Your spouse becomes enrolled in Medicare (Part A, Part B, or both); or
- (5) You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they will lose coverage under the Plan because any of the following qualifying events happens:

- (1) The parent-employee dies;
- (2) The parent-employee's hours of employment are reduced;
- (3) The parent-employee's employment ends for any reason other than his or her gross misconduct;
- (4) The parent-employee becomes enrolled in Medicare (Part A, Part B, or both);
- (5) The parents become divorced or legally separated; or
- (6) The child stops being eligible for coverage under the plan as a "dependent child."

### When is COBRA Coverage Available?

The plan will offer COBRA continuation to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, or enrollment of the employee in Medicare (Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

There may be other coverage options for you and your family. When key parts of the health care law take effect, you'll be able to buy coverage through the Health Insurance Marketplace. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA does not limit your eligibility for coverage for a tax credit through the Marketplace. Additionally, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse's plan), even if the plan generally does not accept late enrollees, if you request enrollment within 30 days.

### You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify your district. **The Plan requires you to notify the Plan Administrator within 60 days after the qualifying event occurs.**

### How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. For each qualified beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin either (1) on the date of the qualifying event or (2) on the date that Plan coverage would otherwise have been lost, depending on the nature of the Plan.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, your divorce or legal separation, or a dependent child losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

#### Disability extension of 18-month period of continuation coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage.

#### Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event while receiving COBRA continuation coverage, the spouse and dependent children in your family can get additional months of COBRA continuation coverage, up to a maximum of 36 months. This extension is available to the spouse and dependent children if the former employee dies, or gets divorced or legally separated. The extension is also available to a dependent child when that child stops being eligible under the Plan as a dependent child. In all of these cases, you must make sure that the Plan Administrator is notified of the second qualifying event within 60 days of the second qualifying event.

### For More Information

If you have questions about your COBRA continuation coverage, you should contact the plan administrator. For more information about health insurance options available through a Health Insurance Marketplace, visit [www.healthcare.gov](http://www.healthcare.gov).

### Keep Your Plan Informed of Address Changes

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

## What is COBRA?

COBRA is an acronym for "Consolidated Omnibus Budget Reconciliation Act of 1985"

There are two parts to COBRA benefits. The first 18 months are administered under Federal law. Once the first 18 months have been exhausted members may be eligible for an additional 18 months under State Continuation (CalCOBRA).

COBRA allows employees or dependents of employees to temporarily continue with health benefits once they have lost those benefits with their employer. Rates have a 2% administration fee attached to Federal COBRA and 10% administration fee attached to State Continuation (CalCOBRA).

### Who is eligible?

Any individual who, on the day before a qualifying event, is covered under a group health plan by virtue of being on that day either a covered employee, the covered spouse of an employee, or a covered dependent child of an employee.

Each QB (qualified beneficiary) has an independent right to elect COBRA. Spouse or dependent children can enroll in COBRA without the employee.

### How does COBRA begin?

To qualify for COBRA there has to be a qualifying event (QE). A QE is an event that results in the loss of coverage for employee or dependents.

<u>QE</u>	<u>Length of coverage *</u>
Termination	18 months
Retirement	18 months
Reduction of Hours	18 months
Over age dependent (loss of dependent status)	36 months
Divorce	36 months
Death of Subscriber	36 months

### Who is NOT eligible for COBRA?

Persons who lose benefits due to "Gross Misconduct"

### When does COBRA terminate?

Federal COBRA will terminate:

1. After 18 months of enrollment
2. Premiums not paid on a timely basis

3. Person becomes eligible for:
  - a. Entitlement to Medicare
  - b. Any other health insurance plan that does not have an exclusion or limitation for pre-existing conditions
  - c. A plan with a pre-existing limitation that must credit prior coverage toward its pre-existing condition exclusion period

### What is State Continuation (CalCOBRA)?

State Continuation also known as CalCOBRA is a State law (AB 1401) that allows those who have exhausted 18 months of Federal COBRA to continue their Medical and Rx benefits for 18 additional months. State Continuation does not cover dental or vision and the premiums have a 10% administration fee added.

### Who is eligible for CalCOBRA?

COBRA enrollees who are entitled to less than 36 months of continuation coverage under federal COBRA are eligible for CalCOBRA and must exhaust their federal COBRA first.

### Who is NOT eligible for CalCOBRA?

- Persons who are entitled to Medicare
- Persons who have other coverage or who become covered under another group plan, as long as the person is not subject to a pre-existing condition limitation
- Persons eligible for or covered under federal COBRA (must exhaust Federal before you can enroll in State)
- Persons who were entitled to a maximum of 36 months coverage under federal COBRA

### How long does CalCOBRA last?

The maximum length of the CalCOBRA continuation period is 18 months. CalCOBRA may be elected only after federal COBRA is exhausted. CalCOBRA was designed to allow the enrollee a total of continuation period of 36 months between the Federal and State.

Once federal and state COBRA has been exhausted the QB will be notified to contact their health carrier or an insurance broker for information on the following options to continue with coverage:

- HIPAA plan
- Conversion plan
- Individual plan

## Your Protected Health Information

The term "Protected Health Information" (PHI) includes all information related to your past, present or future health condition(s) that individually identifies you or could reasonably be used to identify you and is transferred to another entity or maintained by the Plan in oral, written, electronic or any other form.

PHI does not include health information contained in employment records held by your employer in its role as an employer, including but not limited to health information on disability, work-related illness/injury, sick leave, Family or Medical Leave (FMLA), life insurance, dependent care flexible spending account, drug testing, etc.

This Notice does not apply to information that has been de-identified. De-identified information is information that does not identify you, and with respect to which there is no reasonable basis to believe that the information can be used to identify you, is not individually identifiable health information.

## When the Plan May Disclose Your PHI

Under the law, the Plan may disclose your PHI without your written authorization in the following cases:

- *At your request.* If you request it, the Plan is required to give you access to your PHI in order to inspect it and copy it.
- *As required by an agency of the government.* The Secretary of the Department of Health and Human Services may require the disclosure of your PHI to investigate or determine the Plan's compliance with the privacy regulations.
- *For treatment, payment or health care operations.* The Plan and its business associates will use your PHI (except psychotherapy notes in certain instances as described below) without your consent, authorization or opportunity to agree or object in order to carry out treatment, payment, or health care operations.

The Plan does not need your consent or authorization to release your PHI when you request it, a government agency requires it, or the Plan uses it for treatment, payment or health care operations.

The Plan Sponsor has amended its Plan documents to protect your PHI as required by Federal law. The Plan may disclose PHI to the Plan Sponsor for purposes of treatment, payment and health care operations in accordance with the Plan amendment. The Plan may disclose PHI to the Plan Sponsor for review of your appeal of a benefit or for other reasons related to the administration of the Plan.

Definitions and Examples of Treatment, Payment and Health Care Operations	
Treatment is health care.	Treatment is the provision, coordination or management of health care and related services. It also includes but is not limited to coordination of benefits with a third party and consultations and referrals between one or more of your health care providers. • <i>For example:</i> The Plan discloses to a treating specialist the name of your treating primary care physician so the two can confer regarding your treatment plan.
Payment is paying claims for health care and related activities.	Payment includes but is not limited to making payment for the provision of health care, determination of eligibility, claims management, and utilization review activities such as the assessment of medical necessity and appropriateness of care. • <i>For example:</i> The Plan tells your doctor whether you are eligible for coverage or what percentage of the bill will be paid by the Plan. If we contract with third parties to help us with payment, such as a claims payer, we will disclose pertinent information to them. These third parties are known as "business associates."
Health Care Operations keep the Plan operating soundly.	Health care operations includes but is not limited to quality assessment and improvement, patient safety activities, business planning and development, reviewing competence or qualifications of health care professionals, underwriting, enrollment, premium rating and other insurance activities relating to creating or renewing insurance contracts. It also includes disease management, case management, conducting or arranging for medical review, legal services and auditing functions including fraud and abuse compliance programs and general administrative activities. • <i>For example:</i> The Plan uses information about your medical claims to refer you to a disease management program, to project future benefit costs or to audit the accuracy of its claims processing functions.

## When the Disclosure of Your PHI Requires Your Written Authorization

Generally, the Plan will require that you sign a valid authorization form in order to use or disclose your PHI other than:

- When you request your own PHI
- A government agency requires it, or

- The Plan uses it for treatment, payment or health care operation.

You have the right to revoke an authorization.

Although the Plan does not routinely obtain psychotherapy notes, generally, an authorization will be required by the Plan before the Plan will use or disclose psychotherapy notes about you. Psychotherapy notes are separately filed notes about your conversations with your mental health professional during a counseling session. They do not include summary information about your mental health treatment. However, the Plan may use and disclose such notes when needed by the Plan to defend itself against litigation filed by you.

The Plan generally will require an authorization form for uses and disclosure of your PHI for marketing purposes (a communication that encourages you to purchase or use a product or service) if the Plan receives direct or indirect financial remuneration (payment) from the entity whose product or service is being marketed. The Plan generally will require an authorization form for the sale of protected health information if the Plan receives direct or indirect financial remuneration (payment) from the entity to whom the PHI is sold. The Plan does not intend to engage in fundraising activities.

## Use or Disclosure of Your PHI Where You Will Be Given an Opportunity to Agree or Disagree Before the Use or Release

Disclosure of your PHI to family members, other relatives and your close personal friends without your written consent or authorization is allowed if:

- The information is directly relevant to the family or friend's involvement with your care or payment for that care, and
- You have either agreed to the disclosure or have been given an opportunity to object and have not objected.

Note that PHI obtained by the Plan Sponsor's employees through Plan administration activities will NOT be used for employment related decisions.

## Use or Disclosure of Your PHI Where Consent, Authorization or Opportunity to Object Is Not Required

In general, the Plan does not need your written authorization to release your PHI if required by law or for public health and safety purposes. The Plan and its Business Associates are allowed to use and disclose your PHI without your written authorization (in compliance with section 164.512) under the following circumstances:

1. *When required by law.*
2. *When permitted for purposes of public health activities.* This includes reporting product defects, permitting product recalls and conducting post-marketing surveillance. PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition, if authorized by law.
3. To a school about an individual who is a student or prospective student of the school if the protected health information this is disclosed is limited to *proof of immunization*, the school is required by State or other law to have such proof of immunization prior to admitting the individual and the covered entity obtains and documents the agreements to this disclosure from either a parent, guardian or other person acting in loco parentis of the individual, if the individual is an unemancipated minor; or the individual, if the individual is an adult or emancipated.
4. When authorized by law to report information about *abuse, neglect or domestic violence* to public authorities if a reasonable belief exists that you may be a victim of abuse, neglect or domestic violence. In such case, the Plan will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of reporting child abuse or neglect, it is not necessary to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor's parents or other representatives, although there may be circumstances under Federal or state law when the parents or other representatives may not be given access to the minor's PHI.
5. To a public health oversight agency for *oversight activities authorized by law*. These activities include civil, administrative or criminal investigations, inspections, licensure or disciplinary actions (for example, to investigate complaints against providers) and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).
6. *When required for judicial or administrative proceedings.* For example, your PHI may be disclosed in response to a subpoena or discovery request, provided certain conditions are met, including that:
  - the requesting party must give the Plan satisfactory assurances a good faith attempt has been made to provide you with written Notice, and

- the Notice provided sufficient information about the proceeding to permit you to raise an objection, and
  - no objections were raised or were resolved in favor of disclosure by the court or tribunal.
7. When required for *law enforcement health purposes* (for example, to report certain types of wounds).
  8. For *law enforcement purposes* if the law enforcement official represents that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual's agreement and the Plan in its best judgment determines that disclosure is in the best interest of the individual. Law enforcement purposes include:
    - identifying or locating a suspect, fugitive, material witness or missing person, and
    - disclosing information about an individual who is or is suspected to be a victim of a crime.
  9. When required to be given to a *coroner or medical examiner* to identify a deceased person, determine a cause of death or other authorized duties. When required to be given to *funeral directors* to carry out their duties with respect to the decedent; for use and disclosures for *cadaveric organ, eye or tissue donation* purposes.
  10. For *research*, subject to certain conditions.
  11. When, consistent with applicable law and standards of ethical conduct, the Plan in good faith believes the use or disclosure is necessary to prevent or lessen a serious and *imminent threat to the health or safety* of a person or the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.
  12. When authorized by and to the extent necessary to comply with *workers' compensation* or other similar programs established by law.
  13. When required, for *specialized government functions*, to military authorities under certain circumstances, or to authorized Federal officials for lawful intelligence, counter intelligence and other national security activities.

Any other Plan uses and disclosures not described in this Notice will be made only if you provide the Plan with written authorization, subject to your right to revoke your authorization, and information used and disclosed will be made in compliance with the minimum necessary standards of the regulation.

## Your Individual Privacy Rights

### A. You May Request Restrictions on PHI Uses and Disclosures

You may request the Plan to restrict the uses and disclosures of your PHI:

- To carry out treatment, payment or health care operations, or
- To family members, relatives, friends or other persons identified by you who are involved in your care.

The Plan, however, is not required to agree to your request if the Plan Administrator or Privacy Officer determines it to be unreasonable, for example, if it would interfere with the Plan's ability to pay a claim.

The Plan will accommodate an individual's reasonable request to receive communications of PHI by alternative means or at alternative locations where the request includes a statement that disclosure could endanger the individual. You or your personal representative will be required to complete a form to request restrictions on the uses and disclosures of your PHI. To make such a request contact the Privacy Officer at their address listed on the first page of this Notice.

### B. You May Inspect and Copy Your PHI

You have the right to inspect and obtain a copy (in hard copy or electronic form) of your PHI (except psychotherapy notes and information compiled in reasonable contemplation of an administrative action or proceeding) contained in a "designated record set," for as long as the Plan maintains the PHI. You may request your hard copy or electronic information in a format that is convenient for you, and the Plan will honor that request to the extent possible. You may also request a summary of your PHI.

A Designated Record Set includes your medical records and billing records that are maintained by or for a covered health care provider. Records include enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for a health plan or other information used in whole or in part by or for the covered entity to make decisions about you. Information used for quality control or peer review analyses and not used to make decisions about you is not included in the designated record set.

The Plan must provide the requested information within 30 days of its receipt of the request, if the information is maintained onsite or within 60 days if the information is maintained offsite. A single 30-day extension is allowed if the Plan is unable to comply with the deadline and notifies you in writing in advance of the reasons for the delay and the date by which the Plan will provide the requested information.

You or your personal representative will be required to complete a form to request access to the PHI in your Designated Record Set. Requests for access to your PHI should be made to the Plan's Privacy Officer at their address listed on the first page of this Notice. You may be charged a reasonable cost-based fee for creating or copying the PHI or preparing a summary of your PHI.

If access is denied, you or your personal representative will be provided with a written denial describing the basis for the denial, a description of how you may exercise those review rights and a description of how you may complain to the Plan's Privacy Officer or the Secretary of the U.S. Department of Health and Human Services.

**C. *You Have the Right to Amend Your PHI***

You or your Personal Representative have the right to request that the Plan amend your PHI or a record about you in a designated record set for as long as the PHI is maintained in the designated record set. The Plan has 60 days after receiving your request to act on it. The Plan is allowed a single 30-day extension if the Plan is unable to comply with the 60-day deadline (provided that the Plan notifies you in writing in advance of the reasons for the delay and the date by which the Plan will provide the requested information).

If the Plan denied your request in whole or part, the Plan must provide you with a written denial that explains the basis for the decision. You or your personal representative may then submit a written statement disagreeing with the denial and have that statement included with any future disclosures of your PHI. You should make your request to amend PHI to the Privacy Officer at their address listed on the first page of this Notice.

You or your personal representative may be required to complete a form to request amendment of your PHI. Forms are available from the Privacy Officer at their address listed on the first page of this Notice.

**D. *You Have the Right to Receive an Accounting of the Plan's PHI Disclosures***

At your request, the Plan will also provide you with an accounting of disclosures by the Plan of your PHI during the six years (or shorter period if requested) before the date of your request. The Plan will not provide you with an accounting of disclosures related to treatment, payment, or health care operations, or disclosures made to you or authorized by you in writing. The Plan has 60 days after its receipt of your request to provide the accounting. The Plan is allowed an additional 30 days if the Plan gives you a written statement of the reasons for the delay and the date by which the accounting will be provided. If you request more than one accounting within a 12-month period, the Plan will charge a reasonable, cost-based fee for each subsequent accounting.

**E. *You have the Right to Request that PHI be Transmitted to You Confidentially***

The Plan will permit and accommodate your reasonable request to have PHI sent to you by alternative means or to an alternative location (such as mailing PHI to a different address or allowing you to personally pick up the PHI that would otherwise be mailed), if you provide a written request to the Plan that the disclosure of PHI to your usual location could endanger you. If you believe you have this situation, you should contact the Plan's Privacy Officer to discuss your request for confidential PHI transmission.

**F. *You Have the Right to Receive a Paper or Electronic Copy of This Notice Upon Request***

To obtain a paper or electronic copy of this Notice, contact the Plan's Privacy Officer at their address listed on the first page of this Notice. This right applies even if you have agreed to receive the Notice electronically.

**G. *Breach Notification***

If a breach of your unsecured protected health information occurs, the Plan will notify you.

## **Your Personal Representative**

You may exercise your rights to your protected health information (PHI) by designating a person to act as your Personal Representative. Your Personal Representative will generally be required to produce evidence (proof) of the authority to act on your behalf before the Personal Representative will be given access to your PHI or be allowed to take any action for you. Under this Plan, proof of such authority will include (1) a completed, signed and approved Appoint a Personal Representative form; (2) a notarized power of attorney for health care purposes; (3) a court-appointed conservator or guardian; or, (4) for a Spouse under this Plan, the absence of a Revoke a Personal Representative form on file with the Privacy Officer.

**This Plan will automatically recognize your legal Spouse as your Personal Representative and vice versa, without you having to complete a form to Appoint a Personal Representative.** However, you may request that the Plan **not automatically** honor your legal Spouse as your Personal Representative by completing a form to Revoke a Personal Representative (copy attached to this notice or also available from the Privacy Officer). If you wish to revoke your Spouse as your Personal Representative, please complete the Revoke a Personal Representative form and return it to the Privacy Officer and this will mean that this Plan will NOT automatically recognize your Spouse as your Personal Representative and vice versa.

The recognition of your Spouse as your Personal Representative (and vice versa) is for the use and disclosure of PHI under this Plan and is not intended to expand such designation beyond what is necessary for this Plan to comply with HIPAA privacy regulations.

You may obtain a form to Appoint a Personal Representative or Revoke a Personal Representative by contacting the Privacy Officer at their address listed on this Notice. The Plan retains discretion to deny access to your PHI to a Personal Representative to provide protection to those vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect.

Because HIPAA regulations give adults certain rights and generally children age 18 and older are adults, if you have dependent children age 18 and older covered under the Plan, and the child wants you, as the parent(s), to be able to access their protected health information (PHI), that child will need to complete a form to Appoint a Personal Representative to designate you (the employee/retiree) and/or your Spouse as their Personal Representatives.

The Plan will consider a parent, guardian, or other person acting *in loco parentis* as the Personal Representative of an unemancipated minor (a child generally under age 18) unless the applicable law requires otherwise. *In loco parentis* may be further defined by state law, but in general it refers to a person who has been treated as a parent by the child and who has formed a meaningful parental relationship with the child for a substantial period of time. Spouses and unemancipated minors may, however, request that the Plan restrict PHI that goes to family members as described above under the section titled "Your Individual Privacy Rights."

### **The Plan's Duties**

The Plan is required by law to maintain the privacy of your PHI and to provide you and your eligible dependents with Notice of its legal duties and privacy practices. The Plan is required to comply with the terms of this Notice. However, the Plan reserves the right to change its privacy practices and the terms of this Notice and to apply the changes to any PHI maintained by the Plan. In addition, the Plan may not (and does not) use your genetic information that is PHI for underwriting purposes.

**Notice Distribution:** The Notice will be provided to each person when they initially enroll for benefits in the Plan (the Notice is provided in the Plan's Initial Enrollment material/packets). The Notice is also available on the Plan's website: [www.sisc.kern.org](http://www.sisc.kern.org). The Notice will also be provided upon request. Once every three years the Plan will notify the individuals then covered by the Plan where to obtain a copy of the Notice. This Plan will satisfy the requirements of the HIPAA regulation by providing the Notice to the named insured (covered employee) of the Plan; however, you are encouraged to share this Notice with other family members covered under the Plan.

**Notice Revisions:** If a privacy practice of this Plan is changed affecting this Notice, a revised version of this Notice will be provided to you and all participants covered by the Plan at the time of the change. Any revised version of the Notice will be distributed within 60 days of the effective date of a material change to the uses and disclosures of PHI, your individual rights, the duties of the Plan or other privacy practices stated in this Notice. Material changes are changes to the uses and disclosures of PHI, an individual's rights, the duties of the Plan or other privacy practices stated in the Privacy Notice.

Because our health plan posts its Notice on its web site, we will prominently post the revised Notice on that web site by the effective date of the material change to the Notice. We will also provide the revised notice, or information about the material change and how to obtain the revised Notice, in our next annual mailing to individuals covered by the Plan.

### **Disclosing Only the Minimum Necessary Protected Health Information**

When using or disclosing PHI or when requesting PHI from another covered entity, the Plan will make reasonable efforts not to use, disclose or request more than the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request, taking into consideration practical and technological limitations. However, the minimum necessary standard will not apply in the following situations:

- Disclosures to or requests by a health care provider for treatment,
- Uses or disclosures made to you,
- Disclosures made to the Secretary of the U.S. Department of Health and Human Services in accordance with their enforcement activities under HIPAA,
- Uses of disclosures required by law, and
- Uses of disclosures required for the Plan's compliance with the HIPAA privacy regulations.

This Notice does not apply to information that has been de-identified. De-identified information is information that does not identify you and there is no reasonable basis to believe that the information can be used to identify you.

As described in the amended Plan document, the Plan may share PHI with the Plan Sponsor for limited administrative purposes, such as determining claims and appeals, performing quality assurance functions and auditing and monitoring the Plan. The Plan shares the minimum information necessary to accomplish these purposes.

In addition, the Plan may use or disclose "summary health information" to the Plan Sponsor for obtaining premium bids or modifying, amending or terminating the group health Plan. Summary health information means information that summarizes claims history, claims expenses or type of claims experienced by individuals for whom the Plan Sponsor has provided health benefits under a group health plan. Identifying information will be deleted from summary health information, in accordance with HIPAA.

## **Your Right to File a Complaint**

If you believe that your privacy rights have been violated, you may file a complaint with the Plan in care of the Plan's Privacy Officer, at the address listed on the first page of this Notice. Neither your employer nor the Plan will retaliate against you for filing a complaint.

You may also file a complaint (within 180 days of the date you know or should have known about an act or omission) with the Secretary of the U.S. Department of Health and Human Services by contacting their nearest office as listed in your telephone directory or at this website (<http://www.hhs.gov/ocr/office/about/rgn-hqaddresses.html>) or this website: <http://www.hhs.gov/ocr/privacy/hipaa/complaints/index.html> or contact the Privacy Officer for more information about how to file a complaint.

## **If You Need More Information**

If you have any questions regarding this Notice or the subjects addressed in it, you may contact the Plan's Privacy Officer at the address listed on the first page of this Notice.

## Extra Duty Pay Schedule

## Appendix D

### EXTRA DUTY PAY SCHEDULE

1.0 Any coaching and advisory position that is vacant during the school year, as a result of resignation, termination or creation of a new position, may be posted at that time. These mid-year positions must be posted a minimum of ten (10) workdays. Other than any mid-year vacancies, unit members interested in a coaching or advisory assignment for the following school year shall apply for consideration on or before April 1st of each year. The principal or designee shall consider the experience, qualifications and performance of each unit member requesting consideration and annually select the best-qualified person for the extra duty pay assignment. The administration shall attempt when possible to complete this process before the end of the school year. The District shall not be obligated to fill all extra duty pay assignments each year.

1.1 Athletic coaching positions will be posted and selected immediately following the conclusion of each sport's season. One week after the final contest of a sport, the coaching position will be posted for a minimum of 10 school days, followed by the selection process. An example would be: Football Team "A" finishes their last game on November 10<sup>th</sup>. The school site would then post the position no earlier than November 17<sup>th</sup>, and it would remain posted for a minimum of 10 school days. This time-line concept would apply to every sport of the Fall and Winter seasons.

All openings for Spring coaching positions will be posted May 1<sup>st</sup> for a period of 10 school days and then the selection process will take place.

2.0 The administration shall attempt to assign extra duty pay assignments to members of the staff at the site where the assignment is available when possible. It may be necessary to utilize non-certificated temporary athletic team coaches under circumstances wherein an annual search among the District's certificated employees has not identified coaching personnel able to fulfill the District's coaching needs.

3.0 Coaching and advisory stipends may be shared by unit members when two or more individuals are assigned to do a coaching or advisory job. However, unless otherwise provided for in the Agreement, there shall be no more than one stipend at each site.

4.0 All extra duty pay assignments must be Board approved and provided for in this Agreement.

5.0 The stipends listed in 5.0 below are the maximum amounts to be paid by the District for extra duty assignments and for services rendered on or after July 1, 1994. The ratios are based upon of Column 6, Step 2 of the teacher's salary schedule. Effective July 1, 2015, after 5 consecutive years of coaching or activity advisement in the same sport or activity for which a stipend is awarded, permanent certificated employees shall receive a \$500 increase to their stipend beginning in their 6<sup>th</sup> consecutive year, and an additional \$500 increase to their stipend beginning in their 11<sup>th</sup> consecutive year, of coaching or activity advisement in that same sport or activity. Current coaches or activity advisors will receive credit for prior service consistent with the criteria above.

#### 5.1 COACHING

When both a boys and girls team is fielded, each team shall have a separate coach when possible and each coach shall receive a stipend. To the extent a unit member takes on two (2) assignments and receives two (2) stipends, practices shall not normally be held concurrently. Varsity coaches whose teams qualify for extended seasons (CIF regulation playoffs/finals) shall receive additional compensation derived by dividing the number of weeks or partial weeks by the number of weeks of regular season play as defined by CIF, beginning at the "practice begins" date through the "date of Last Contest" date. School holidays of Christmas Holiday and Spring Break shall not count as weeks of regular session play.
