# What Our Students Told Us

I don't feel  
like my  
voice  
matters.

I am  
different  
and  
people  
make fun  
of me.

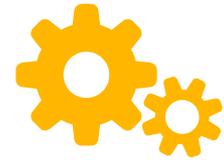

I feel like an  
outsider. I do  
not belong  
here.

I feel like I am not  
accepted for who I  
am on the inside.  
I am afraid to be  
who I am.

*"We don't say those things on  
this campus."*

# Student Driven....

For meaningful learning

# Example Activity

Watching Chimimanda Ngozi Adichie's famous TedTalk, "The Danger of the Single Story" and discussing stereotypes, bias, and bigotry, and racism. Having students reflect—always—and discuss as a class.
