The background of the slide is a photograph of a person sitting on a dark, textured wall, looking out over a vast, hazy ocean under a grey sky. The person is wearing a dark jacket and is holding a long, thin object, possibly a telescope or a long stick, in their hands. The right side of the image is overlaid with a solid blue rectangle containing white text.

NEXT STEPS: K-12 Summer

- 1. Standardize HS summer curriculum**
- 2. Explore additional community connections**
- 3. Duration of K-8 session**
