

2019–2020 Student Instructional Calendar Revisions

RECAP

October 2017 to March 2018

Committee met over four days to surface assumptions, ask questions and review data related to the student instructional year. The committee developed a recommended calendar structure for the 2019-20 school year.

April 12, 2018

The committee's recommendation was presented to the Board at a Study Session, where public input was also gathered. The Board provided direction to conduct a survey of all parents, all staff and students in grades 8 through 12.

June 19, 2018

A special meeting was held to review the results of the survey. The Board provided direction to revise the committee's recommended calendar to start school on August 26 and end first semester at winter break.
