

Trask Parent Newsletter for the Week of December 15, 2019
Title I Compact for Student Success

News & Updates

- Last call! You can help support the Q2 athletes by purchasing a 50/50 raffle ticket! The 50/50 drawing will be 12/17 at halftime of the basketball game.
- On December 17, the PTA will be hosting a luncheon for Trask faculty and staff. Sign up to help!
- Due to the half day schedule, the cafeteria will be serving bag lunches (PB&J or Ham & Cheese) on 12/20.
- The deadline is approaching for AIG nominations. They will be accepted through Jan 10. Testing will take place between March 9-20 and the match team will convene between Mar 23 - Apr 3.
- Girls basketball and boys soccer tryouts will be 1/15 and 1/16. Athletic Packets are due Friday, January 10. Forms are on the Trask Athletic website.
- Check out the video from a recent NHCS TV newscast showcasing a Trask classroom.
- Want to know when your bus is coming? It is almost time for the Edulog Parent Portal Transportation App! Information will be sent home with students tomorrow. January 2nd is our "Go Live" date, and parents can begin to use the app for real-time bus information.
- Please be mindful of the procedures for dismissal. Students should not be crossing Danny Pence or College Rd unless they are at the crosswalk. If you are picking up a student, please pull through our traffic circle to keep all students safe. For parents that park in the trees along Danny Pence, please make sure you are not blocking this route for others.
- I have linked the SIT meeting dates for the remainder of the year. You can access all SIT documents through www.indistar.org using the guest login information for username and password (GuestS16918).
- Do you get your picture order? We have distributed everything that we have received. Please contact Strawbridge's Customer Service at (866) 624-6229 or cservice@strawbridge.net

Information, Community Outreach & Resources

- Summer Accelerator is an exciting summer program created by the North Carolina School of Science and Mathematics for exceptional rising 5th-12th graders. We introduce students to exciting topics in hopes to encourage their interests in STEM concepts. The Early Accelerator for rising 5th and 6th Graders and Accelerator for rising 7th - 9th Graders are both great opportunities!
- It is important to keep up with your child on social media. Please read the article to learn more about Snapchat.

If you want to stay informed about what is going on at Trask Middle, sign up for Remind 101 and follow us on social media. We are on Facebook, Twitter, and Instagram.
