toilet paper tubes

empty paper towel/gift wrap tubes

string or ribbon

pipe cleaners

masking tape

popsicle sticks

paper plates

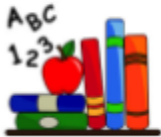

cotton balls

art/craft materials you no longer need

small plastic containers (cottage cheese, yogurt, sour cream, etc.)

empty spools or other interesting consumable materials

Flexible Learning Day (FLD) packets were sent home with all kindergarten and first grade students at conferences. Classroom teachers have designed these packets for their students to use in the event that weather prevents them from coming to school. The packets are designed to help students enjoy their snow day and reinforce the idea that learning doesn't just happen at school. Playing in the snow, baking cookies, and spending time with friends and family can be great learning experiences as well. FLDs aren't intended to bring unnecessary stress to your household. Have fun with it! In true Minnesota spirit, we invite you to embrace the snow and enjoy this beautiful season!

Thank you so much for all the donations that have been coming into the Health Office. Your donations are truly appreciated!

**thank
You**

REMINDER TO PARENTS:

*****DRESS YOUR CHILD FOR THE COLD WEATHER: COATS, HATS, MITTENS/GLOVES, BOOTS, SNOWPANTS, ETC..**

Now that students are wearing boots to school, please make sure to bring shoes or keep shoes at school for Physical Education. The school has a very limited supply of extra shoes at school. Thank you!
