

Parents— You Have A Choice!

Fundraiser or Tax-Deductible Donation

The JAMS PTO provides opportunities and activities for our children but only with the support of our school community. While we host many fundraising events throughout the year, we understand volunteering or participating in our continuous fundraising efforts may not be for everyone. Hence JAMS PTO would like to make it easier for parents to support their child/children without having to participate in numerous fundraisers.

We invite you to support by making a direct tax-deductible donation. While we recommend \$55.00 as it is the actual cost per student, please feel free to donate what you are most comfortable sharing. Your OPT-OUT contribution may qualify for your company/corporate matching program at work!

Your generous support whether you choose to make a direct donation or to participate in the fundraisers will be greatly appreciated!

Please make check payable to **JAMS PTO** and place in an envelope marked: **PTO – Opt-Out**.
