

# Annual Report

2018-2019 Wilbraham & Monson Academy

RODNEY LARR

# A Historic Year

What is the value of a gift?

Is it tangible? Does it make an impact? Can it motivate others?

The answer to all of these questions is a resounding yes! And perhaps at no other time in the Academy's history has this been more true. The gift from Wilber James '64W and his wife—Janet James—the largest gift in the long, shared history of Wilbraham & Monson Academy—is a major step in securing the future of our great school. It is a statement of their confidence in our mission, our values and our vision for the Academy.

It is also clear that they are not alone in their commitment to the Academy. This fiscal year, we raised close to \$4 million, and the Atlas Fund exceeded the \$1 million threshold for the third year in a row. Our first ever Giving Day saw more than 139 donors make an investment in the Academy in a 24-hour period. (Look for our next Giving Day in February 2020!)

The tangible impact of our community's generosity was visible in the energy and excitement as

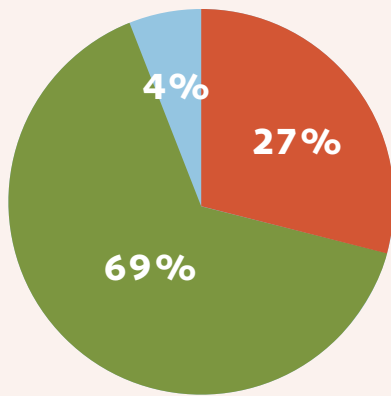

we watched the first shovels of dirt move and the construction of the Athenaeum begin. A building that will serve as a place for the students to gather not only in their pursuit of academic excellence, but also where they can come to relax and enjoy each other's company.

And so, what is the value of a gift? The value is the impact that it has on our students, our faculty and our community. It is your gifts that help us provide the knowledge, the opportunity and the experience that make WMA such a special place. On behalf of the students, faculty and all of us here at the Academy, thank you for the extraordinary support and commitment you have shown in 2018–2019.

Thank you!

## Bell & Atlas Society

The Bell & Atlas Society recognizes those donors who renew their support every year and acknowledges their consecutive years of giving. Members are acknowledged in our Annual Report with special recognition accorded for contributions in five, 10, 15 and 20-plus consecutive years. Their loyalty helps sustain the Academy and continues to move us forward.
