Badminton X'mas Camp!

Make New Friends, and have a blast
everyday with our Elite Coaching Staff!

December 26-31, 2019

Playing badminton is fun and it promotes physical fitness. Parents know that competitive sports have many benefits to their children's lives. Badminton helps with weight loss and it decreases the chance of your child developing diseases. Over the break instead of letting your child sit in front of a screen, engage them in an active sport like badminton. Join the 2019 IBC X'mas camp and let your child learn the art of badminton.

Geared for all levels of play from beginner to advance; World-class coaches will be present to coach and work with campers.
