IMPORTANT INSTRUCTIONS: Please refer to the attached RFP for further details. Not all components are able to be accurately represented in this Form 470 due to the limited nature of the pre determined drop down options. Quantities are estimates and may increase or decrease over the term of the awarded contract. A site walk will be required for all bidders to attend. This site walk will include a campus wide walk to all buildings and locations included in this RFP. This job walk will be held on January 8th at 9:00 A.M Central Standard Time. You will be expected to arrive on time at 290 Quintard Road Sewanee, TN 37375. The job walk will continue until all have had a chance to ask questions and walk proposed routes or no later than 3:00PM Central Standard Time. All questions and answers made during this time will be posted as an addendum to the FCC Form 470 in the EPC portal and on the districts website. Failure to attend this job walk will result in disqualification. Category One is included in this Form 470 in the event that any requested fiber crosses a public right-of-way and therefore causing USAC to deem this project Category One versus Category Two. All questions are due January 15, 2020 by end of business day. Questions may be sent to Elliott Wood at elliott.wood@enable.email. All responses are due 4:59 CST on February 13, 2020. Proposals may be sent to Sarah Lodge at slodge@sasweb.org. Further information can be found on attached RFPs or on the school districts website at www.sasweb.org/about/campus/rfps
