## Program Feedback

### Elementary

- Rich online content-high student engagement and teacher friendly
- Newspapers are easy to manage, offers flexibility for instruction
- Abundance of support materials
- Technology ease of use and can be accessed at home
- Newspapers lend themselves to at home family discussions of classroom learning
- Rigorous online assessments with editing features

### Thurston

- Superior visuals, photographs, and videos
- Cohesive flow of lesson content
- Each topic is given two pages, designed for one day
- Great primary source incorporation
- Integrated exercises for Multiple Perspectives & Depth of Knowledge
- Comprehensive inquiry and differentiation
- Efficient content coverage which allows teachers to integrate enrichment to enhance student experience

### High School

- User-friendly
- Content easy to access
- Interactive student platform
- Project included for each chapter
- Easy to assign textbook and covers the material which is especially helpful for subs
- Email alert when student assignment is completed
- Spanish available immediately

# Questions or Feedback?

The H/SS Committee respectfully thanks you for your time and consideration.
